REPORTS.

Board of Education.

The Correspondence School with its two distinct departments, the Correspondence Work and the Institute Work, has already, in the two years since its organization, achieved a splendid success. In the report of the director, issued in April of this year, 524 is given as the number of students enrolled in the several courses, 375 of whom are undergraduates, and eight of whom are probationers in the Florida Conference. Four Preachers' Institutes have now come into regular co-operation with the school—viz, the Vanderbilt Biblical Institute, Nashville, Tenn.; The Summer School of Theology, Georgetown, Texas; the Missouri and Southwest Mission Institute, Fayette, Mo., and the Louisville Conference Institute, Beaver Dam, Ky.

We heartily endorse the work of the Correspondence School and cordially commend it to the members of our conference, especially the under graduates. We recommend the adoption of the following resolution:

That the Board of Education be requested to provide for the holding of a Preachers' Institute under the direction of the Correspondence School.

The report of Emory College is in hand and we note with pleasure the continued growth and prosperity of this institution. The enrollment is large, the work of the student body is gratifying and the moral and religious tone and conditions are excellent.

Twelve thousand dollars have been expended in better equipping the Department of Science. Four thousand dollars have been raised towards the building and furnishing of a gymnasium.

The third series of Quillian Lectures will be delivered by Dr. J. M. Buckley of New York.

We are glad to have with us Dr. Dickey, Emory's honored president. The success of his past labors for th institution bespeak prosperity for it in the future. We urge our people who send their boys out of the State to be educated to send them to Emory College.

We learn with sincere pleasure of the continued and increasing prosperity of our oldest institution for the higher education of women, Wesleyan Female College.

The present enrollment for this scholastic year has already reached the high figure of 413, which is 56 more than were enrolled at this time last year and by far the largest number ever enrolled in the history of the college. Approximately \$10,000 has been expended the past year in repairs and improvements on buildings and in adding to the scientific and other equipment. We note with special gratitude the gracious revival of religion in the college during the last session. We commend this institution to the confidence of our people.

The success of our Seminary at Sutherland is nothing less than marvelous. Since our last conference a magnificent brick building of recitation and office rooms and auditorium has been begun and almost brought to completion. The two dormitories have been thoroughly renovated and repaired. Water works and a gas plant have been added to the furnishing of the boys' dormitory. Several new pianos have been purchased, and the equipment of the scientific department largely increased. While the enrollment of last year reached the splendid and gratifying number of 227 already during the present fall term there have been enrolled 251, and several boys have been turned away because of the lack of dormitory room. Surely God's guiding hand is to be seen in the wonderful progress of our work at Sutherland. The sympathy of our people has been with President Walker in his deep sorrow the past year, but we rejoice in the abundant evidence of God's sustaining help and continued favor in our brother's life and work. Let us be grateful for what we have received of divine beneficence, and pledge ourselves, as a conference of preachers and laymen representing Florida Methodism, that we will reconsecrate our thought and means, our lives, to the great cause of Christian education in our State, and that we will prove ourselves fully and cheerfully obedient to the earnest call of duty, and give to our institution at Sutherland all the enlargement of buildings and equipments of departments that she needs.

The enrollment of Ruth Hargrove Seminary, our missionary school in Key West, was 263 in all departments the past year. The new department—that of kindergarten—was one of the most successful, the enrollment reaching 28. This department is in charge of a teacher who is well trained, especially for the mission field. Last year ten children were received into the home

which is a part of the school—eight of them Cubans. This year we have seven of the same children. There are many others who wish to come to us but we have no more room for them. The present session opened with unusually bright prospects. The attendance is very good, the enrollment being 210. This is the largest number that have ever been reported at the end of the first quarter. The school has recently received a valuable gift, the library of the late Dr. R. D. Murray, of Key West, donated by the children of the deceased doctor, in memory of their two sisters, who died in the island city, a library of several hundred volumes, many of which are very valuable. The school is in favor with the people, especially with the Cubans. More than 25 per cent of the pupils are Cubans. The teachers are well suited to their work and already the grades are crowded. The course of study has been added to so that it now covers a period of nine years. There is a hope that the demand for a session of ten months will soon be met. The need for more room is more urgent than it was a year ago. The limit has been reached, and the school can grow no larger until its capacity is increased. The great need is a building which will contain not only a chapel and kindergarten, but also a dormitory for boys. The prospect of the school is bright, and we pray that it may continue to stand for the highest ideals of Christian education.

We recommend the appointment of S. W. Walker, to the presidency of the Florida Seminary. W. F. Fletcher, Student at Emory College.

The assessments for education on the several districts the coming year are as follows:

Books and Periodicals.

TO THE BISHOP AND ANNUAL CONFERENCE :

Your committee notes with deep gratitude the con-

tinued increase in the business of our publishing house, as indicated by the exhibit before us, the net gain in sales the past year reaching the sum of \$13,918.16.

The movement to establish a large publishing house in China is in keeping with the progressive spirit of Methodism and means much for that empire. Of the \$50,000 ordered by the General Conference for this purpose \$32,000 have been paid, \$13,000 of which was paid during the fiscal year ending March 21, 1904.

At every period in the history of Methodism God has raised up gifted men who have contributed fresh, attractive and wholesome books to our literature, and true to past history our literature is to-day being enriched by the addition of many excellent books from the pen of our leading men. This is a healthy indication and speaks volumes for our great church.

The periodicals issued from our publishing house were never better than at the present time. The Methodist Quarterly Review, the Epworth Era and the general organ of our church, the Nashville Christian Advocate, as well as all our Sunday-school and missionary publications are filling their mission admirably and are proving to be mighty forces in the promulgation of our Methodism. We urge the wide circulation of these periodicals and also the good books issued from our publishing house as an important part of the work of our preachers.

In this connection we mention the faithful work of our conference colporteur, Brother J. P. Durrance, and respectfully request his reappointment. We call the attention of our preachers and laymen to this important part of our conference work and urge that all orders be sent to the colporteur whenever practicable.

The standard of excellence being maintained by our conference organ, the Florida Christian Advocate, under the efficient editorship of Rev. J. B. Ley, is a source of gratification to all our people. We hereby express our confidence in him and our hearty appreciation of his work; and will endeavor to increase the circulation of the paper, thus bringing our people into closer touch with the work of our church through this important medium. Respectfully submitted,

C. A. FULLWOOD, Chairman.

D. B. SWEAT, Secretary.

Report of Temperance Committee.

The well known attitude of our church of opposition to all forms of vice, and the frequent deliverances of our conferences, pastoral addresses of our bishops, and the uncompromising warfare of our ministry upon the evils of intemperance, and the legalized liquor traffic for beverage purposes, renders it unnecessary to enlarge upon these questions further than to say we adhere uncompromisingly to our stongest deliverances, hitherto made, as we believe that the traffic in intoxicating liquors for beverage purposes cannot be legalized without sin, and we reiterate the declarations of Our Book of Discipline, page 93, paragraphs 214, 215 and 216 and urge our pastors and people to stand loyally by them.

We rejoice in the fact that in the State of Florida now 29 counties, by the peaceable processes of law and the sovereignty of the ballot, enjoy deliverance from the evils of legalized saloons, while an increasing Christian sentiment throughout the commonweath promises the complete and early overthrow of the traffic in the entire state.

We are likewise opposed to a dispensary system or any measures looking to a compromise with the saloon or the liquor traffic, and shall be satisfied with nothing short of the abolition of the legalized saloon and our pastors and people, in every place, are hereby urged to make unceasing warfare upon the legalized liquor traffic.

We heartily endorse the Anti-Saloon league and request our Bishop to appoint a committee of three to memorialize the Florida legislature to provide by suitable enactments, for the submission to the qualified voters of the state, the question of "license" or "no license" of saloons.

We hereby assure the W. C. T. U. of our sympathy and co-operation in their efforts to promote the cause of temperance. We urge our pastors to use only unfermented wine for sacramental purposes.

J. W. BIGHAM, Chairman.

Report of the American Bible Society.

We deem it unnecessary to remind you of the importance of the work being done by the American Bible Society, feeling confident that every member of this

conference has kept himself fully informed in regard to it. The increased interest manifested in this great work on the part of our preachers and people during the past year is gratifying to the society and to your board as well.

Like every other missionary enterprise of our holy Christianity the work of the American Bible Society is continually expanding; under the inspiring leadership of the Holy Spirit it must be always seeking the lost ones for whom Christ died or grieve that Spirit. That this expansion idea may materialize in the best results it must be a living principle in the minds of all who appreciate the magnificent work that this great organization is doing.

Our attention has been called to the fact that there has been a large falling off in legacies for several years. Had it not been that the Christian people had largely increased their annual contributions to the society the work of circulating the Holy Scriptures would have been seriously retarded. It gives us more pleasure than can be expressed in this report that our people within the bounds of the Florida Conference have kept themselves in close proximity to the foremost in the increased contributions to this great cause. In view of the forgoing your board would emphasize the importance of our pastors soliciting contributions from all our people, and that a strong effort be made to secure at least two cents from every member of our church for the American Bible Society. For the board,

FRANCES R. BRIDGES.

Florida Seminary.

FLORIDA ANNUAL CONFERENCE, METHODIST EPISCOPAL
CHURCH SOUTH.

Florida Seminary, located at Sutherland, on the Gulf coast, in the western part of Hillsborough county, was constituted by the purchase, in the spring of 1902, of a tract of 490 acres of high rolling pine land bordering upon and in full view of the Gulf. The Atlantic Coast Line Railway from Jacksonville to St. Petersburg passes through this land near the college buildings, affording daily mails and ready transit in either direction several times a day. There is not a more healthful section in all Florida than Sutherland and its immediate

vicinity, with its resinous atmosphere from the adjacent pine forests and salt breezes from the nearby Gulf. The health record of the school is produced in substantiation of the assertion.

THE BUILDINGS.

On this tract of land when purchased were located two large buildings, formerly used as hotels. The larger of these contains 159 large, well-constructed rooms, gas-lighted steam heated, and possessing all the conveniences of modern buildings erected for the comfort of the rich. This building is used as a Girls' Dormitory.

The second building contains 50 rooms, and is used as a Boys' Dormitory.

In March, 1904, there was begun a third building. This is a solid brick structure, 95 by 137 feet, two stories high besides the basement, and will cost completed upwards of \$15,000. Ten thousand dollars have already been expended upon it, the walls are up and the roof upon it. It is to be completed by next March, and the annual commencement in next May is purposed to be held therein. On the first floor there are to be ten rooms to be used for recitation purposes; on the second floor there is to be a chapel 70 by 95 feet, with a seating capacity of 700, a study hall 40 by 50 feet, seating 200, and a library room. In the erection of this building a debt of \$9,000 has been contracted, which is drawing 8 per cent. interest.

FAVORABLE BEGINNING.

The school was first opened for the reception of pupils September 24, 1902, with an enrollment of 107, though but one family lived upon the college lands. The year closed with an enrollment of 208 pupils.

The second school year began in September, 1903, with 126 pupils, and closed with an enrollment of 226.

At its third opening in September, 1904, there were 205 pupils, which had increased to 252 to this writing, December 8th, against 168 to the same date the past year.

FACULTY.

The faculty, of which Rev. S. W. Walker, A. M., is president, consists of fourteen teachers. Each of these is chosen on the grounds of special fitness for the work of the department over which he or she presides. The departments embrace Music, Art, Elocution, and several

Business Departments, in addition to the regular academic courses of the college.

CLASSES.

The Sub-Freshman courses embrace three years, then the regular Freshman, Sophomore, Junior and Senior classes.

About one-third of all the pupils are in the Sub-Freshman classes; there are 75 in the Freshman class, 35 in the Sophomore, 20 in the Junior, and three in the Senior class.

There was graduated the first year one each in Music and the Literary course; two in Music the second year.

CURRICULUM.

The curriculum is one year below that of Emory College, and is the one prescribed by the General Education Board of the Church. It includes ancient languages, science, literature, and mathematics with B. S. and A. B. courses.

BOARDING DEPARTMENT.

The boarding department is conducted by the college, male and female students eating in the same room in the Girls' Dormitory, and is as homelike as it is possible to be made. The cost is \$50 in advance for a term of 18 weeks, or 4 1-2 months. The food is ample and wholesome, and recently pronounced by a prominent physician to be the best he ever knew in similar institutions.

EQUIPMENT.

Well's patent desks are supplied in the study hall and recitation-rooms. Necessary chemical and physical apparatus is used in the instruction in those departments. Twelve pianos, some paid for and others being paid for on the installment plan, are in use in the Music Department.

RELIGIOUS DEPARTMENT.

The religious influence of the school is of the very highest character. There is preaching in the college chapel every Sunday to the students and the people of the community. There is each a well-organized and well-conducted Sunday school, Epworth League, and prayer meeting held weekly in the same chapel.

The religious training of the pupils is as carefully

looked after as their intellectual development. As a consequence of this religious influence and oversight, many pupils who come to the school unconverted are returned to their homes converted and members of the church, some preparing for the ministry.

FINANCIAL.

As has been stated a debt of \$8,000 has been contracted in the erection of the main college building. Added to this, there is still a debt of \$1,180 on the original purchase of the property, which, notes in hand for lots sold and the proceeds of lots yet to be sold, will more than cover.

The receipts from board and tuition since the establishment of the school would have more than met all the current expenses had it not been necessary to draw heavily upon this fund for repairs and equipment.

FINANCIAL AGENT.

Rev. J. A. Hendry, the Financial Agent, appointed by the conference for the past year, has done a good work considering that he followed the Rev. J. P. Hillburn, who so thoroughly gleaned the church by collections of cash and subscriptions for the college the year previous.

Bro. Hendry reports as follows:

Received in subscriptions during year.....	\$4,500.00
Collected and paid Mr. D. C. McMullen, Treasurer.....	3,503.08
Collected and applied to expenses.....	344.10
Collected by J. P. Hillburn.....	1,000.00
Cash in hand	528.95
Total.....	\$5,076.13

The total unpaid subscriptions to the college amounts now approximately to \$20,000.

INCORPORATION.

The college has been incorporated under the laws of the state, and has full authority to confer graduate and honorary degrees, ranging from Bachelor of Science to Doctor of Laws. The articles of incorporation give the further authority to create departments of law and medicine and to confer the degrees appertaining.

SPORTING INFLUENCE.

It is the determination of the management of this institution to keep down the sporting influence taking possession of the student body of nearly all schools for

higher education. No teams for inter-collegiate baseball and football have been organized nor will they be tolerated. There are no bar-rooms or dens of vice in the college town, and they will be prohibited by any further act of incorporation of the town.

REPORTS FILED AND AUDITED.

The reports of the Treasurer, Financial Agent, Land Agent, President of the College, and the President of the Board of Trustees have each been filed with the Board of Trustees, audited, approved, and is open for the inspection of any who may have cause to investigate.

CREDIT DUE.

The fact that such an institution has been built up within three years without a dollar's worth of property or a cent of endowment to begin with, bespeak volumes for Rev. S. W. Walker, the president, who has been at the helm, as well as for the church and its agents contributing to the phenomenal success of this enterprise.

CONCLUSION.

President Walker and this college are endorsed and commended to the confidence and patronage of Methodists everywhere, and as well to all persons seeking the very best education under Christian auspices for their sons and daughters. In true education the mental and moral development receive like care and consideration.

J. P. HILLBURN.

Sunday School Report, 1904.

Always regarding the Sunday school as the nursery of the church, and as one of the chief factors in the extension of God's kingdom on earth, we note with rising joy the continued growth and usefulness of this important part of the church. It is evidenced every year that the cause of Missions is receiving increasing notice and aid from our Sunday schools. Contributions to the cause of Missions have grown annually to liberal proportions. Within the schools there is better organization and increased efficiency in teachers. The modern Sunday school is approaching the form of the model school.

Every Sunday school wishing to keep abreast of this progress should organize as an aid to this end the B. T. S. C., and not forget to report these circles to the secretary and chairman of the conference board.

There are also two special services that should be observed by every school—Children's Day and Rally Day, in May and October. These days not only help the school, but enable the school to help others.

Owing to Dr. Hamill's numerous engagements in other conferences, we have had no institutes this year, but expect to provide for two this ensuing year. We also request that all the presiding elders report to the chairman, J. C. Carter, Dade City, the Sunday schools and superintendents of them within the bounds of their district.

The following statistics are appended from the general minutes:

Number of Sunday schools.....	14,218	loss	207

Report of Conference Board of Church Extension.

To the Bishop and members of the Florida Conference, M. E. Church, South, in session at Orlando, Florida, Dec. 8th. to 12th.

Dear Fathers and Brethren: The report that comes to us from the parent board of Church Extension, is very gratifying indeed. During the fiscal year which closed March 31st, 1904, there was collected \$92,192.82, being the highest figure attained since the organization of the Board, and yet \$32,807.18, short of the full assessment.

In the 22 years of the history of the organization, our Conference has contributed to the above fund \$15,269.6, and to the loan fund \$3,756, and to specials \$438.88. And we have received during the same period in donations \$34,487.00, and in loans, \$24,600.00. And yet according to our last minutes we still have fifty-seven societies without houses of worship. We are glad to be enabled to report to this body that the receipts for this year in our own Conference is several hundred dollars in excess of the receipts for last year, and yet with this increase we were not able to meet all the demands that were made upon us, however no application has been turned down—but some had to be scaled in order that we might help all to some extent. We trust that the Pastors in charge, and the Presiding Elders will place the same stress, and make as great an effort to raise the Church Extension assessment in full as they do for Missions. The assessment is made on a basis fixed by the General Conference over which we have no control. The assessment for this year is the same as for last year and is distributed as follows:

Tallahassee District.....	\$ 340.00
Jacksonville District.....	355.00

Epworth Leagues.

TO THE BISHOP AND MEMBERS OF THE FLORIDA ANNUAL CONFERENCE:

Dear Fathers and Brethren: We, your committee submit this their annual report for your consideration: We are glad to note that this has been a prosperous year in the history of the Epworth League. After years of strenuous struggle for recognition and support, the Epworth League now enters a field of wider usefulness and development. The work of the League is as vital in its relation to the church as the work of the Sunday school, therefore, we ask that it receive at the hands of our ministers and church officials the same support as the Sunday School. Not only has this been a year of gratifying progress in our own conference but also in the whole church. The meetings have been marked by spirituality and intelligent zeal. Our League conferences have done much to enhance this interest, bringing together the best talent and so stimulating the whole church by the ardor of our young people. Especially has the work of the League benefitted the students in

our institutions of learning, both religious and secular. The League Reading Course continues to secure a wide and well-merited interest. We especially commend to our Leagues the "Epworth League Culture Courses." We invite a careful investigation of the "Bible Circle" studies. The General Board hopes by this plan to bring all our young people to take up a systematic study of the Bible. We call attention to the fact that the Epworth League Board authorizes the 4th Department and urge its adoption and work upon the Leagues. The claims of the Epworth Era are laid upon our pastors and people. The Magazine Era, issued once a month, is a pledge of what the editors hope to make the weekly Era in the near future. Our people must be furnished by our own church with the very best literature of this class or surrender the field to alien teachers.

While the Era is now on a basis of self-support, we need and must have the "Ten Cent Assessment" to enable the Board to do its work, as all its income is barely sufficient for a most economical administration.

We respectfully call attention to a resolution passed by the Epworth League Board at its meeting last May: Resolved that it is the sense of this Board that all Epworth League Conference organizations shall be subject to their respective Annual Conference League Boards, and shall make annual report to them," In accordance with this resolution the Secretary of the State League Conference reports as follows: No. of Senior Leagues, 81; Members, 2,400; No. Junior Leagues, 30; Members, 893; Total, 3,293. Total last year 2,924; Increase, 369.

Endeavoring to bring about a closer relation between State Epworth League conference and the Conference Epworth League Board, Rev. F. Pasco, resigned from the presidency of the Conference Epworth League Board, and Rev. J. E. Mickler, president of the State Epworth League Conference was elected in his stead. Respectfully submitted,

Report on Sabbath Observance.

Dear Fathers and Brethren: Your committee beg leave to report:

The Sabbath is a divine institution, established in the very beginning of man's history.

We read in Genesis 2:3. And God blessed the seventh day and sanctified it. And in Exodus 20:11: Remember the Sabbath day to keep it holy. This is the teaching of the law and the prophets. This is reiterated in the New Testament. Christ and his disciples observed the Sabbath day. The Master himself said: The Sabbath was made for man. The early Christians observed it. The Christian church in all ages has required the proper observance of the Sabbath day. In all Christian lands, the civil law, based upon the divine law, has recognized the Sabbath day and provided for its observance. And yet in our own Christian country, in our own fair Florida, God's law is disregarded and the civil law is violated with impunity. Public sentiment, in many places, is not sufficiently strong to secure the strict enforcement of the law of God and man.

As a conference of ministers and laymen, representing a membership of 22,000 Methodists, we ought to feel our share of responsibility and do our part to provide a remedy for this wide spread desecration of the holy Sabbath day.

First of all let us examine ourselves to see if our skirts are clear of blame in this matter. Have we taught our people by precept and example what God's law teaches, and the civil law requires, as to the proper observance of the Sabbath day? Or have failed to do our whole duty in this respect, and thus become "blind leaders of the blind." Let us clear our own skirts first and then cry aloud and spare not. We have already reached the danger line. The church is injured, society is damaged, and the very foundations of the state are undermined by this insidious evil.

In conclusion we desire to make a few practical suggestions for the benefit of our preachers and people.

(1) Spend part of Saturday in making the necessary preparations for a proper observance of the Sabbath day.

(2) Rise early enough to prepare for Sunday school and church.

(3) Avoid Sunday work, Sunday travel, Sunday amusements, Sunday mails and secular reading, Sunday social visiting, and "Remember the Sabbath day to keep it holy." F. A. TAYLOR, For the Committee.

IN MEMORIAM.

Mrs. Virginia L. Anderson.

The subject of this memoir was the daughter of Abram Z. and Emmeline T. Venable, of Farmville, Va., and for fifty-two and one-half years she was the wife of Rev. Josephus Anderson, D. D., they having been married on December 10, 1851. She was born November 17, 1831, and died, after many years of poor health and several months of great suffering, on July 4, 1904, at her home in Leesburg, Fla.

Under the ministry of him who afterwards became her husband she was brought to Christ, and early in 1851 joined the Methodist church. One who knew her

well for about sixty years writes: "What a whole-souled woman she was! No better woman has ever passed from earth." He who knew her best testifies that "she was a quiet, unobtrusive woman, loved in deeds more than in words, and was ever ready to help others. Many were her acts of kindness." We are not surprised that she "was not afraid to die." Without murmuring had she borne her extraordinary suffering and the two days of calm, quiet silence, rest and ease preceding her coveted release must have betokened to her "the rest that remaineth for the people of God."

With the four of her children who had gone on before she awaits on the other side her venerable husband and her two sons and five grandchildren, who survive her.

With the many friends who, on that day when her pastor, Dr. Moore, in Lone Oak cemetery, had proclaimed "Blessed are the dead who die in the Lord, yea saith the Spirit, that they may not rest from their labors," and had said over her mortal remains, "Earth to earth, ashes to ashes, dust to dust," came forward and covered the newly-made grave with beautiful flowers, we join at this time and in this way with our humble tribute to one who in great measure must have made possible the success of the itinerant and editor whose lot she shared and in whose triumphs she rejoiced.

Mrs. S. W. Walker.

Lottie Patterson, the daughter of Rev. N. G. Patterson, the present pastor of the Baptist church at Fernandina, was born in Nova Scotia September 30, 1871, and came to the United States with her parents five years later. When fourteen years of age she came to Florida. At the tender age of ten years she was converted and joined the church of her parents. On the 6th of February, 1892, she was happily married to Rev. S. W. Walker. She was the mother of six children, all of whom are living, and the faithful and uncomplaining wife of an itinerant Methodist preacher for 12 years, and an earnest Christian from childhood. Her home-life was ideal, her gentle and patient spirit as wife and mother sanctifying all the departments. Doubtless she shall share, though she occupied a retired place, in the splendid achievements that shall crown the labors of her husband. No mean station will be held by and no un-

worthy honors conferred upon the helpful and self-sacrificing wives of Methodist preachers.

Among this elect number the subject of this appreciation stands pre-eminent. In a beautiful spirit she received the appointments of her husband without a murmur, though at one time, without any intimation beforehand, he was transferred across continent. Everywhere her Christian character shown with unfading lustre. Strong, yet tender, positive, yet the personification of meekness, of her it may be truly said, "She being dead yet speaketh." Her influence is felt by and her noble life is a stimulous to many. "Her husband also praiseth her, saying many daughters have done virtuously but thou excellest them all."

The tragical circumstances attending her departure from earth, April 14, 1904, were appalling. Expressions of profound sorrow and sympathy were heard arising from many aching hearts. In the arms of her husband, who was clinging, almost without hope, to the upturned boat, realizing that the end was near, at about the midnight hour, after offering her last prayer that the life of her husband might be spared for the sake of his precious children, she died from exhaustion. After life was extinct her body was consigned to the merciless waves that her husband might address himself to the perilous task of saving others. Her body was afterward recovered and was laid away for the first resurrection at St. Augustine, while her spirit dwells in everlasting habitations. In reference to our loved ones in Christ we may adopt the beautiful words of the Quaker poet of the Merrimac:

"I sit beside the silent sea
And wait the muffled oar;
From Him, no harm can come to me
On ocean or on shore.
I know not where his islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond his love and care."

Or the words from one of our beautiful hymns:

"Give joy or grief, give ease or pain,
Take life or friends away,
I come to find them all again
In that eternal day."

B. K. THROWER.

Mrs. Nannie McIntosh Joiner.

Mrs. Nannie McIntosh Joiner, wife of Rev. H. W. Joiner and youngest daughter of Prof. and Mrs. R. M. McIntosh, was born in Richmond, Va., August 26, 1866, and died at Plant City, Fla., October 20, 1904.

Attractive in person, gifted and cultured in mind, and consecrated in spirit, she was a woman of rare qualifications for usefulness. In childhood and girlhood she was most winsome, the pet of the family and the joy of a wide circle of friends. There was about her a cheerfulness which beamed upon those around her from a sweet face that seemed formed to express by its features the gladness of a heart filled with purity and peace. She was rarely endowed with the gift of song, inherited by nature and improved by careful culture. Her bird-like notes were not powerful and overwhelming, but pure, penetrating and persuasive. Her voice she consecrated to the divine service, and by it enriched the worship of the house of God, won souls to Christ, inspired the weary with fresh courage and soothed the sorrowing hearts of the bereaved.

She was married to Rev. H. W. Joiner April 11, 1893, and from that bridal hour to the day of her death was his faithful helpmeet in the work of an itinerant Methodist preacher. In this wide field of usefulness she was a willing and successful worker. In the homes of rich and poor, high and low, she was equally beloved and effective. For this noble life of a preacher's wife she lacked but one qualification—health. For several years before death she suffered from pulmonary consumption, but while this fatal malady progressed and diminished her physical strength from day to day, her spiritual life grew more and more vigorous. In all the tender offices of wife and mother she put forth the ministries of love transfigured by the beauty of a heavenly life.

Her gifted parents were the joint composers of the music to which in our southern Methodism is commonly sung the beautiful hymn of trust, "He leadeth me, O! blessed thought," and when she lay a-dying she sang that pathetic song. Then, as her feet passed further into the valley of the shadow of death in tenderest strains her soul poured forth the words, "Lead Me Gently Home, Father." Then trustfully, with prayer attuned to praise, she passed into the Father's house,

and was at last at home. Often in the old church at Oxford, Ga., her childhood home, these moving hymns were sung by her to the comfort and help of young and old. And so when she went away to the heavenly home she passed by, as it were, the earthly home of her early love, and singing as she went, passed out of sight to join the innumerable company of them whose praises make the music of the Celestial City.

W. A. CANDLER.

Mrs. Annie L. Barr.

Mrs. Annie L. Barr, wife of Rev. T. L. Z. Barr, was born September 8, 1871, and died at Mt. Tabor, Fla., June 24, 1904. Sister Barr was the daughter of Presley and Sarah Smith. She was born and reared in Gadsden county, Fla.; was married December 21, 1893; converted and joined the church under the ministry of Rev. W. C. Norton during the summer of 1894, and from that time to the day of her death she lived a consistent Christian life. Sister Barr was a devoted and affectionate wife and mother. She shared with her husband cheerfully and gladly the hardships and self-denials that are incident to an itinerant preacher's life. She was never heard to utter one word of complaint, but rejoiced that she could endure hardship and self-denial for Him who had done so much for her. Our sister was a beautiful Christian character, and eternity alone will reveal how many souls were helped and blessed by her truly consecrated life.

The funeral service was conducted in Bethel church, near Lake City, Fla., the 25th of last June, in the presence of a large congregation of sympathizing friends, after which the body was tenderly laid to rest in the quiet little cemetery near the church, there to remain until the resurrection day.

We pray that God's richest blessings may rest on our dear brother and his two sweet little children, and that in the sweet bye-and-by^e they may be united up yonder in our Father's gouse.

Report of the Secretary of the Conference Board of Missions.

By the good favor of our God, we have come to the end of another year of labor, and are called upon to report what the preachers and the Church in Florida have been doing to fulfil the Great Commission of our Lord. Never perhaps before has our M. E. Church, South, been so stirred on the subject of missions, nor shown such increased zeal in promoting the cause. The total

receipts in the church for the year ending March 31, 1904, are \$389,056; the payment on the assessment being \$310,934. and the total increase in receipts being \$22,875. The current year will doubtless show a larger increase. The General Secretary report:

"It is with gratitude that we announce advancement in all departments of our work. Gratifying progress has been made in each of the fields occupied by our workers, and the aggregate increase in our membership is the largest ever reported in a single year. Our communicants on the foreign field now number 14,243. We are especially gratified to be able to report that the war between Japan and Russia, terrible and bloody as it has been, has not seriously interrupted our work. In these days of strife and peril God has graciously cared for His own. The shock of war will still further disturb the order and open new and larger channels for the influx of Western thought and Western influences. The Church must be prepared to hold the positions already occupied, and to go boldly forward as God may open the way for her advance."

The interest in our Florida Conference has been growing for several years; but this year larger plans have been formed and greater effort put forth in their execution, resulting in increasing interest and fuller collections. There was an increase in the assessments for both foreign and domestic missions; but both have been met in full, with \$1,100 increase over the collection of 1903. Missionary Institutes have been held in every district, and have proven sources of information and inspiration to the workers.

Tallahassee District—Every charge (18) paid foreign and domestic missions in full, with surplus for the district. Jacksonville District, 20 charges—19 paid both in full, with surplus for district. Gainesville District, 22 charges—17 paid both in full and three others paid one claim in full; surplus for district. Orlando District, 21 charges—16 paid both in full and three others one claim, with surplus for the district. Tampa District, 23 charges—19 paid both in full, two others one claim, with surplus on domestic missions for district. East Coast District, 15 pastoral charges, two of which with only partial service—7 paid both claims, one other one claim in full. Making 97 out of 119 charges paying both claims in full and 7 others full on one claim.

The Conference by a special collection during the session, and by amounts sent to General Treasurer to go on Rev. W. G. Fletcher's support, is enabled to report both foreign and domestic missionary assessment paid in full.

Your Conference Board has had under its care thirty-eight pastoral charges—one district also receiving appropriation. Some of these made fine records, showing steady advancement on most lines. In others, where there has been equally faithful services

rendered, conditions rendered the results less apparent. Others have been in hard, poor and unpromising fields. where the faithful missionary has toiled almost alone save for the presence of the Master, and the consciousness of duty done. To all alike who have been faithful the Master's "well done" will surely come. This has been a year of parsonage building and debt lifting. Daytona, Interlachen, Sarasota, Blanton and Nocatee have built or bought comfortable homes for the pastor. While a beginning in this direction has been made by MacClenny and Crystal River. St. Matthews made splendid improvements on its church property, and St. Petersburg began the enterprise of an excellent and commodious brick church, besides improving its parsonage. Twenty-eight of the missions paid missionary assessments in full. Better than all these outward signs, souls have been led to Christ and in most of our missions the work left in better condition for the next year's worker.

In the growing needs of our Conference, the Board in answer to the urgent requests of our Presiding Elders have made appropriations which called for an advance on the assessment. But what are the few hundred dollars asked of a membership of over twenty thousand to help build up the needy places in our midst and support our brethren who occupy these trying fields? What will they be to the faith and zeal of our loyal pastors who have only to faithfully present this cause to his people to raise the full amount?

Let us turn on the light of more missionary information; give free flow through our own and our people's souls to the Spirit of the Master, and turn loose all our redeemed and consecrated energies on the work of the year before us, and God will see to it that rich results shall crown our efforts.

CHANGE.

The following change was announced after appointments had gone to press:

Alafia—R. M. Evans.

Parish—W. H. F. Roberts.

ERRATTA.

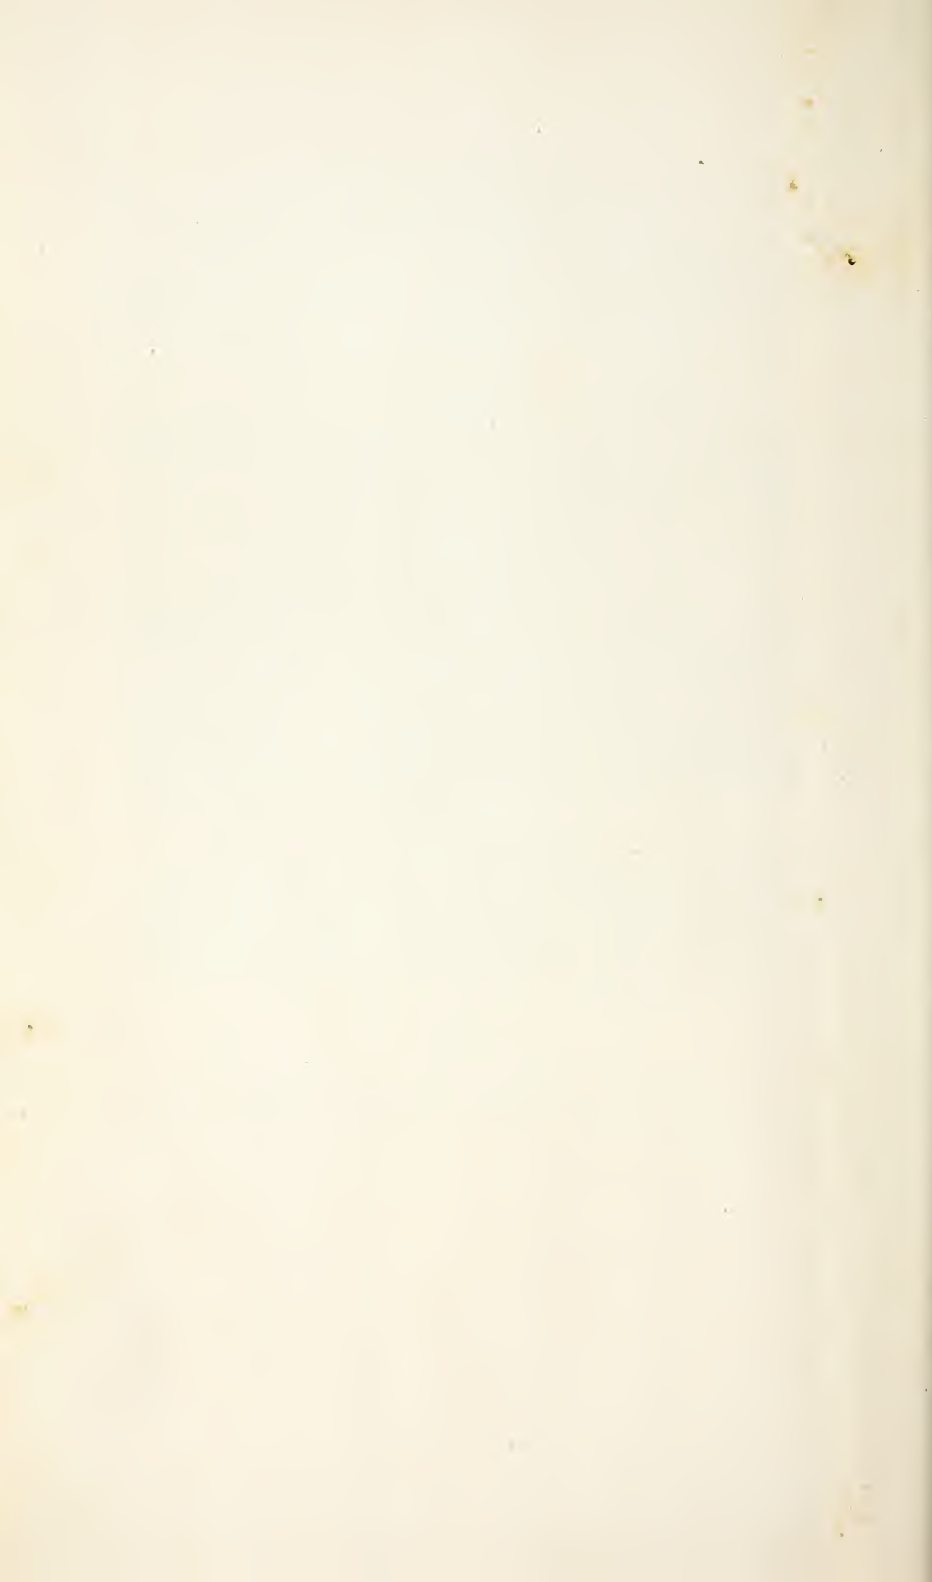

1. R. V. Atkinson should have been credit 3rd instead of 1st year at Orlando.

2. W. H. Funk, Nocatee, should have been credited 4th year instead of 2nd.

3. In last line of Fourth Day's Proceedings, afternoon session, the closing sentence should read, "Conference adjourned out of respect to Bro. Howland, with the benediction by the Bishop."

EXPLANATION.

Some glaring typographical errors in First Day's Proceedings are to be found, due to rush of getting capitals unlocked for first issue of The Advocate. This the publishers deeply regret. It should be "Bishop Candler" and "Frederick Pasco." Other errors of less importance are also noted.

MEMOIRS.

PREACHERS.

Rev. Chas. A. Fulwood.

Rev. Chas. A. Fulwood, D. D., was born in Houston county, Ga., in 1829. He was converted at an early age. He preached his first sermon on February 20, 1846, on his seventeenth birthday. He entered Traveling Connection in his native State. He served as chaplain in the Confederate army during the war between the States and received the "Cross of Hero" from the Daughters of the Confederacy at Miami, Fla., in May last. In 1873 he was transferred from the Georgia to the Florida Conference and was stationed at First Church, Key West. He introduced the work among the Cubans, and had much to do in organizing that work in Cuba at the close of the Spanish-American war, being the first Superintendent of Missions in Cuba.

His first wife was Miss Godfry. His second wife was Miss Mary Stanly. These good women in their order and in God's loving providence were a tower of strength to the Christian hero, who from boyhood to a ripe old age went forth hither and thither for sixty years as appointed by bishops. Never missed a call for sixty years.

During four years Dr. Fulwood served colored missions; during four years he served white missions. For nine years he traveled circuits. For twenty-two years he served stations. He was a presiding elder for twenty-one years; quite sixty years a Methodist itinerant. Truly he was an apostle. As were the twelve, he was sent to preach the glorious gospel of the Son of God, and like ten of the twelve he fell a martyr to his word. He asked no higher reward than to serve here in his office till called from labor to receive his crown yonder. He often said to his brethren that his desire was to cease at once to labor and to live—to preach his last sermon and at once report to his Master.

Dr. Fulwood had been sick for some months. He prayed that he might live to meet his brethren at Conference. The Master saw that rest was needed for the hero, that affliction was needed for the saint; we, his brethren, could not see need for the latter, but Christ sees as we cannot see. He, the Divine Artist, makes no mistake. He will perfect all His saints without spot or wrinkle

or any such thing, and afflictions come to make perfect. Whom the Lord loveth he chasteneth.

During the session of the Conference the names of brethren were called to be referred to the Committee on Conference Relations. When the names of all those who asked for the honorable position of superannuates were called, the Bishop remarked that he would call one other name to be considered, and then he called the name of Chas. A. Fulwood.

Dr. Fulwood came close to the chancel rail, faced the brethren that his feeble voice might be heard by as many as possible. He briefly recited most of the facts related above. From his feeble lips it was a love message to his brethren. When his message was well nigh finished he said: "Do not misunderstand me, I do not ask your sympathy for my sufferings, but rather your congratulations that I am so near home—so near to heaven. Starting to his seat, the hands of his brethren were reached to grasp the hand of the wellnigh glorified saint. Then, as the embrace of an old comrade was tenderly given and returned, and while other hands were reaching for the warm grasp of the soldier of the the cross, his body gently fell into the arms of his brethren and the saint went up to be crowned.

"Servant of God, well done,
Rest from thy loved employ;
The battle's fought, the victory's won,
Enter thy Master's joy."

Rev. Fayette Edward Shipp.

At the age of 43 years, in the prime of life and usefulness, Rev. F. E. Shipp, of the Florida Conference, passed to his reward from the parsonage in Lake City, Fla., March 6, 1905.

He was born in Madison county, Fla., February 20, 1862. His father, Fayette E. Shipp, came from Virginia to Florida in 1859; was married to Miss Jessie E. Witherspoon in 1861; entered the Confederate army in 1862; went to Virginia and died soon after the battle of Sharpsburg at the age of 28. In 1871 the widowed mother married Rev. T. J. Phillips of the Florida Conference, when young Shipp was about 9 years old.

As a boy he was obedient and upright. Those who knew him best testify to the fact that he was one of the best boys they ever knew. Blessed with a Christian home, he responded early to the love of Christ, and at 12 years of age took the vows of the Church and entered the service of the Master. After attending the country schools in his boyhood, he went to Emory College for three years, and then to Vanderbilt University for three years, where he graduated with honors, June 20, 1888. He was licensed

to preach in 1885, and was admitted on trial in the Florida Conference at Bartow, Fla., January 9, 1889. During the sixteen years of his itinerant life he served eight pastoral charges, viz: St. Matthews, in Jacksonville; Fernandina, Bariow, Live Oak, Monticello, Fairmount Avenue, in Richmond, Va., Kissimmee and Lake City. At every place the church was edified under his ministry and many souls were converted to God.

Brother Shipp was happily married in Columbia county, Fla., October 22, 1890, to Miss Kate Mattox, who was ever afterward a true helpmeet to him in his ministry. Their home was blessed with five bright children, and these, with their mother, are left to mourn the loss of the devoted husband and father.

In purity of life and character we have never known Brother Shipp to be surpassed. Wherever you met him he was the same gentle, earnest, cheerful Christian. His preaching was greatly enforced by the character of the Spirit-filled man behind it. In demonstration of the Spirit and of power he preached the Gospel of Christ. His sermons aroused the conscience and fed the soul. As pastor and preacher he was a safe man. His friends were never afraid that he would do anything that might impair his influence or injure the Church. His was not the light of the meteor, that flashes for a moment and is gone, but it was rather the steady light of the star that guides the traveler safely along the way of life.

While Brother Shipp did all the work of a Methodist preacher and did it well, it was probably in pastoral visiting and the personal work connected with it that he was pre-eminently useful. He fulfilled his solemn vow to visit from house to house, and into the homes of all classes he went in the name of Christ to minister to his people. He was a pleasant companion and a true friend. His kind heart and cheerful words made him a welcome visitor everywhere, and the people of his charge loved him as a brother.

It is a mystery to us that our brother should be taken at the very zenith of a useful life, when his family and the Church were so much in need of his services. There is a peculiar sadness about such a death, but it is evidently the will of God that some of His servants should go home in the midst of life. To them the infirmities of old age and the shadows of the evening never come. They are remembered as they left us in the strength of Christian manhood, and their influence abides like the brightness of the sun in his meridian glory. It was apparently a sad calamity to the early Church when the young martyr, Stephen, was taken from them, and yet from that death scene—made glorious by the shining face, the sanctified spirit and the heavenly vision—came Paul, the Apostle, and through him a thousand others, to bless the Church in after years.

Our dear brother has gone to be with Christ, but the example of his godly life and the fruits of his useful labors will abide with us as a priceless heritage.

Rev. James S. Barnett.

Rev. James S. Barnett, the subject of this sketch, was born in Marlborough county, South Carolina, in the year 1829, and came to Florida in 1845. He was married to Miss Amanda E. Tucker in June, 1848, and was converted and joined the Methodist Church in July of the same year. Not long after his conversion he was licensed to exhort. He exercised his gift in this relation for a number of years until, after the close of the war, when he was given a license to preach. He remained in the local ranks for a number of years, traveling as a supply four years before joining the Annual Conference. In January, 1886, he was received on trial by the Florida Annual Conference. Brother James S. Barnett was devoted to his work and beloved by his people in every pastoral charge he served. His preaching was strong and forceful, edifying the believer, reclaiming the backslider and convicting the sinner. Few men have been esteemed and trusted by the people amongst whom they have gone preaching the Gospel as was our departed brother.

Five years ago he was granted a superannuated relation. He died in great peace at the home of his daughter, Mrs. M. C. Tedder, at Fenholloway, Fla., on May 17, 1905. He was prepared to go; his only regret was that of leaving his dear wife who had stood by him during all these years. He leaves a widow, daughters, a number of grandchildren, and a host of relations and friends to mourn his loss. But they, with us, rejoice that he has entered into his eternal rest; that he has received the highest plaudit of heaven: "Well done, thou good and faithful servant . . . enter thou into the joy of thy Lord."

James A. Howland.

The subject of this brief sketch was born in Madison, Fla., about the year 1860. He came, through his father's father, of sturdy New England stock, through an honored ancestry dating back to the "Pilgrim Fathers," as is recorded on an unpretentious slab in the old cemetery near Salem, Mass. His mother was a Southern, if not a Florida woman, reared among primitive conditions, and, while from plain stock, was of stalwart faith and integrity. Among humble conditions, young James, the youngest of several children, was reared, with little beyond rudimentary educational advantages. But he was an apt and ambitious pupil, and made the best possible use of the common schools which were accessible.

He was converted in early life, and soon afterward felt himself to be called to the gospel ministry. With characteristic consecration and fortitude, coupled with a lofty sense of duty, conferring not with flesh and blood, he immediately accepted the call and, in the language of one of old, answered "Lord, here am I; send me."

To his mind, the call to preach carried with it the call to preparation, and with indomitable will and perseverance he set about at once to apply himself, and with such success as to mark him almost as a man of genius in the use of clean, chaste, forceful language for the expression of his more than average strong and logical thoughts.

He was licensed to preach at Madison, Fla., under the pastorate of Rev. A. A. Barnett, and admitted into the Conference the next year at Lake City. In December, 1885, he was first married to Miss Sophie M. Stokes, whose beautiful young life soon faded before his eyes, leaving him desolate and leaving to his care a little motherless babe. Nine years thereafter he was married a second time, to Miss Grace Myrtle Gilmer, at Tampa, Fla. As known to this body, his death occurred of heart failure during almost the closing hour of our Conference at Orlando. His aged mother, wife, two brothers and two little boys, one little more than a baby survived him.

But in the short space of a very few months, broken by the sudden shock of his going, his wife followed him, and after the lapse of a few weeks more his mother, worn and weary, laid down her burdens here, and joined her preacher boy beyond the fall of shadows and the weight of sorrows, in God's paradise above.

Bro. Howland was a kind, devoted husband, son, father, brother and friend. He lived a pure, clean life. He wrought well among us, serving some of our strong representative charges well and acceptably. Among his late works we may enumerate Key West, First Church; Hyde Park, Tampa and Quincy. Bro. Howland was a lovable man. His hands and heart were ever ready for tender, generous and loving ministrations, and now that he is gone, while we miss him sadly, we shall strive to emulate his virtues and join him in the innumerable circle of God's elect, when He shall call us hence.

PREACHERS' WIVES.

Mrs. Ellen L. Taylor.

Mrs. Ellen L. Taylor, (nee Phillips), the subject of this sketch, was born in July, 1844, on the Phillips plantation, in Duval county, Florida. In 1865 she was married to Anthony Brantly, of Madison county, who died soon after the Civil war.

On June 11th, 1895, she was united in marriage to Rev. John R. Taylor, of the Florida Conference. She departed this earthly life in peace, on May 19th, 1905, at Oclawaha Inn, Ocala, Florida, whither her husband had taken her for medical treatment.

On the day of her marriage to Bro. Taylor, who mourns her departure, she was spoken to in regard to the privations and trials incident to an itinerant's life, when she assured the speaker that she desired the opportunity of sacrifice and service made possible by such a life; that she had devoted too much time to worldly things, and desired to spend the remainder of her days in the service of God and preparation for the future life. Failing health rendered it impossible for her to continue long in the active work of the church, but she continued to suffer the will of the Lord, until called to the rest that remains for the people of God.

While in Atlanta for treatment, a few weeks before her death, her husband was arranging to return to his work in Florida, when disturbed by the thought that she should in any way hinder him from his work, she urged him to go to his appointment, adding that "If we meet no more on earth, I hope we will meet in heaven." The funeral services were conducted by Rev. W. M. Poage, in Jacksonville, and her body was laid to rest in the old city cemetery. A beautiful life had closed on that Friday evening, as the sun went down behind the western hills; her released spirit, made pure by the blood of the Lamb, returned to the God who gave it. At last the weary pilgrim rests from her toils here, and her works follow her.

"Asleep in Jesus, blessed sleep!
From which none ever wake to weep."

Mrs. Ettie Haskell Gates.

Sister Gates was born August, 1875 in Chicago, Ill., and died at the home of Dr. Miller, near Palatka, Fla., Sunday morning, September 24, 1905. The family were from New England and descendants of Ethan Allen. When she was a child her parents removed to Nebraska and later to Texas. On December 22, 1899 she was married to Rev. E. J. Gates, of this Conference, and from that day forward she was a cheerful and successful helper in his loved employ. Though young when she entered the career of an itinerant wife, she brought to this larger field of Christian usefulness talents that had not been idle, for at eleven years she was converted and united with the Methodist Church, and from that time forward was active in church work. She was especially successful among the young, often leading them to accept salvation through Christ. She was teacher of the infant class in the Palatka Sunday school at the time of her death, and her last work in that

church was the fitting up of the infant class-room. She was educated in the University of Texas, and such was her genius in mathematics that she was offered a position in that department of the university.

That which especially marked her career of helpfulness in the church was her proficiency in music. A voice full of melody was hers, and she sang and played to the glory of God.

He who knew her best testifies that "she was a good woman—highly endowed and did what she could."

Mrs. Florida Walker Austin.

Mrs. Florida Walker Austin, wife of Rev. George F. Austin, was born in Crawfordville, Fla., December 3, 1878, and died at the parsonage home in Dunnellon, Fla., March 25, 1905, in the twenty-seventh year of her age. She was the daughter of Hon. W. W. Walker, of Crawfordville, and niece of Dr. John L. Crawford, late Secretary of the State of Florida. She was educated in the public schools of Crawfordville and Gainesville, and in the West Florida Seminary at Tallahassee. Her childhood surroundings were such as naturally contribute to the production of refinement, culture and Christian nobility. To these influences she yielded from her childhood, early becoming a member of the Methodist Church and living an active Christian life to the end.

On April 24, 1902, she united her fortunes with Rev. George F. Austin, and so brought to the church by her marriage to an itinerant minister her rich endowment of mind and heart, and entered afresh upon a career of zealous service that undoubtedly re-enforced the efficiency of her devoted husband. Such was the strength of her character, her fitness by nature and acquirements, that she easily became leader in the various church enterprises of the ladies of the congregations served by her husband. Her gentle bearing, her sympathetic words, her lovely songs made such impress as will long abide with those to whom she ministered, not alone as a blessed memory, but as a positive force in their lives prompting to a noble emulative of virtues so rare, so beautiful.

A friend who knew her from childhood, after speaking of her life work and referring to her illness, which was of short duration, said: "But she was ready. She was always ready. We knew her well and intimately all her life, and can testify to her preparedness. Such a life, though seemingly cut short, could not have been in vain. That she is safe at home with God and with dear ones who had preceded her, we have no shadow of doubt."

Mrs. Grace Myrtle Howland.

Mrs. Grace Myrtle Howland was born in Indianolo, Iowa, February 18, 1871, and passed to her heavenly reward from the home of her parents, Dr. and Mrs. Gilmer, in Tampa, Fla., July 21, 1905. She was religious from childhood, never knowing the day of her conversion, and joined the church while yet the dew of youth was on her cheek and the promise of a long life filled her heart. Sister Howland had a finished education, both literary and musical. She was fitted to adorn any station in life, and to meet its varied duties and obligations. She was an honor graduate from the East Florida Seminary, Gainesville, Fla., and the Chicago Conservatory of Music. She was a very successful teacher of music before her marriage to Rev. James A. Howland, May 19, 1893, and many of her pupils, some very prominent in musical circles, show the impress of her strong, yet gentle Christian character. When she became the wife of a Methodist minister, she consecrated all of her talents and culture and all the love of her heart to the Christ whom she loved, for the duties and obligations of her new office. For seven years she was the efficient helpmeet of her husband, and from all the places where she had visited came to her aged father and mother expressions of sincere sorrow and loving appreciation. Her life was beautiful, adorned with all the virtues and graces of Christian womanhood. From our standpoint, her life was altogether too brief, and her death untimely. From the awful shock consequent upon the announcement of the sudden death of her husband, she never recovered. Her health rapidly failed; that dread disease, pulmonary tuberculosis, did its work quickly. But, as "the outward man perished the inward man was renewed day by day." She talked calmly of dying, was perfectly resigned; having only one regret, and that was of having to leave her little son, Allen Gilmer. In this she had complete victory, and at the final moment breathed her pure sweet life into hands of her Savior. As the swan sings its sweetest song when dying, so the last hour was the serenest and most hallowed. At even' time there was light. We feel sure that her gifts and graces are being used in the upper world—that she has gone to

"Join the choir invisible

Of those immortal dead who live again

In minds made better by their presence."

Mrs. H. B. Frazee.

Stella Alliene Rowe, daughter of J. H. and M. J. Rowe, was born near Madison, Fla., October 18, 1871, and died at the home of her parents August 20, 1905.

January 25, 1899, she united in marriage with Rev. H. B. Frazee, of the Florida Conference, and entered upon the duties of

her new relation with such fidelity and high Christian courage as to win the respect and esteem of a constantly enlarging circle of acquaintances.

She was converted early in life and was a member of the Baptist denomination until after her marriage, when she cheerfully and lovingly cast in her lot with the people among whom her husband labored as a pastor.

Her home was blessed with one daughter, upon whom she bestowed the wealth of affection and care of a wise Christian mother, and who was deprived of that care at the age of five and a half years.

Her views on religion were not shadowy and vague, but were broad and liberal. Her disposition was bright and joyous with the joy of conscious acceptance with the Most High.

In all the relations she sustained in life it might be said of her that she came not to be ministered unto, but to minister. But she is gone from us before her sun had reached the zenith of its strength. An obedient daughter, a devoted wife, a judicious mother, a Christian friend has passed away before her career had attained its climax.

We cannot understand all of our heavenly Father's meaning in these sad dispensations of His providence, but we hear a voice from heaven saying unto us: "Blessed are the dead which die in the Lord from henceforth. Yea, saith the Spirit, that they may rest from their labors and their works do follow them."

REPORTS.

SECRETARY OF CONFERENCE BOARD OF MISSIONS.

The Florida Conference Board of Missions had under its charge during the year 1905 forty-one pastoral charges to which appropriations were made, giving aid also to one district. The works may be classified as follows: 1. Poor and destitute fields largely dependent on our ministry for the Gospel; 2. Circuits needing temporary aid in supporting their pastors; and 3. Important locations in growing sections where there is good prospect of building up self-sustaining churches. Seven of these included county sites and four charges in our three largest cities. Many of these pastors have served under great difficulties and labored with self-denying zeal in spite of scant salaries, sickness and discouragement. In some charges we have barely held our own so far as members and figures tell; but God knows of the work done and he can sum up the final results. Some have been blessed with gracious revivals and good ingathering of members, appreciable increase in financial results and advance in material improvement. Some churches have been built or improved, parsonages completed and debts on churches or parsonages diminished. Received on profession of faith, 360, by certificate, 393, giving a net gain, after deducting losses, of 422. Out of forty-one charges aided, thirty-two raised in full the assessments for Conference claimants, Foreign and Domestic Missions, and eighteen of these all other collections.

The City Missions in Jacksonville and Tampa have accomplished great good; and the result has justified the faith and liberality of the local churches by whom they have largely been sustained. Plans are on foot for a larger development for next year.

Our Cuban work in Ybor City and West Tampa and in Key West, under charge of Rev. Joseph Norwood and M. Dominguez, have prospered. Brother Norwood seems eminently fitted for his important charge, and his plans for the enlargement and development of the work should have the hearty endorsement and financial aid of the Church.

A large and promising field for missionary enterprise has opened in the Italian colony in Tampa, and Rev. Everista Ghidoni, from Rome, Italy, secured for the work. He has begun with great encouragement. This opportunity to give the Gospel to the

benighted foreigner in our midst appeals forcibly to our Church. These missionaries are supported by the General Board, but money is needed to furnish a suitable plant and facilities for inaugurating profitably the work enterprised. The Epworth Leagues of Florida have pledged \$1000 to provide a suitable building for the Italian mission, and at the Church Extension anniversary held last night \$1100 more was pledged.

The growth of the missionary spirit in our Conference is most gratifying, and shows not only the awakening of conscience on this subject, but the value of the circulation of missionary literature, and more systematic and determined effort to raise the collections. Tallahassee, Jacksonville, Orlando and Tampa Districts have raised in full their assessments for both Foreign and Domestic Missions; Gainesville District for Foreign, and has but a small deficit on Domestic; and East Coast District falls not far short of both. Of 127 charges, 106 have paid Foreign Mission assessment and 105 Domestic Mission, in full, with surplus in many cases.

The sum of \$4922 has been reported for Foreign Missions and \$5431 for Domestic. (Note—At anniversary a collection raised the Foreign Missions to \$4982.70, being \$32.70 above assessment, and Domestic Missions to \$5532.94, being \$32.94 above assessment, thus giving the Conference a surplus on missions.) We hear good reports from the work of the W. F. M. Society, and the W. H. M. Society, the first having raised \$——— and the latter \$6171.05, including local work.

There should be among us a more thorough study of missionary literature, and more general and methodical distribution of it among our people. Our excellent monthly, *Go Forward*, should be taken by every family, and the large and varied assortment of tracts and booklets on the subject of missions, obtainable from our mission rooms in Nashville, should be extensively used. Waiting on our knees to hear our great Captain's order "to advance, standing in one place to do His bidding, and steadily going forward to do our part in the work of the world's salvation we will best fulfill our mission, advance His cause and kingdom and be entitled to hear His gracious "Well done!"

CHURCH EXTENSION.

Last year we reported that \$92,192.82 had been collected during the fiscal year that closed on March 31, 1904, being the highest figure attained since the organization of the board. But we come to you with a much better report this year, for which we are grateful to our heavenly Father. During the fiscal year which closed March 31, 1905, the collection on the assessment for church extension reached the sum of \$100,138.26, which is an increase of \$7,945.44 over last year. In our own Conference we have an increase of \$131.43. While this increase is not as large as it was last year, we "Thank God and take courage," as we are moving along toward the assessment in full, which we hope to reach this year. Let the pastors and presiding elders show the people the importance of this great work, and we are sure that they will re-

spond to its needs. The assessment on our Conference is the same as last year, and is distributed as follows:—

BOARD OF EDUCATION.

The report of Dr. Hammond, General Secretary of Education, shows a most encouraging condition of our educational work. Thirty-two church buildings have been erected the past year, at a cost of \$434,458. There has been an increase of more than a million dollars in the value of all grounds and buildings. Our 185 institutions of learning, including missionary and affiliated schools, have an endowment of \$3,400,462. The value of legacies and gifts for the past year amount to \$291, 373. Of the 29,078 students in these institutions, 276 are looking to the ministry.

The report of the Secretary commends the colored work and gives hearty endorsement to President Bray in his canvass for the main building at Lane College.

Wesleyan College.

This old and established institution continues to increase its power for good by the erection of the Savannah Wesley Memorial Building, at a cost of \$29,000. This building has afforded great relief to the literary, art and music department. The enrollment up to date has reached the gratifying number of 404. The relig-

ious environment of the young ladies in this school is of the best sort. The literary work is of a high order, and the musical department affords the very best opportunity for our Southern girls to secure a first class musical education. We most earnestly recommend the college to all of our people who send their daughters out of the State for an education.

Emory College.

Of this great college, we can say nothing better than to give a paragraph from the report of its distinguished president:

"The increasing popularity of Emory College is a well-merited expression of appreciation by the public of the advantages offered by that institution to the youth of our country. For years the literary and classical departments of Emory have stood among the foremost of our Southern colleges. It will be a source of gratification to the friends of higher education to learn that within the last three years more than forty thousand dollars have been expended on our departments of science, and that they have been advanced to an equal position with those of the best of our schools. The department of history and economics, established in 1896, has steadily increased in efficiency, and is now one of the most attractive and beneficial in our course of study."

We hope our people will carefully consider the claim of this college when they contemplate sending their sons outside of Florida for an education. Its history and work are the best guarantees that can be given to parents.

Florida Seminary.

Of our own Conference school, the pride and joy of all our hearts, we can do no more than endorse all that has been said by its popular and efficient president, and also by its competent board of trustees, in their annual report made to this Conference. The phenomenal success of this institution is a clear proof that it is a product of the providence of God. It is doing a great work for our State. The young men and women brought to Christ through its instrumentality, and cultured and educated in its halls, will help to shape the character of the future homes of the Commonwealth. We most earnestly commend its work to the people, and urge them to continue their loyal support, through their gifts and their patronage.

Ruth Hargrove Seminary.

This institution is not the property of our Conference; nor is it under our control, but it is within our bounds—hence for the information of the Conference and church of Florida, we call the following facts: There were enrolled last year 306 pupils.

At present there is an average attendance of 230 pupils. This school is doing great work in Key West, and with more adequate facilities will be a mighty factor in upholding Methodism and Protestant Christianity.

Recommendations.

We recommend the appointment of Rev. John A. Morrow to Emory and Henry Colleges as a student.

We also recommend that a course of lectures be given at the next session of the Conference, under the auspices of the Correspondence School, said lectures to be given in the afternoon of the days the Conference is in session.

We also recommend the appointment of Rev. S. W. Walker to the presidency of the Florida Seminary.

W. J. CARPENTER, President,
For the Board.

FLORIDA SEMINARY.

The Trustees of the Florida Seminary take pleasure in reporting to the Conference that the progress of the school since the last annual report has been nothing short of marvelous. The beauty and healthfulness of the location, together with the good reputation that the Seminary has established for thorough work and wholesome moral influence, has been productive of results in an increased attendance for the current year, and greater confidence by the public in the future success and permanence of the institution.

The Buildings.

The two original buildings of the institution have been improved during the year. The brick Seminary building, began last year, has been practically completed, and was used at the last commencement for the commencement exercises. This building has cost approximately \$17,000; there still remains due on it \$7,100, but a payment of \$600 will be made on this at the next quarterly renewal of the note given to secure the loan.

A laundry has also been erected at the college, which meets an important requirement of the school. The laundry is not entirely the property of the school, but is owned jointly by the Seminary and its friends, who advanced money through a desire to see the laundry a success, which otherwise it could not have been.

Current Year.

The outlook for the present year is, that it shall be, by far, the most successful that the school has ever had. Up to the present time there have been 291 students enrolled, a large percentage of the old students returning. At the opening, in September, 1904,

there were 205 pupils, and at the opening of the present term there were 230 pupils. The faculty of sixteen teachers, under the leadership of their president, Rev. S. W. Walker, A. M., are doing a high class of work in all the various departments. At a meeting of the Board of Trustees in May a uniform for both boys and girls was prescribed, but the adoption of it was not made compulsory. It is considered that the adoption of the uniform will be economical, and have the tendency to put all the students on an equal footing in the matter of dress.

Curriculum.

The curriculum of the school has been advanced to that of the regular college, as the demands of the institution required it. At present the institution is conferring the degrees of B. S. and A. B. in its academic work.

Board.

The boarding department is conducted in the spacious dining room in the girls' dormitory; the cost of board being fifty dollars (\$50), in advance, for the term of seventeen weeks. The management of the school has a care to the wholesomeness and abundance of the food supplies, and the variety and quantity of food cannot be surpassed in any institution at the same cost.

Societies.

The young ladies of the school have shown a commendable and progressive spirit in the work of their societies. They have a splendid room in the girls' dormitory and have it tastily furnished. The society is a strong factor for the promotion of a social spirit among the young ladies. The boys also have their literary societies.

Equipment.

The equipment of all the departments has been improved since last year, but the apparatus of the institution is still deficient. Better equipment for the study of the sciences is needed, and the school stands specially in need of a large library.

Religious Influences.

Great consideration is paid by the faculty to the religious character and development of the institution. The influence of the pastor, Rev. R. Ira Barnett, over the boys and young men of the school is excellent. During the year a gracious revival was held in the school, and nearly every boy and girl who was unconverted before experienced a religious awakening.

Finances.

As stated before, the debt incurred for the erection of the brick building has been reduced to \$7100, and will be reduced to

\$6500. One thousand dollars has been borrowed from Bro. J. P. Howland to pay the sundry bills incurred in the improvement of the buildings and the completion of the new buildings. There has been received during the year from land funds by Rev. I. S. Patterson, land agent of the school, the sum of \$1915.63, and there is now on hand in said fund \$581.25. There has been received and paid into the treasury from other sources \$4575.40, making a total of \$6491.03 paid into the treasury from December 1, 1904, to December 1, 1905. This does not include the revenues arising from the tuition and the operation of the dormitory, and \$1000 of it was the amount borrowed from J. P. Howland.

Reports.

The reports of the Treasurer, Financial Agent, Land Agent, President of the College and Board of Trustees have each been filed with the Board of Trustees, audited and approved, and are open for the inspection of any who have reason to investigate them.

Credit Due.

The fact of the great success of the Seminary under the management of its President, Rev. S. W. Walker, caused the Board of Trustees at a meeting in May, when the election of teachers occurred, to recommend the present President for the position for a period of five years. It was felt that this expression of confidence and appreciation was due to the President, and while we recognize him as a minister of the Conference subject to the appointing power of the Bishop, we felt only good could result to the institution from the step taken.

Conclusion.

We commend the institution and its faculty to the Methodism of Florida and elsewhere, as well as to those parents who have a boy or girl to educate and desire that the boy or girl shall be educated in both head and heart. The term education embraces body, mind and soul, and nowhere do we believe the combination to receive more careful consideration than at the Florida Seminary.

J. P. HILBURN,

Chairman Board of Trustees.

B. F. MASON, Secretary.

BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals, beg leave to report that we note with pleasure an increase in the business of our publishing house at Nashville to the amount of \$28,362.02.

The circulation of the Epworth Era has increased largely, while that of the Nashville Advocate and Review remains practically the same.

Finding that Bro. Durrance, our Colporteur, is not physically able to do the work, we recommend that he be continued in office until he can close up his business, at which time he may resign and his place supplied for the remainder of the year.

We commend the work of Bro. J. B. Ley, editor of the Florida Christian Advocate, for the past year, and tender him our thanks for his fidelity. In spite of many obstacles the circulation of The Advocate has received a small increase.

We recognize the fact that it will be impossible for any editor, unless he has the support of the preachers and people, to make the Conference organ a success. We, therefore, bespeak for Bro. Pasco, the incoming editor, the hearty co-operation of all. We especially urge the pastors to send brief reports of their work to our Advocate, and that these be given prompt publication.

We have no report from the publishers of the Florida Advocate. We desire to mention, however, that we appreciate the fact that though their plant was recently destroyed by fire they have not lost a single issue of our paper.

We recommend to the Conference to make the Committee on Books and Periodicals a standing committee of four years' duration, beginning at next Conference.

J. B. MITCHELL, President.

TEMPERANCE.

We, your committee, rejoice to see a steady growth of conviction, sentiment and spirit in the temperance cause, our church being among the first to sound the note of warning and reproof against this mighty evil. The attitude of our church and of our Bishops being always against the evil of intemperance, we feel it is not necessary to go further than to heartily endorse them and to state that the Church is more for temperance than ever before—three counties having been voted dry this year.

We are opposed to a dispensary system or any measure compromising with the saloon.

We heartily endorse the Anti-Saloon League and recommend that Presiding Elders, in their several districts, appoint two delegates from each district, one lay and one clerical, to attend the Anti-Saloon League convention to be held in Florida this coming Conference year.

We gladly assure the W. C. T. U. of our hearty endorsement and co-operation in their temperance work.

Resolved, First—That we urge upon our representatives in the Congress of the United States to support the Dolliver-Hepburn bill and the Sharpe-Williams bill, which provides necessary protection for states and counties which have lawfully eliminated the saloons. That a copy of this resolution be sent to each of these distinguished men in Congress.

Resolved, Second—That each pastor, at a proper time, be requested to preach a special and distinctive temperance sermon to each of his congregations.

§SABBATH OBSERVANCE.

Remember the Sabbath day is God's unchanged law. The tenth commandment comes to us with the same force and power with which it came to Moses. No nation has long been able to disregard this law without paying a fearful penalty in the loss of character and manhood. God gave this law not for man's oppression, but for his greatest good. The Sabbath has its foundations deep in the constitutional nature of man. He who created man made him thus. So then he who would be strong in body must have a time for rest, and he who would be spiritual must have a time to think of God.

We conceive the Lord's day and the Lord's church to be so bound together that without the Sabbath there could be no church. For this reason we, as ministers of Christ's church, should resist any infringement, of whatever character, upon this sacred day. We deem it our duty to commend and co-operate with all organizations which have for their object the preservation of the Christian Sabbath.

We are conscious of the great fact that only through the ministry can the masses be reached. Therefore we deem the time opportune to urge upon our ministers to declare in no uncertain terms the sacredness of the Sabbath day. We view with alarm the extent to which works of necessity, so-called, and amusements and dissipations under the name of recreation have been carried. These constitute one of the chief enemies of our Zion and the shame of our nation.

Resolved, therefore, That we commend the law passed by our State Legislature, which aims at the suppression of all games and sports on Sunday; said law being found in the Acts of Legislature of 1905, Chapter 5436 (65).

Resolved, further, That we beg of that honorable body, the Florida Legislature, to take such action in the future as will protect from pollution our day of rest and worship.

We note with regret the army of working men who, in factory, shop and on railroads, are deprived of the blessing of the Sabbath day. Vast numbers of them do not toil from choice, but from necessity.

Resolved, therefore, First.—That we express to them our Christian sympathy; (2) that we pledge ourselves and request our people to do all in our power, by reasonable sacrifice, to make these burdens lighter by abstaining from the use of Sunday mails, Sunday newspapers, Sunday trains and Sunday business of what-

ever character, except in cases of extreme necessity; (3) that we promise to help them in every way we can to secure to themselves and their families that priceless privilege, the Christian Sabbath.

We would recommend to all our people the sacred privilege and duty of home, rest and worship on the Sabbath day. No amount of church going can ever take the place of family communion with God. Let every Christian mother and father on this day shut out the world and shut in Christ, and thus secluded spend some time with the Father, even the God of the Sabbath day.

May we all so keep this day that when we beseech a throne of grace we may be able to add to our petition that ancient and honorable prayer, "Lord, we have kept thy Sabbath from pollution."

MEMORIALS TO GENERAL CONFERENCE.

The following memorials to the General Conference, presented by the committee on memorials, were adopted by the Conference:

Whereas, under our economy, unordained pastors are not allowed to administer the sacraments of the church, so often needed in every pastoral charge, nor celebrate the rite of matrimony; and,

Whereas, many of our pastors are unordained men, and thus our people are often deprived of these important privileges;

Resolved, That the Florida Conference amend Chapter 3, Section 4, Paragraph 120, (Page 58), by adding the following to that paragraph:—"in the absence of the elder to administer baptism and to celebrate the rite of matrimony, provided, that if such preacher in charge is an unordained man, this authority shall only last while he is in charge of a circuit, station or mission."

THE ANNIVERSARIES.

The Church Extension and Missionary Anniversaries, held on Friday and Saturday nights of the Conference session, were occasions of great interest.

At the former, Dr. Tomkies, President of the Board, presided.

While the report of the Secretary showed an increase in the amount collected over last year, yet this great cause has not received the attention that it deserves, and it should come to the front with our efforts for missions. Presiding Elder of the Tampa District, Bro. Patterson, made what he modestly called a talk, in which he showed the great possibilities of the Station Mission work in Tampa, and made an earnest appeal for help.

Mrs. Griffith, Corresponding Secretary of the Woman's Home Mission Society, gave a brief account of their work.

The address of the evening was given by Dr. Dickey, President of Emory College. Our space forbids even brief extracts therefrom. At the close he called for contributions for the Italian work, and a ready response was given, amounting in cash and subscriptions to \$1100.

A touching scene then occurred, when Rev. E. Ghidoni, the Italian Missionary, in his own tongue, thanked the congregation for their contributions to his work.

Rev. J. Norwood, the Missionary to the Cubans, interpreted for him.

Brother Ghidoni then sang one of our songs in Italian, the congregation joining with him in the chorus.

This Italian work was begun less than a year ago. We now have a Sunday school of 130 pupils and a day school of 100, with a steady increase, under the charge of Miss Brown, a consecrated teacher. There are 6,000 Italians in Tampa, and the great need is large school houses and a home for the family of Brother Ghidoni, who are now on their way from Italy to join him.

At the Missionary Anniversary, on Saturday night, Brother Dutill, President of the Board of Missions, presided. The Secretary read his report, showing that the Conference lacked about \$87 of paying the missionary assessments in full.

Dr. Lambuth, Senior Missionary Secretary, then addressed the Conference.

Born in China, the son of a missionary, and engaged all his life in this work, Dr. Lambuth, comes before an audience with his

head full of facts and his heart overflowing with love for those deprived of gospel privileges, whether at home or abroad. One never wearies of listening to him, his ready utterance and magnetic voice holding the most indifferent hearer. At the close of his address a collection was taken to cover the deficiency in our missionary collections, and more than the amount was raised in a few minutes.

We had more singing from Brother Ghidoni, a hymn in Spanish from our Cuban Missionaries, Brothers Norwood and Dominguez; the doxology was then sung in three languages and the benediction pronounced.

RESOLUTIONS.

Preamble and resolutions in the interest of our educational work at Sutherland, Fla.:

Whereas, In the providence of God, we have been able to re-establish the educational work of the Florida Conference, M. E. Church, South, at Sutherland, Fla., under the corporate name of the Florida Seminary; and

Whereas, The said Seminary has won its way to the hearts of our people, gaining for itself a patronage that has gone far beyond our most sanguine expectations, filling the dormitories to their utmost capacity, forcing the president, Rev. S. W. Walker, to put many of the boys in private homes, while many others had to be turned away for lack of accommodation; and

Whereas, We are face t oface with the great responsibility of meeting the pressing demands which are upon us; therefore be it resolved:

1. That the Conference appoint a day, to be observed as educational day, to raise funds to build a larger dormitory to meet the present and future requirements of the school and further increase its patronage.

2. That said educational day shall be observed by each and every pastor in the Florida Conference, beginning not earlier than the 31st of May nor ending later than the 30th of September of each year, until these resolutions are annulled by the Conference.

3. That in order to meet the end desired each Presiding Elder in the Conference is hereby requested to see that all the pastors in their districts observe educational day between the dates heretofore mentioned.

4. Pastors shall co-operate with their Presiding Elders and the president of the Florida Seminary in observing said educational day.

5. All moneys raised for the Florida Seminary shall be paid to the Treasurer of the Board of Trustees.

Whereas, high officials of the Mormon Church have admitted in their testimony before a committee of the United States Senate that for years the law of the State of Utah prohibiting polygamy has been constantly violated by their fellow Mormons and themselves; and

Whereas, The solemn pledges given the President of the United States by the head of the Mormon Church and other high officials of the same, to the effect that they would cease polygamous marriages and practices, has, according to their own testimony, been violated; and

Whereas, Reed Smoot, an apostle of the Mormon Church and United States Senator-elect from the State of Utah, is subservient to the hierarchy of this Church, and has connived at the unlawful practices of the same; therefore

Resolved, First—That we do hereby memorialize the Senate of the United States in the name of all our American homes and the sacred marital ties of the same, to declare vacant the seat of Reed Smoot, Senator from the State of Utah.

Resolved, Second—That we memorialize the Congress of the United States to submit to the several States of the Union an amendment to the Constitution of the United States prohibiting polygamous practices in any territory of the Union.

The Board of Missions, with great interest, has listened to a clear statement of the plans and hopes of Brother Norwood for enlarging and deepening the work among the Spanish-speaking element of Tampa and vicinity, by means of institutional work, now consisting of a night school and reading and entertainment rooms, and, as soon as the means can be raised, to embrace a gymnasium, bathing tank, etc., and later on an Industrial Home for children and youth.

It heartily endorses the movement and recommends that the Conference pass the following:

Resolved, That we, the members of the Florida Annual Conference of the M. E. Church, South, hail with pleasure what seems (or promises) to be a new era in the history of our Cuban work in Tampa and vicinity, and hereby approve of the plans marked out by the Rev. Joseph Norwood, and extend to him a cordial invitation to visit our respective charges in the interests of that very important movement, and tender him our pulpits that he may lay the enterprise before our respective congregations.

AMERICAN BIBLE SOCIETY.

The work of the American Bible Society cannot be duplicated on this continent, in translating the Word of God into more than three hundred languages and dialects, a valuable aid to our work in the foreign fields and in providing the Bible for the poor in our own land. We note that its importance is being felt and the Churches are coming to its aid by bequests and contributions. Our own Conference, however, was below former years with amount contributed. EPWORTH LEAGUE.

To the Bishop and Members of the Florida Annual Conference:

Dear Fathers and Brethren:—We, your committee, submit this, our annual report for you consideration. This has been a prosperous year in our League work. The work of the League, while not what it must and will be made, is in a growing condition. We plead for the same recognition for the League as is accorded the Sunday School. They are twin sisters in the Church family. The real work, of course, devolves upon the pastor and president of the League, but they can do nothing without the active coopera-

tion of the church membership. The sentiment of the body at large must be favorable to the League for it to do its best work.

The Epworth Era, the Reading Course and the Culture Courses prescribed by the General Board, for our League work are indispensable to our best usefulness. The fourth department, or Department of Missions, has met with general favor among our people.

Respectfully submitted,

J. E. MICKLER, President.

To the Official Members of the Methodist Episcopal Church, South, Thomasville District:

DEAR BRETHREN:—I hand you herewith report for Third Quarter, ending September 15th, 1905.

Revivals and General State of the Church.—Revivals of great power have been held in the District, resulting in the conversion and consecration of many souls. Only general results can be indicated in Table No. II.

The Tent campaign during the summer was very successful. Besides strengthening the work where we are already established, five new churches of promise have been organized.

The Sunday Schools are doing very well, considering equipments. Notable progress has been made in the Epworth League.

In missionary faith and obedience the church is making progress. The subscription lists of the Wesleyan Christian Advocate and Go Forward are enlarging. The Womans Societies are doing splendid work. In fact the church in the District as a whole is advancing in every line of christian effort. Let us give God thanks and press forward, for there is yet need of larger and more rapid advancement.

Matters Financial.—Please study the Table below.

TABLE NO. 1.—PASTORAL SUPPORT.

Each Church is due at each Quarterly Conference 25 per cent. of the amounts assessed for ministerial support. At the end of Third Quarter 75 per cent. is, therefore, due.

The churches of the Merrillville Mission were not assessed, but have paid as follows: Merrillville, \$11.05; Sunset, \$17.95; Greenfield, \$21.70; Sale City, \$3.00; Coolidge, \$1.50

x Please note that this column shows total amount paid during 1st, 2nd and 3rd quarters. It shows, therefore, standing of your church Sept. 15th, '05.

xx This column shows amount necessary to settle in full salary account for the conference year. It is, therefore, to be raised during this quarter. Stewards will please do their utmost to pay this amount at the 4th quarterly conference.

Table No. 1 will interest you more than usual because it shows the church in the best business condition since the organization of the District, and is an exhibition of how rapidly and successfully a faithful, busines-like board of stewards can develop the business side of the church. For this splendid progress I wish to thank the stewards who have been faithful.

Conference Near: The Annual Conference is but two months and a half off. There remains much to be done. **For two years the District has met every financial obligation. Surely you will not consent to do less this year.** Every church in the District can pay every dollar of assessment if the stewards will be diligent. Dear Brethren, please do your best. I am counting on you to succeed. The Annual Conference convenes Nov. 30th, a little earlier than usual; this will necessitate prompt attention to this business if the obligation is fully met.

With earnest prayer for God's blessing upon you and our beloved Zion,
I am
Yours cordially,
ED. F. COOK.

In view of the increasing needs of our home territory the Conference Board of Missions suggests that individual charges assume the support of special fields under our care, by raising in addition to their assessment, an amount equal to the appropriation to any mission, such charge selecting the

field to which its special aid be directed, through the Executive Committee.

That all money so raised be forwarded through the regular channels and credited to such charges raising it.

The large attendance each afternoon shows that these lectures are of interest to others than those to whom they are specially addressed. Dr. Tillett is a quiet, but impressive speaker; his long experience as a minister and his connection with Vanderbilt University, make him thoroughly familiar with his subjects.

The Conference Board of Education, through whose efforts his services were secured, deserve the thanks of the Conference and all who had the privilege of hearing these lectures.

CHURCH EXTENSION ANNIVERSARY.

Saturday evening at 7:30 o'clock the Anniversary of the Church Extension Society was celebrated. Dr. Thos. W. Tomkies, president, in the chair. When the choir had rendered a voluntary the chairman read Isaiah 62nd and hymn 208, "I love Thy Kingdom Lord," was sung. Brother D. A. Cole led in prayer. The choir sang, "Nearer My God to Thee."

The report of the Annual Conference Board of Church Extension was read by brother A. M. Mann. The report showed increased interest in this department of work. But the demands upon the Board have likewise increased, only forty per cent. of which has the Board been able to meet for lack of funds. The encouraging statement was made however, that the assessment for this purpose was met in full the past year, not including \$985.44 special for the Italian work in Tampa.

Dr. W. F. McMurry was introduced, and after the congregation had sung one verse of "All Hail the power of Jesus name," addressed the audience on the great work of Church Extension, of which he is the appointed leader of the Southern Methodist Church.

He congratulated the Conference on placing herself among those Conferences paying in full, the assessment for this cause. He pointed out that of the amount collected by this Conference since the organization of this department of work, the whole amount and \$50,000.00 more had come back to Florida in loans and donations. He was persuaded therefore that the Florida Conference believes in Church Extension. His address

was replete with illustrations proving the great necessity of building the right kind of buildings, and in the right place, if we would succeed in the work of the church in its various departments.

15,735 is the total number of houses of worship in our connection. 536 were built during the past year. There are however, 18,505 societies, having 2770 societies unhoused. 409 new societies were organized during the year. Of the above number of churches, 6356 were aided by the Church Extension Society. Rounding up, he made a strong appeal for prayer if not for funds, to assist in taking the "Big Pastures" for Oklahoma. Benediction was pronounced by Dr. G. B. Winton.

SUNDAY SERVICES.

The day dawned bright and fair, adding another to the glorious days of sunshine that we have had all through the session.

At 9:30 a. m., the Conference Love Feast was held, Rev. R. H. Barnett conducting the exercises. For an hour and a half testimonies of religious experience were given by scores and at the close of the service, almost the entire congregation rose to their feet as witnesses for Christ.

The Church was filled to overflowing at the 11 o'clock hour to listen to the sermon of Bishop Morrison, who preached from the text, Psalm 126:6. His subject: "Some of the Essentials for a revival." Plain, practical, forcible, are words appropriate to use in writing of this earnest discourse, addressed to young preachers especially, but adapted to all his hearers.

At the close, the following were ordained deacons by the Bishop: Ludwig Oser, J. Lawton Moon, Daniel B. Sweat, James M. Glazier.

In the afternoon a memorial service was held, Rev. A. E. Housholder, presiding. Memoirs were read of the following brethren: Wilbur F. Norton, Thomas M. White, Wm. H. Parker. A resolution touching the death of the late Bishop J. J. Tigert, was read and Bishop Morrison made appropriate remarks.

MEMOIRS

REV. W. H. PARKER.

Brother Parker was born May 2, 1842, in Lee county,

Georgia. Entered the Confederate service in Company H, 13th Georgia Regiment July 3, 1861, and served until the close of the war. Married Mattie L. Kendrick October 18, 1866, was licensed to preach August 22, 1877. Admitted on trial in South Georgia Conference, and transferred to the Florida in December, 1878. Ordained Deacon by Bishop Kavanaugh in January, 1883. His wife died August 13, 1885. Married Mary H. Jones, December 30, 1886, the mother of his only child, Frank Parker, second wife, died March 27, 1892. Married Mary E. Stuber November 14, 1894. Wife and son now living in Largo, Florida. Brother Parker was a man of strong faith and deep piety, devoted to God and the Church; he was a faithful pastor and a good preacher. In our Conference he did hard work, serving difficult charges. Wonderful in prayer, always pleasant and cheerful. He was successful in leading many souls to Christ; successful in building churches and parsonages; active in serving the church to the end of life. As he came near the end, he suffered much, occasionally expressing himself: "It will be good to lie down and rest." On February 7, 1906, he was called from labor to rest. Surely the Lord has said: "Well done thou good and faithful servant." We will meet again. A. E. HOUSHOLDER.

REV. T. M. WHITE.

The subject of this sketch was born in Pickins county, South Carolina, in the year 1853, and departed this life at St. Lukes Hospital, Jacksonville, Florida, July 27, 1906.

He came to Florida in 1883, and joined the Florida Conference at Madison, Florida, January, 1884. He was married to Miss Montie Claywell on January 28, 1896, and to this union a son was given, who survives both father and mother, and who is now in his eighteenth year.

Brother White served various pastoral charges in our Conference, his last appointment being that of Duval Mission. While in charge of this work, he was stricken down with his last illness.

He was a man of solid piety, of considerable intellectual culture, but very retiring in his nature, and unassuming in his manners. He was kind, ever ready to oblige his friends and brethren. Perhaps he was not always understood, nor his many virtues entirely appreciated; but he was greatly beloved by his brethren in the ministry, and by a host of Christians in Florida. Whatever in his life of success or failure, of happiness or sorrow, it has all passed with our brother. He has gone from works, to rewards. During his earthly life, he ex-

perienced his sorrows, but has he not met with his Saviour who "was a man of sorrows, and acquainted with grief?" Has not the touch of Christ banished all sorrow and pain? May we not adopt the last stanza of James Montgomery's splendid old hymn?

"The pains of death are past,
Labor and sorrow cease;
And, life's long warfare closed at last,
His soul is found in peace.
Soldier of Christ, well done!
Praise be thy new employ;
And while eternal ages run,
Rest in thy Saviour's joy."

M. H. OUTLAND.

REV. WILBUR FISK NORTON.

Rev. Wilbur Fisk Norton was born in Barbourville county, Alabama, July 22, 1840, and on the morning of September 4th, in Bronson, Florida, he was not for God took him in his 67th year, after an illness of six weeks. He was reared under the influences of a Christian home, being the son of Christian parents. His father, Rev. John W. Norton, was a useful Methodist preacher. Under such conditions, he was led to give his heart to God in his youth and his life to the church of his parents. He was educated in the common schools of his native State, and in the East Alabama College at Auburn, where he spent three years. He was licensed to preach when eighteen years of age. He enlisted in the Confederate army as a private but was soon appointed Chaplain of the 39th Alabama Regiment, which place he filled until the close of the war.

He joined the Alabama Conference in December, 1869, at Union Springs. He remained in that Conference for six years, and then was transferred to the Florida Conference, serving the Gadsden Circuit as his first appointment in his new field of labor. He was appointed Presiding Elder at the Conference of 1887, continuing in this relation until 1896, when he again resumed the work of a pastor, until failing health necessitated the placing of his name on the honor roll of his Conference in 1902. Brother Norton often said that the preaching of the Gospel was his greatest delight and he continued to preach often, as much as twice a month, preaching his last sermon only a few weeks before his death.

On December 7, 1865, he was happily married to Miss Sallie E. Cassady, of Lawrenceville, Alabama, who cheerfully and loving shared all the hardships and trials of his itinerant

life and helped him to build a Christian home, in which three daughters and three sons were reared for Christ and His church; two of his sons being useful members of this Conference. Our lamented brother is sorely missed from our ranks. He was one of the most useful members the Florida Conference ever had. Of liberal culture, a clear thinker, of a pleasing and persuasive address, of a strong and sympathetic nature, with a deathless passion for souls and filled with the love of Christ, "he was a workman that needed not to be ashamed rightly dividing the word of truth." He was a gentle and companionable man, with all the friends that it is lawful for a man to have who faithfully discharges his duty. Our brother was most influential and did his best work in his own home. The charm of his loving and consecrated life was most strongly felt in the sacredness of the home circle. One of his sons gives this noble appreciation of his worth. "As a father he was always kind, gentle and loving. He was never heard to say an unkind word in the home. His life has been a source of inspiration to his children. He was a painstaking man, always looking after the small things of life. Not one of his children ever doubted the genuineness of his religion." Not only to his family, but also to his Conference and his church, he has bequeathed that which is more valuable than much fine gold and more enduring than monuments of marble and brass, the salutary and Christian influences and forces of a holy life and of a useful ministry. Our brother lived well and he died as he lived.

"O may we triumph so,
When all our warfares past;
And dying, find our latest foe,
Under our feet at last."

B. K. THROWER.

REPORTS

REPORTS

BOARD OF TRUSTEES SOUTHERN COLLEGE.

The Annual report of the Board of Trustees of Southern College to the Florida Conference, Methodist Episcopal Church, South, convened at Palatka, December 12, 1906.

Bishop and Brethren:—Southern College, the college which we report today, is the Florida Seminary of yesterday, the name having been changed by a unanimous vote of the Board of Trustees at their annual meeting in May of this year, subject to confirmative action by this body. The change of name was deemed advisable in view of the very manifest demand for a Methodist School of College grade in Florida, which could not be so well maintained or advertised under the Seminary idea.

INCORPORATION.

We ask the Conference to authorize our attorney to secure an amendment to our present charter changing the name from The Florida Seminary, to Southern College.

THE LOCATION.

Is ideal from the standpoint of health, surrounded as it is by high rolling pine forests and facing the open Gulf whence health laden breezes make material and zymotic diseases practically unknown.

ACCESSIBILITY.

The Atlantic Coast Line, one of the trunk railways of the State, and of the South, passes directly through the college grounds en route from Jacksonville to St. Petersburg, affording ample facility to students in reaching the college.

THE BUILDINGS.

The college buildings proper, as now catalogued, consist of a large and handsome structure containing 159 well constructed rooms, gas lights and steam heated. This is the Girls' Dormitory. The second is a building of 50 rooms, now used as a Boys' Dormitory, but entirely inadequate to our demands. The third building, begun in March 1904, is a splendid brick structure, containing class rooms, chapel, library, etc., which was erected at a cost of \$20,000 and on which there remains an indebtedness of about \$4,500 of the total of \$5,500 now outstanding against our College property.

In this connection it should also be noted that we now own and operate a steam laundry plant representing an outlay of \$2000. At another place attention will be called to our growing need for more buildings, which it is hoped may be supplied at least, in part before next sitting of our annual conference. In the main, our buildings are in a good state of repair and are kept covered by a reasonable insurance against loss or damage by fire.

HISTORY.

The school was opened for the reception of its first students on September 24, 1902, with an enrollment of 107 which was most flattering when it is considered that there was practically at that time, little local patronage, there being only one family living on the college grounds. Before the close of our first scholastic year, matriculation had reached to 208. The same year, showed in September 1903, an enrollment of 126, which increased to 226 as reported at the Commencement May 1904. The third opening, September 1904, showed an initial enrollment of 205 pupils being an increase of 74 over the previous year of practically 70 per cent. The close of this term showed an increase to 310. Our fourth year opened September 27, 1906, most favorably with 239 matriculations. At this time we report an enrollment of 298.

THE FACULTY.

The faculty, of which Rev. S. W. Walker, A. M. D. D., is President, consists of 17 teachers. These have all been selected after due thought and care and on grounds of special fitness for their work.

CHANGE OF FACULTY.

At a very recent date it has been found necessary to make a change in the management of our conservatory of music by the election of Prof. Carlos Moro, as director, to fill the place of Dr. H. C. Wulf, dismissed.

DEPARTMENTS.

In addition to the usual classical and literary college courses leading up to degrees of A. B. B. L. and A. M., we have departments of art, elocution, music and Business schools.

CLASSES.

All the regular college classes are provided, in addition to sub-freshman, a beginners course which embraces three years. Only about one-third of the pupils are in the sub-freshman classes. Beginning with a graduation the first year of one each in music and literary courses, the number has

steadily increased till the close of our last scholastic year, when 16 were graduated, from the several departments of instruction.

THE CURRICULUM.

In the matter of arranging a curriculum, we found it to be not only advisable but necessary to take advanced ground in view of the growing demands on the part of parents and students for advanced literary work, so that our curriculum now stands equal to that of any first class college, meeting the requirements of our General Board of Education.

BOARDING.

We need only to say of this, that a boarding department is maintained for boys and girls. The college dining room is located in the girls Dormitory building and is amply adequate to meet our large demands. That is maintained at a cost of \$50.00 per student for a term of 17 weeks, payable in advance.

FURNISHING AND EQUIPMENT.

In study halls and recitation rooms modern furnishings are provided including Well's patent desks, black boards, etc. Dormitories are all comfortably furnished with all standing and heavy furniture. Bed linens, towels, etc., are provided as is the custom everywhere, by pupils.

RELIGIOUS.

The religious influence of the school is pronounced and of high order. So far we have had a resident pastor, who lives among the students. Preaching services are held every Sunday in the college chapel for the benefit of the student body and the local community. Attendance by students is compulsory. There are also a well organized Sunday-school and Epworth League, and a mid-week service for prayer. The religious training of pupils outside of the public ministry of the Word, is also looked after, not necessarily along sectarian lines, but in the broad catholic spirit which we believe should characterize religious colleges as a consequence of the intensive religious spirit of the school and its religious atmosphere, vibrant with the thought and purpose of God. Many pupils who come to the school out of the church and unsaved, return to their home in the conscious enjoyment of a religious experience, while some are led to feel their call to the Ministry of the Gospel of Jesus Christ.

FINANCIAL.

Of course in planning so largely as we have had to do for the housing and care of our students, it would have been almost miraculous not to have incurred debt. But considering the work we have inaugurated our present indebtedness

amounting now to \$5,500 is very small, furthermore, receipts from board and tuition have so far been amply sufficient to meet current expenses.

SPORTING.

It is the settled and determined policy of the institution to keep down so much of the sporting influence of modern college life, as will in any small measure interfere either with the moral well being or religious life of the student body. This however, must not be construed into the disallowance of athletic sports and exercises among the students themselves and on their grounds. Undoubtedly, physical culture has its normal place in every institution where there are growing boys and girls.

SPECIAL NEEDS.

The college needs the moral support and the prayerful sympathy of its entire constituency. These are essential, but in addition it also needs very sorely the financial backing of our people. Among other things there is a grievous crying demand for larger accommodations for our boys. To provide adequately for this need, we should have at once \$10,000 for a new building. There is also a grievous demand for a gymnasium and athletic field. \$10,000 could be easily and most profitably expended in meeting this need. Again, the college should be endowed. To provide such an endowment as is required for adequate and safe maintenance of the interests committed to it, will not be a task speedy or easy of fulfillment. But at all hazards, a nucleus should be attempted at an early day. To this end, and to further conceive the material aim and interests of the school, it is the undivided judgment of your board that we should employ an active financial agent. In this connection after having canvassed the field, we have agreed to request the Board of Education to recommend Rev. C. C. Cecil to Bishop Morrison for appointment to such agency for the ensuing conference year.

LIBRARY.

We have a choice collection of books in the college library which now numbers 3500 volumes—about 500 of which in addition to \$110, were recently received as the result of the Thanksgiving appeal.

REPORTS FILED AND AUDITED.

The reports of the Treasurer, Land Agent, President of the College and the President of the Board of Trustees, have each been filed with the Board of Trustees, audited, approved, and are open for the inspection of any who may have cause to investigate.

CONCLUSION.

President Walker, and the faculty are endorsed and commended to the confidence and patronage of Methodist everywhere, and as well to all persons seeking the very best education under Christian auspices for their sons and daughters. In true education the mental and moral development receive like care and consideration.

J. P. HILBURN

President Board of Trustees

BOARD OF EDUCATION.

To the Bishop and members of the Florida Annual Conference:

Dear Fathers and Brethren:

Recognizing that the greatest interest of the Church, next to the salvation of souls, is the education of its youth, it affords us very great pleasure to learn from all quarters of the general prosperity and well being of our educational institutions throughout the connection.

There have been 54 new school buildings erected during the year, an increase of twenty-two over last year. These have cost \$812,074, an increase of \$377,516. The total valuation of all our school buildings is \$9,789,738, nearly \$10,000,000, an increase of \$1,551,739, or over one and a half million dollars. Our 198 institutions of learning of all grades have an endowment of \$3,516,173, an increase of \$1,115,711 over last year. The value of gift and legacies is \$557,541, which, together with other sources of revenue, make the total income amount to \$1,768,108, an increase of over one half million dollars. We have now a total enrollment of students of 34,446, an increase of 5368.

We call attention to the fact, that the educational assessment, by order of the General Conference, is hereafter to be known as "The assessment for Educational Extension," and the collection therefor is to be taken separately and sent to the Secretary of the General Board, at Nashville. This collection includes the following items:

1. The support of the General Board, publications, etc.
2. The support of the Correspondence School, publications, etc.
3. The colored work of the Church.
4. The development, according to the best judgment of the Board, of education in the pioneer territory of the church.

This assessment is made by a committee of the General Conference for the ensuing year.

Wesleyan College.

Susannah Wesley Memorial Hall has been completed at a cost of \$32,000. The total property value of the college is \$300,000, and endowment \$25,000. The enrollment of students this year is 462. It has 33 teachers. We are gratified to learn that this splendid college, in the language of one its representatives, is "hampered only by its prosperity."

Emory College.

This time-honored college, which has sent more missionaries into the field than any college in Southern Methodism, has increased the value of its property by improvements to the amount of \$25,000, making its total value \$200,000. It has an endowment of \$228,665, and an enrollment of 292 students. It has fifteen teachers in its faculty. It is in a most prosperous condition, and solicits and deserves the patronage of those who send their sons out of Florida for an education. We commend it most heartily to their consideration.

Southern College.

This young, but vigorous offspring of our own Florida Conference, and the object of our tenderest solicitude, has a property valuation of \$175,000, has 17 teachers, and 310 students. It had, and is still having a phenomenal growth and the sphere of its usefulness is continually enlarging. It is taking rank amongst the best colleges of the South. Its curriculum and faculty are of the highest grade, and it is doing the best quality of work for our sons and daughters in training their minds and hearts for the duties and responsibilities of life. We take especial pride in commending it to the patronage and financial support of the people of Florida.

Ruth Hargrove Seminary.

We have not received any report from this school for the last year, and cannot, therefore, give specific data as to its present condition, but we have reason to believe that it is in a flourishing condition, and is doing an excellent work in and for the city of Key West.

Apportionment For Assessment For Collection.

SABBATH OBSERVANCE.

In the divine economy for the redemption of the race, God instituted the Sabbath for the benefit of man, and commanded that it be kept holy, for it is the Lord's day. Not that all days are not His, but this one in a special sense. The keeping of the Sabbath as taught by Christ, when He walked among men, would work a revolution in this country for good. Its observance is one of the safe guards to this nation, and to her institutions. Its non-observance is one of the dangers that confront us and one of the problems that call for the earnest prayers and wisdom of the church. We thank God for the Christian homes found in the city and country, whose wholesome influence to the moral world is as salt to the natural world. One way by which we can help to remove the evil of Sabbath desecration is to establish more Christian homes. Secondly, separation from the world. Thirdly, consecration to God and hearty co-operation with every effort upon the part of the State for the proper observance of the Sabbath.

The Sabbath in a large sense is what we make it. We can make it a day of strength or a day of weakness. So with the school or the Church, they are what we make them. We are the living creatures, they are the things. The tendency of this age is to worldliness and this leads to Sabbath desecration, and other evils follow. To counteract them we must take a bold stand for God, and for the moulding of public sentiment against the evils of today that are drawing hundreds and thousands away from the house of prayer on the Sabbath. If we wish to make the Sabbath what God intended it to be, let every man do his best.

Resolved, First, That we do all in our power by teaching and preaching, and by example to bring about a better observance of the Sabbath.

Resolved, Second, That we are in hearty sympathy with every effort of the church and State to put down the evils of Sabbath breaking and will render any assistance in our power.

T. J. PHILLIPS, Chairman.

REPORT OF TRUSTEES OF F. C. COLLEGE.

Your college property at Leesburg has for several years been tied up by litigation in the courts. We are glad now to report that during the present year the case has been decided in favor of the Trustees, and the Church has been completely vindicated by the court.

The attorney for the Trustees is Col. S. J. Hilburn, of Palatka, and to his able management of our interests we are greatly indebted as a Conference.

After the case was decided the Trustees again took charge of the property, which consists of two buildings, the school and dormitory furniture, and six acres of land. We submit the following resolutions for adoption by the Conference:

Resolved, First, That we hereby express our appreciation of the able and efficient services of Col. S. J. Hilburn, in his successful work as our attorney in protecting our college property, and in vindicating the honor of the church.

Second, That the Trustees of the Florida Conference College be authorized to turn over all the furniture of said institution to the Trustees of Southern College at Sutherland.

Third, That the Board of Trustees of the Florida Conference College are hereby authorized to sell or otherwise dispose of the property at Leesburg, on such terms as they may deem best; and that the proceeds of such sale be transferred to the Trustees of Southern College for our educational work in that institution.

A. E. HOUSHOLDER, President.

ORPHANAGE.

We your Orphanage Board after due consideration, present the following resolutions:

Whereas, Florida Methodism has no Orphanage, and whereas, there is an increasing interest manifested in our Florida Methodism looking to the establishment of an Orphanage in our Conference, therefore be it

Resolved That it is the sense of this Board that the time has come for the establishment of a Methodist Orphanage for Florida, and we recommend that immediate steps be taken to that end by our Conference.

Resolved, Second, That we recommend the election of the following Board of Trustees for said Orphanage:

Clerical: L. W. Moore, T. J. Nixon, Smith Hardin, C. W. Inman, W. A. Wier.

Lay: W. R. Thomas, C. W. Smith, H. J. Davis, S. J. Hilburn.

Resolved, third, That we recommend the appointment of an orphanage agent at this Conference, who shall immediately enter upon the duties incident to his office.

That the salary of said agent be fixed at (\$1200) Twelve hundred dollars and necessary traveling expenses, said salary and traveling expenses to be paid out of funds raised by said agent;

That Rev. J. P. DePass be appointed as said agent, and that he be authorized to receive bids as to location and submit the same to the Orphanage Board which shall be called together for such purposes by the chairman.

Resolved, fourth, That we earnestly appeal to our Sunday Schools and Epworth Leagues to assist us in this worthy cause. That all Fifth Sundays be set apart and recognized as orphanage day in our Sunday-schools and Epworth Leagues, and that collections raised on said Fifth Sunday be devoted by them to the Orphanage cause.

Respectfully submitted,

Secretary.

BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals, beg leave to report:

1. That we find our Conference organ making improvement and growth. We bespeak for our editor the sympathy and support of the brethren.

2. We rejoice in reports of prosperity from our General Organ, both branches of the Publishing House, the Sunday School and League Literature.

3. We recommend that Rev. B. K. Thrower be appointed Conference Colporteur and that the brethren as far as possible not only give him their patronage, but also aid him to get his books before the people.

Secretary.

TEMPERANCE.

Your Committee submit the following report:

Dear Fathers and Brethren:—The Church of God has before it the liquor traffic which is a problem hard to solve, for this reason. Our government sanctions this evil by licensing men to issue to its citizens a poison that is more deadly than the serpent's bite. It sanctions an evil that destroys its citizens intellectually and morally. Yea, for money, our gov-

ernment is satisfied in destroying the homes, the happiness, the character and lives of its people. As a church, God has placed upon us the responsibility of protecting the homes, the lives, the characters and souls of the people, by counter-acting the influence and destroying his monster evil. It is gratifying to know our church has put itself on record as being a strong foe to this traffic, and it is through the church that the sentiment for prohibition is growing in our land.

This is seen very plainly in our own State. Out of forty six counties, through the influence of the membership of the church, thirty counties have been voted dry. Three of them voted dry this year. Therefore be it

Resolved, We as a church do heartily endorse the Anti-League movement, and ask that a committee of one be appointed to co-operate with them in advancing the cause of prohibition.

Resolved, second, That we ask the Bishop presiding, to appoint a committee of five men to communicate with the evangelistic bodies of this state, asking them to appoint a like committee, and through these that such steps be taken as is necessary to induce if possible, such legislation as to submit the subject of prohibition to the voters of the State at large.

Resolved, That we urge upon Congress, the passage of a law which will prohibit the U. S. Government from issuing an Internal Revenue permit as a liquor dealer until satisfactory evidence is furnished that the dealer has a retail liquor license from the county in which he is to do business.

J. A. HENDRY, Chairman.

The Bishop appointed as committee of five called for in the above report: L. W. Moore, W. J. Carpenter, W. J. Davis W. J. Gray, G. S. Roberts.

Committee of one: H. Dutill.

AMERICAN BIBLE SOCIETY.

Your Board on American Bible Society is somewhat at a loss as to the best means for bringing about a livelier and more active interest in this important factor in the evangelization of the world.

The place which the American Bible Society occupies in the world wide missionary movement is as important, yea, as indispensably necessary, as that occupied by the Bible itself in the work of any Circuit, Station or Mission, in the Florida Conference; because without it, we would be without the Bible for our Missionary operations in many languages and in many countries.

Our law-makers seem to have realized this truth, as can be seen by the fact that the General Conference, in defining duties of a preacher in charge, couples the **Bible Society** with our **Mission Boards**.

Paragraph 134, which is answer 15, to the question: "What are the duties of a P. C." says: To promote all the interest of the Missionary Boards of our Church, etc.; also to present once a year to each congregation in his charge the claims of the American Bible Society.

From this paragraph, it is clearly seen that our book of Discipline expressly makes it the imperative duty of every pastor in Southern Methodism, not only to take a collection in each congregation under his care, in a perfunctory manner, but to represent the interests of the American Bible Society. Yet your Board regrets to note that some of the brethren have the habit of deferring this duty until it is too late to present the claims to even one congregation and then after reaching the seat of the Conference, put their hands into their own pocket and give ONE DOLLAR as a sort of compromise with their conscience for this lamentable neglect of a known duty, whereas, they might have brought up from \$4 to \$10 as a cheerful contribution from their people if they had complied with this disciplinary requirement.

We are persuaded that all of our preachers are in sympathy with the noble work of the grand old Bible Society, and that this neglect is due to the press of other collections ordered by the Discipline, and the Conference, and especially, of those that are laid upon them by an assessment, rather than to any intentional neglect.

Therefore, in order to counteract this tendency, your Board makes the following recommendations:

Resolved That each pastor provide himself with the literature prepared by the Society for gratuitous circulation, and place it in the hands of his people; and that as many as can subscribe for the Bible Society Record, a monthly review of Bible work which costs only 30 cents per year.

In view of the fact that God, in His providence has so prepared the way for His Word in pagan, heathen and semi-heathen lands that, today, the opportunities of an active propaganda are circumscribed only by financial limitation, we recommend that an amount equal to one per cent. of the pastor's salary be considered as the minimum which each should collect during the year for this important cause.

PUBLISHERS, FLORIDA CHRISTIAN ADVOCATE.

Live Oak, Florida, December 12, 1906.

To the Publishing Committee, Florida Christian Advocate,
Florida Conference, Methodist Episcopal Church, South.

Gentlemen:—We, the undersigned publishers of the Florida Christian Advocate, beg leave to submit the following annual report:

I.—The general condition of the Florida Christian Advocate is at present better, in our judgment, than at any time since we have been its publishers. The year just past has been fortunately free from any act, event or condition of circumstances of any nature, which would seriously affect the Advocate in any capacity to its detriment.

II.—The relations between editor and publishers have been of the most cordial nature. Dr. Pasco, editor of the Advocate, has performed his duties so far as we are able to judge in a most satisfactory manner, and we deem it a privilege and a very pleasant duty to heartily commend him to you as a very efficient editor.

III.—The remittances received through the agents of the Advocate, the pastors of the various charges in the Conference, show that in a number of the charges a thorough canvass has been made for subscriptions and renewals to the Advocate, and we desire to thank all pastors and agents who have sent us remittances on subscriptions during the year. We regret to state, however, that reports from some charges have been very meager, amounting to less than ten per cent of the amount due for the current year on subscriptions.

The total cash receipts from all sources for the past year, from December 12, 1905 to December 12, 1906, have been \$2,543.58, and there remains on the books subscriptions due and uncollected about \$4,000.

The circulation of the Advocate for the past year has not

changed materially, remaining at about three thousand copies per issue.

Respectfully submitted,

LIVE OAK PUBLISHING COMPANY, Publishers.

J. F. SHERWOOD, President.

A check for \$50.86 was paid to the Conference amount due per contract.

EDITOR FLORIDA CHRISTIAN ADVOCATE.

Dear Brethren:—A year ago, by your election and the appointment of the Bishop, I assumed the position of editor of our Conference organ. I have endeavored to discharge that duty in the fear of God to the best of my ability. The work was new to me and I have made mistakes, I know, but I have tried to be fair and just to all and my constant aim has been to make the paper a blessing to you and to our people.

During the year I have attended the six District Conferences; four of the Missionary Institutes; presided at the State Epworth League Conference at Ocala, and attended the Jacksonville District Epworth League Conference at White Springs.

I have dedicated three churches and visited besides twenty-five charges on invitation of the brethren, preaching for them; in all these visitations I have presented the claims of the Advocate.

I have been invited to many other charges, but the requirements of my office work prevented my accepting them.

I hereby acknowledge the uniform courtesy and kindness with which I have been everywhere received, and the co-operation of the brethren with me in my work.

The publishers will make their report on the number of subscribers, etc. We have labored under difficulties during the year; the frequent change of publishers and editors; the disastrous fire a year ago, all have created confusion in our subscription list; but we are gradually getting things into shape, and with an earnest effort on your part, we should during the coming year, be able to push the Advocate on a firm financial basis.

A word as to our Helping Fund. With one dollar from each pastoral charge, we could have about \$125, by which we could put the Advocate into that many homes where they are unable to pay for it. Some of the brethren have done more than this, and we earnestly beg that all will bear this fund in mind.

I have been treated with the utmost courtesy at all times by the Live Oak Publishing Company, the publishers of our Advocate, the resident member of the Publishing Company.

Brother J. P. Hilburn has been of great help to me by his words of counsel and encouragement, and the year's work has been most pleasant.

I trust that it has resulted in blessings to the readers of our paper.

FREDERICK PASCO.

EPWORTH LEAGUES.

We, your Committees on Epworth Leagues, beg leave to submit this our annual report for your consideration. We are glad to report another year of progress in our League work. Our Conference shows an increasing interest in this great enterprise. The number of chapters reported this year is one hundred and four. The number of members is three thousand two hundred and ninety-four. The statistics reported by the General Board show a healthy growth, being four hundred and fifty-five gain in chapters, with ten thousand, four hundred and fourteen gain in membership. All departments of church work have been quickened and not a few missionaries and itinerant preachers won to service through the agency of the League.

We call attention to the "Ten Cent Assessment," by which current expenses of the Central Office are met.

The General Board reports increase in receipts from this source over former years, but it is necessary for each chapter to respond to the demand, for the best service to be realized.

A wise man has said: "When you deal with a boy destiny waits round the corner." Acting upon this principle, the General Conference last May authorized the formation of Boys' Leagues. This new departure will be hailed with delight by many League workers, and promises helpfulness. The Epworth Era continues to be one of the very best publications of our Church. It furnishes the best intellectual and spiritual food served in the finest style. The paper is to be enlarged. The Era, next to the Bible, is the principal working tool of the League. The other excellent literature of the General Board is on sale by the Publishing House. It is better than ever before. No investment will prove so profitable as money spent for proper equipment with League literature. Write to the Publishing House for specimens of all helps for League work.

The League is a vital enterprise to do the best work, one must have enthusiasm and consecration. We urge the pastors to give the League the same consideration shown the Sunday School.

Respectfully submitted,

JNO. E. MICKLER, President.

N. H. WILLIAMS, Secretary.

SUNDAY SCHOOL BOARD.

Dear Brethren of the Florida Annual Conference:

Believing that the ultimate triumph of the Kingdom of God is based upon the Christian training of children, we are glad to note that our Church is giving increased attention to this department of her work and is also able to report growing interest and success.

To stimulate interest and better methods in our Sunday School work in our Conference your Board has arranged with our Superintendent of Training Work, Dr. Hamill, to hold within the bounds of the Tallahassee District, at the suggestion of the Presiding Elder, a ten days series of institute work, and this to be followed by a training school in Tampa, of which he, Dr. Hamill, will be dean. These meetings will be fully advertised in the early part of the new year. To meet expenses incident to the work of the board and the needs of Mission Schools, we exhort pastors to see that Children's Day is duly observed according to the discipline.

Florida Annual Conference M. E. Church, South,

Dear Brethren:—Your joint Board of Finance beg to submit the following report:

First. We find 42 claimants on our list for the past year to which number seven have been added for the ensuing year.

Second. On account of the above additions to the list of claimants, we find it necessary to add to the assessment for the incoming year the sum of Five Hundred Dollars, making the assessment for 1907 \$5,500.00.

Third. We thank the pastors for their commendable activity in collecting the Conference Claimants funds in the year now closing and would respectfully urge prompt and heroic action during the year just ahead of us.

Fourth. The present law of our Church makes it incumbent on the pastors to present annually the claims of the Superannuate Endowment Fund to each congregation, and receive voluntary contributions to the same. We have communication from the Trustees of this fund calling attention to this fact, and urging that it be observed.

Respectfully,

REPORT OF THE CONFERENCE BOARD OF CHURCH EXTENSION.

To the Bishop and members of the Florida Conference,

Brethren:—We, the members of your Board of Church Extension, beg leave to submit the following report.

We have had under careful consideration every interest committed to our care. We are glad to report the cause of Church Extension throughout the whole connection in a healthy and prosperous condition. More and more the interest of this great cause are being laid upon the hearts of our people, and they are coming to understand it with ever growing appreciation and liberality.

The people are showing increased confidence in this arm

of our service both by their increased contributions, and their manifest appreciation of the stimulus which it affords in the matter of building Churches as well as the material aid which it affords. But while the contributions are steadily increasing the demands are increasing with still greater rapidity. During the fiscal year ending March 31, 1906, the General Board had before it applications for aid aggregating \$125,784. To meet these enormous demands it had on hand \$51,219.00, or but little more than 40 per cent. In our own Conference work this year the aggregate of applications for aid coming before this Board was \$2,725, while we had with which to meet this only \$1089, or about 40 per cent. While these are the largest sums ever had in any single year either by the General Board or by our own local Board, still it will readily be seen how great are the demands upon us in proportion too the resources at our command.

If the signs of these times are to be regarded at all as prophetic of the future, then the enlarging need of Church Extension within our own Conference has only fairly begun.

The unprecedented influx of foreign and other immigration to our State is making the demands for Church extension daily more imperious. The ends of the earth are converging upon the fair shores of Florida, and the heathen by thousands are knocking at the doors of our Christian institutions. With the opening of the Isthmian Canal the people will flock to all our coast country like doves to their windows. This heterogeneous mass must be cared for in the name of our Lord. This, in its best sense cannot be done without the aid of Church extension.

It affords us pleasure to be able to report that the assessment for the current year has been paid in excess. In addition to over paying the regular assessment, we have collected and paid as a special to "Little Italy" the sum of \$985.44 on a subscription of \$1087.85. The General Board has assessed upon our Conference for the ensuing year for Church Extension, the sum of \$2,562.. This sum, if collected in full, will only give to your Conference Board the sum of \$1,281 with which to do business another year. Your Board will need two or three times this sum to meet the growing demands that are upon them. Let no one think of raising less than the assessment made upon his charge, and in every case let the assessment be regarded as the minimum, to be exceeded as far as possible.

The apportionments on the several Districts for the ensuing year are as follows:

Tallahassee District	\$395.00
Jacksonville District	450.00
Gainesville District	490.00
Orlando District	405.00
Tampa District	500.00
East Coast District	325.00

We have aided this year the following Churches in the following amounts:

Stuart	\$ 94.50
Tarpon Springs	126.00
Crawfordville (cond)	50.00
Hastings (cond)	94.50
Park	94.50
Kindrick	94.00
Starke	126.00
Dunnellon	94.50
Pine Grove	47.25
Green Springs	63.00
Hilliardsville	63.00
Houston	63.00
Delray	94.50

Respectfully submitted,

B. F. MASON,

Secretary.

T. W. TOMKIES.

Chairman.

REPORT OF SECRETARY OF CONFERENCE BOARD OF MISSIONS.

In making our Annual report of the Missionary work on our Conference territory, it becomes us first to lift up our eyes to the whitening harvest fields abroad, note the gracious opening which God has made there for his Church's entrance and give hearty thanks to Him for the success attending the labors of His servants. Never before have there been such marked tokens of God's favor on the work; and never such an awakening of interest in the Church at home under the intelligent and enthusiastic leadership of our Bishops and Missionary Secretaries, heartily seconded by many presiding elders and pastors. The Church is rapidly taking higher and more advanced ground. There is more general information, better plans and greater zeal and liberality being shown among us than ever before. Especially wise and timely do we deem the instruction and training of our young people in the Mission Study Classes; and urge upon all our pastors, the organ-

ization and development of these important adjuncts to mission work. From the Annual report of the General Secretaries we insert the following:

"The quadrennium which has just closed has been the greatest in the history of our missionary work. An increase of 12 per cent. in membership in our foreign fields last year, and the steady growth in collections at home giving an increase of \$645,573 over the amount contributed for foreign missions during the preceding quadrennium, are indicative of the blessing of God upon our native Church abroad and upon our people at home, who are coming into a deeper sense of personal responsibility to Christ for the preaching of the gospel to every creature. The opening of a Mission to the Jews, the establishment of work among the Italians, the rapid growth in the support of individual missionaries, the increase in the number of Mission Study Classes, and the success of the Missionary Training School are indicative of the spirit of vigorous missionary effort throughout the Church.

During the past year the regular collections on assessments from the Annual Conferences were \$355,626, the receipts from all sources \$467,846, and the receipts of the Woman's Foreign Missionary Society \$155,909, making a total of \$623,755 contributed for foreign missions. If to this item we add the \$228,240 collected for domestic missions, and the \$101,728 received by the Woman's Home Mission Society, we have the sum of \$955,723 for missionary work at home and abroad, or a total aggregating almost a million dollars."

In our Florida Conference there are forty-six charges and one district that has received help from the Conference Board. In some of these there has been gratifying increase in material as well as spiritual growth. In the East Coast District, which contains much missionary territory, there has been a notable advance, every charge in it reporting every claim in full. The other districts report both Foreign and Domestic Missionary assessments raised placing the Conference among those which have met their assessment in full. Besides this, there has been a handsome sum raised in specials, such as help for the Cuban and Italian Missions in Tampa, the school in Hiroshima, Japan, the special missionaries in Cuba supported by the Tallahassee and Gainesville Districts (and later, at the close of this Anniversary meeting \$1060 subscribed for the work in Songdo, Korea).

Some of our missions have been developed into self-supporting charges, others are gradually approaching that point; while some perhaps, for years will need help. For the saving of

souls through the labors of our devout and faithful missionaries, the comforting of God's needy ones, and the strengthening of Zion, we give devout thanks. The money invested in these fields has not been misspent, and those who contributed to the cause of Domestic Missions are investing in securities that will make sure returns in the day of final accounts.

We thus come to the close of our quadrennium of service as a Conference Board, rejoicing to see signs of God's favor on our efforts and his blessing on the labors of the men who have occupied the arduous, difficult and often discouraging places as Domestic Missionaries.

May the banner of our Lord be borne stil farther toward the front, and the hosts of the Church press forward until they occupy all this land for our King.

HENRY E. PARTRIDGE, Secretary.

To The Committee:

Whereas there has been some misunderstanding in different sections of our Conference growing out of my connection with the Pentecostal movement, I wish to make the following statement:

1. That in submitting to immersion I did not intend to advocate immersion as the exclusive mode of baptism, or to renounce my former water baptism, but to remove a possible prejudice in my own mind that might have grown out of my former antagonism to that mode.

2. I here affirm that no one is authorized to use my name as in sympathy with any attacks made upon the doctrines and ministry of our Church, and I am, and ever have been, in perfect accord with the doctrines of our Church, including water baptism.

Whereas, We believe such a conference would be a great inspiration to the cause of Christian Education in our Church, therefore be it

BOARD OF EDUCATION, NO. 2.

Upon the proposition referred to this Board for action to raise \$110,000 within the next four years as an endowment to Southern College, the Board of Education makes the following report:

Resolved, That it is the sense of this body that the most practicable way of raising this money will be to have the amount to be annually raised, which is one-fourth of the total sum, apportioned by the Board of Education to the various presiding elders' districts, upon the basis of other apportionments.

Second, That said presiding elders distribute said apportionments among the several charges of their districts in the most equitable manner their judgments may determine, and in consultation with the pastors, provide for collecting the same.

Third, That said apportionments in every case be kept separate and distinct from the regular assessments.

Adopted by the Board in regular session, Tampa, Fla.,
December 13, 1907.

REPORT OF THE BOARD OF EDUCATION.

To the Bishop and members of the Florida Annual Conference:

Dear Father and Brethren:—Securing our information from the most reliable sources, we are glad to be able to state to this Conference that the interest of our own people, and also the people at large in the matter of all classes of educational work, is increasing and is evidencing itself in larger liberality for the equipment and sustenance of all grades of our institutions of learning throughout the bounds of the Church.

Our General Board of Education reports an increase of its revenue during the last six years of \$21,599.80. During the same period the Annual Conferences have increased their assessment for local education from \$69,411.85 to \$144,485.17 and this collection for the same from \$52,475.58 to \$132,604.22, showing a growth in assessments of \$75,073.32, and in collections of \$80,218.64. The increase in the value of the grounds, buildings and endowments of our institutions over their value the preceding year was \$16,664.40, a larger financial growth than that which resulted directly from the whole twentieth century campaigning. The increase for the preceding year was almost as large. The total increase last year in the number of students attending our own institutions 5,368, by far the largest increase in any year since the Board began its work, and making a total of 34,446 students in our institutions."

It was Charles Kingley who said, "I hold that what ever natural rights a human being brings into the world with him at his birth, one right he indubitably brings, namely, the right of education." But we hold that ignorance is not simply the absence of knowledge, but the presence of wrong knowledge, it is not the dead calm of motionless mind, but it is mind moving in the wrong direction. Let it be the business, therefore, of our schools to reverse this motion, and set it going in the right direction, with proper aims for its good. Not religion and education, but religion in education is what we want. We submit the following data concerning those schools in which we are specially interested.

Emory College.

Value of grounds, buildings, etc \$200,000; endowment, \$204,640; income from endowment, \$8,628; tuition, \$10,722; from Conference assessments \$3,055; it has 14 professors and teachers and 275 students with 10,000 volumes in its library.

Wesleyan.

Value of buildings, etc., \$300,000; volumes in library, 3,500; endowment, \$23,000; income from same, \$1,200; from tuition, \$34,587; from assessments, \$3,055; other sources, \$45,000; professors and teachers, 32; students, 465.

Southern College.

Value of buildings, etc., \$185,000; volumes, 3,500; \$3,000 endowment; income from tuition, \$5,500; assessments, \$1,800; from other sources, \$4,800; value of gifts and legacies last year, \$5,500; total income last year, \$12,100; floating debt \$6,000; professors and teachers, 17; average salary of same, \$600; students, 330; studying for the ministry, 12.

Ruth Hargrove Seminary—Key West.

Value of buildings, etc., \$20,000; new buildings erected during the year, 1; cost \$1,400; volumes in library, 600; no endowment; income from tuition, \$1,250; from other sources, \$5,837; total income last year, \$7,087; total teachers, 12; average salary, \$630; students, 400; attending summer school, 40; studying for ministry, 1.

We make the following apportionments of the endowment fund for Southern College:

Tallahassee District.....	\$4,260
Jacksonville District.....	4,813
Gainesville District.....	5,223
Orlando District.....	4,341
Tampa District.....	5,366
East Coast District.....	3,497

\$27,500

We make the following educational assessments:

District	Conference Board	General Board	Total
Tallahassee	\$478	\$142	\$620
Jacksonville	540	160	700
Gainesville	586	174	760
Orlando	487	145	632

Tampa	602	178	780
East Coast	392	116	588

Total	\$3085	\$ 915	\$4000
-------------	--------------	--------------	--------

We request the Bishop to appoint Rev. J. P. Hilburn in place of Rev. S. W. Walker, and Rev. L. D. Lowe in place of Rev. W. H. Funk, as members of this Board. Also the appointment of Rev. J. B. Ley as Agent of Southern College.

Also the appointment of J. P. Hilburn, W. C. Richardson, J. B. Ley, R. M. Evans, A. C. Clewis, S. W. Lawler, J. A. Hendry, D. A. Cole, I S Giddens, I. S. Patterson. J. C. Little. L. J. Cooper, W. M. Poage, D. C. McMullen, J. E. Hendry. C. W. Smith, W. N. Sheats, T. J. Nixon and J. T. Watkins, as Trustees of Southern College.

We also recommend Rev. I. S. Jenkins to be appointed as Conference Secretary of Education.

We are requested to call attention to the fact that the last General Conference authorized and requested the General Board of Education to lead the church in a movement looking to the improvement of the home conditions of our people, and the inauguration of an effort to promote a more thorough study of child life and its needs.

We cannot close this report without a brief reference to the work now being done at our own Southern College. We firmly believe that what we have referred to as the work needed to be done in the education of our youth, is now being accomplished in this school. We have the utmost confidence in the ability and disposition of its president and his able assistants, to train and develop the young men and women, boys and girls, committed to their care in such a way that they shall be an honor to their parentage, a credit to the church, and faithful disciples of the blessed Christ. We specially commend this institution to the most liberal patronage, the heartiest and most efficient support ha he means and opporunity of our people may afford.

Respectfully submitted,

CONFERENCE SUNDAY SCHOOL BOARD.

The work of the year has been most gratifying. There has been an awakening interest in the matter of effort and meaning for the Sunday school.

Since the Sunday-school has in such large measure sup-

planted the Church service in the religious training of the child mind, it is the aim to make the school as potent a factor as possible.

The significance of the Sunday-school is no longer, if it ever was, confined to a weekly gathering, a perfunctory recitation, and the poor rendition of one or two songs. Intelligent and instructive measures are adopted—better plans are pursued and vastly better results are achieved.

During the year your board has had oversight of the school work, and are greatly pleased to report material advance. We have sent out over 1000 letters and cards to superintendents and workers, and have succeeded in awakening much interest in Institute work. Dr. H. M. Hamill, assisted by his excellent wife, conducted a series of Institutes in the bounds of the Tallahassee District under the auspices of the Board and the Presiding Elder, Rev. J. E. Wilson. In a limited way similar work was done by the board through its Secretary.

The following table of comparisons is significant of our work:

BOARD OF EPWORTH LEAGUE.

One million young people reached, five hundred young men given to the pulpit, seventy-five workers sent to the foreign fields: these are some of the fruits of the Epworth Leagues of our Methodism which we have gathered during the past seventeen years.

We find that within the bounds of our Conference there are 66 Senior Epworth Leagues with an aggregate membership of 1,894, and 34 Junior Leagues with a total membership of 1,148. These societies of our youth have raised during this past year \$2,229.57. Of this amount \$532.38 has been directed to missions.

Grateful for all that this summary of statistics stands for, we nevertheless believe that the possibilities for good in our young people have as yet never been fully realized by our pastors and people. We, therefore,

1. Insist upon the organization of a Senior and a Junior League in every Church wherever it is possible.

2. We call the attention of pastors to the multiple purpose of the Leagues as expressed in their plans of organization and urge the proper development and utilization of all departments of these societies.

3. We heartily commend the Boys' League as offering the solution of the vexing and all-important "boy problem."

4. We recommend the Mission Study Class as being one of the finest features of the League work and exhort all pastors to encourage this study in their charge.

5. We request that each presiding elder of the coming year, hold an Epworth League Conference in his district.

6. We commend the Epworth Era as worthy of extensive circulation and as an indispensable aid toward realizing the best success with the Leagues.

7. We advise a liberal use of the free literature offered by our Publishing House setting forth the plans and purposes and best methods of League work.

We nominate E. W. Armentrout as a substitute on this Board in place of W. E. Dean.

R. IRA BARNETT,

Secretary of Committee.

STATUS OF EMORY COLLEGE.

We your committee appointed to inquire into the status of this Conference as to its joint ownership with North and South Georgia Conference of the Wesleyan Female College and Emory College, beg to report that this Conference has no property rights in said college plants; that while the charters of the respective colleges admit a joint right in the Florida Conference to control and support the said institutions with the North and South Georgia Conferences, and while the charter of Wesleyan Female College recognizes a joint proprietorship in the college property, it is the opinion of your committee that these provisions in the charters of these colleges do not convey any property rights which the Florida Conference can appropriate or enjoy, except by patronizing the respective colleges.

We have for several years been printing 1200 copies of the Conference Minutes and this number is entirely inadequate to supply the demands in a Conference with a membership of more than 25,000. The amount assessed on the Conference is not sufficient to meet the necessary expenses of the Secretaries and the Conference Treasurer, and in order to provide properly for this work and to increase the number of Minutes printed to 2,000, I recommend that an increased assessment be made upon the Conference. This is legitimate business and we should provide for the necessary expense attending it. We ought to assess at least \$225.00 for the extra Minutes and postage.

FREDERICK PASCO,
Editor Conference Minutes.

BOOKS AND PERIODICALS.

We, your committee beg leave to report as follows:

1. We note with pleasure the increasing patronage of our Publishing House at Nashville and Dallas, the net sales of which amounted to over a half million dollars, and a net gain of nearly \$4,400.

2. The Christian Advocate is reported to us as having an increased number of subscribers, though the increase has not been large. During the past year it has been printed on improved type and in the modern form, which, together with its editorial work, makes it a paper of superior merit, and should be in every Methodist home. The same may be said of the Epworth Era, and our Sunday School Literature, which cannot be surpassed anywhere.

3. The Review continues upon its high plane of thought and literary excellence, and every preacher and every lover of the best thought on present day questions, should include it in the list of good things for religious and intellectual food.

4. The Florida Christian Advocate is reported to have received a goodly number of new subscribers during the year, but the losses through the cutting off of delinquents have exceeded the additions. With the evident need of a Conference organ in every home,—an organ through which we may be brought in touch with every nook and corner of our Florida

Methodism, and creating a keener taste for a pure, religious literature,—it is unfortunate that there should be so many failures to renew subscriptions. It is this failure to pay up arrearages that has put the expenditures for ahead of the receipts. Your committee would kindly suggest that the preachers make repeated mention of the Advocate in the homes of our people and seek a cash renewal, especially where there is something due. We do not only need the paper, but we must be honest with the publishers. They have been prompt in bringing out the paper on time, and their kindly dealing with us, and their continued patience deserve more at our hands. In view of the fact the Advocate continues to be published at a loss, we suggest that the Conference return to the publishers the two percent of the gross proceeds for this year, a check for which is now in the hands of the Board of Finance.

5. That the chair appoint a committee of one to be known as the Florida Conference Historical Committee, whose duty it shall be to collect and keep safely and accessibly, all available letters, diaries, reminiscences, documents, etc., which are necessary for the writing of a full history of Florida Methodism. We recommend that Rev. E. A. Townsend be appointed as such committee.

L. W. MOORE, Chairman.

BOARD OF TRUSTEES OF FLORIDA CONFERENCE ORPHANAGE.

Having received the report of our late agent, Bro. Jas. P. DePass, we find in the short time of his agency he was doing excellent work. Having secured in subscriptions \$750.50 and in cash, \$227.93, making a total of \$978.43 for the home.

Out of the \$227.93 cash collected by Bro. DePass, we would advise that his expense account of \$30.53 be allowed and his widow be paid his salary of \$150.00, leaving balance due of \$47.40.

In view of certain offers made this board for the home we recommend that the Conference empower the Board of Trustees of The Florida Conference Orphanage to accept such offer as they deem for the best interest of the home in fee simple without recourse. It being understood that no property shall be accepted that is incumbered with any indebted-

ness that would prove a burden to the Conference.

Respectfully submitted,

J. B. CROMARTIE,
Secretary Pro tem.

C. H. INMAN,
Chairman.

REPORT OF ORPHANAGE BOARD.

We, the orphanage board, beg to submit the following report:

1. No report has been before us from the Orphan's Home in Georgia.

2. Owing to the decease early in the year of our Agent, Dr. DePass, not a great deal has been realized in the way of funds, though he did remarkably well for the brief time of his service.

3. Recognizing the need of a home for our orphans we beg to recommend:

I That this Board be authorized to send a representative to district conferences and like gatherings, who shall represent this cause and endeavor to create sentiment for an Orphanage, and whose traveling expenses shall be paid out of the orphanage funds.

II In view of the fact that two desirable offers of property are pending, that the Board of Orphanage trustees be authorized to accept any property which in their judgment will meet the approval of the Conference, provided that the titles be in fee simple, and that there be no embarrassing indebtedness.

J. R. CASON,
President.

I. C. JENKINS,
Secretary.

SECRETARY OF THE CONFERENCE BOARD OF MISSIONS.

In making our annual report, we wish first of all to thank God for permitting us to labor together with Him in the work of human redemption. Our Church is becoming more and more alive to the great privilege of saving the lost. There is more missionary information disseminated, and consequently there is more missionary inspiration in the hearts of the people.

An epochal movement was inaugurated last September in the meeting of fifty-three laymen in Knoxville, Tenn., when the "Laymen's Missionary Movement" was enterprised. A plan of organization was agreed upon and a great "Laymen's Missionary Conference is to be held in Chattanooga, Tenn. April 21-23, 1908. Our Conference Board of Missions has

elected its quota of sixty on the plan suggested by the Secretary of the Laymen's Mission Conference, and they are as follows:

Tallahassee District:—Dr. G. B. Glover, B. W. Partridge, Monticello; Geo. W. Saxon, Jno. L. Neely, Tallahassee; H. J. Davis, Quincy; B. H. Beverly, Apalachicola; B. H. Hinson, Hinson; J. C. Inman, Greensboro; J. E. Pound, Perry; Dr. W. S. Mitchell, Lee.

Jacksonville District:—J. C. Little, E. L. Greer, W. K. Bartleson, J. L. Rast, Jacksonville; L. E. Roberson, W. J. Hillman, Live Oak; A. W. McLeran, Wellborn; J. W. Stephens, Lake City; E. A. Pabor, South Jacksonville; J. W. Pennington, Jasper.

Orlando District:—W. M. Hendry, Ft. Myers; W. H. Mitchell, Arcadia; W. H. Lewis, Ft. Meade; W. N. Duckworth, Orlando; Claude Lee, Kissimmee; T. W. Conrad, Lakeland; W. H. Roux, Plant City; S. G. Wilson and C. L. Wilson, Bartow; T. J. Watkins, Orlando.

Gainesville District:—W. R. McKinstry, Gainesville; F. B. Godfrey, Alachua; L. F. Blalock, Ocala; P. N. King, Williston; Z. V. DeValt, Umatilla; J. C. Lee, Leesburg; E. P. Duncan, Starke; Y. M. Halm, Hawthorne, C. C. Priest, Kendrick, D. R. Zetrouer, Micanopy.

East Coast District:—S. J. Hilburn, Palatka; W. G. Tilghman, Palatka; J. M. Jackson, Miami; Geo. L. Branning, West Palm Beach; J. A. Groves, Sebastian; J. L. McRory, DeLand; J. H. Lee, Oviedo; C. F. Kemp, Key West; D. F. Morrison, Barberville, L. R. Philips, Sanford.

Tampa District:—R. H. Johnson, Manatee; C. E. Ball, I. S. Giddens, A. F. Turner, L. J. Cooper, D. C. McMullen, Tampa; J. H. Lord, Sarasota; W. N. Ferguson, Dade City; J. C. Talley, St. Petersburg, E. W. McMullen, Sutherland.

The results of our efforts at home and abroad have been gratifying. These items from the foreign fields are given for encouragement. An increase of 881 members; 1,325 Sunday school pupils; 405 day and boarding school pupils; 29 churches erected; 102 congregation organized and 11 new missionaries sent out.

Our finances have shown increase. The whole church has increased \$78,836.00 in amount raised for missions alone last year. We are now giving on an average of 68cents per member for missions.

The General Board has set \$500,000 as our target for next year. This does not contemplate an increased assess-

ment to this amount; but means that we will not arrest the growth of liberality by the assessment boards. The Conference Board heartily endorses the action of the General Board in this matter.

Our Conference has been peculiarly favored this year with the presence of Dr. Jno. R. Nelson, one of the Secretaries of the General Board of Missions. The Conference Board of Missions endorses the plan that Mission work be conducted under the city Methodist Union. The City Methodist Union is a sublimation of all the best features of all the plans used heretofore in conducting the missionary and church extension work in our cities.

We wish to call especial attention to the literature of the Board of Missions. The Go Forward, is to have new features added the coming year. We must help in subscription list to 25000 next year.

We urge all who are interested in better equipment for service at home or abroad, or who wish to organize Mission Study Classes, to correspond with J. E. McCulloch or Ed F. Cook, Nashville, Tennessee.

Our Conference Board has aided fifty charges and one district the past year. Some charges have been developed into self-support, others have been continual. Our cities continue to present problems with which we are grappling to the best of our ability. We are glad to report the great work of our Conference Missionary Evangelist. He reports the conversion and reclamation of 1,200 souls, and that three hundred have joined the church.

Respectfully submitted for the Board,

N. H. WILLIAMS, Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY.

The Woman's Foreign Missionary Society of the Florida Conference has had a fairly good year. District Secretaries have been active, most of the societies have been steadfast, and several new ones have been organized, making 80 societies of Women and 50 of Young People and Children; with an enrollment of 3,124. Total contributions of money \$5,406.15.

The Conference Society has felt keenly the loss of Mrs. S. S. Harris, who gave up her place as Conference Secretary, to take work in China under the Woman's Board. We are grateful, however, for the honor of furnishing another missionary to the foreign field, Mrs. Harris being the seventh to go from Florida. Three of these, Miss Stewart, of Brazil; Miss Nichols, of Korea, and Mrs. Harris, of China, are supported by our Florida Conference Society. Our pledges outside of dues made to cover the salaries of these three, a small contri-

bution to Scarritt Bible and Training School, eight Bible Women and eight Scholarships.

The missionary spirit is growing among the women of our church. The United Study Course, planned by an interdenominational committee from Women's Boards just after the Ecumenical Conference of 1900, is being adopted gradually by our Florida Societies, and is doing much to broaden the outlook of our women and deepen their interest in Foreign Missions. Our young people are catching the spirit and offering themselves for service.

Conf. Cor Secretary, W. F. M. S.

WOMAN'S HOME MISSION SOCIETY, FLORIDA CONFERENCE.

To the Bishop and Brethren:—There are adult auxiliaries, 102; members of same, 1,980; Young People's and Children's Societies, 12; members, 310. Total members, 2,290. Subscribers to Our Homes, 510; visits to sick and strangers, 18,000; prayer meetings and Bible readings, 350; parsonages helped, 7; to the amount of \$850; sent to Conference Treasurer, \$5,483.15; local work \$2,624. 88. Very much local work is done that is not reported, and we feel that the whole church is the gainer in the fact that there are 520 pledged to tithing.

Our aim is a parsonage in every charge in the Conference.

Respectfully submitted,

MRS. W. F. ALEXANDER,
Corresponding Secretary.

REPORT OF THE BOARD OF TRUSTEES OF SOUTHERN COLLEGE.

Dear Bishop and Brethren:—We are glad to be able to report an improvement this year over any previous year in the school's history, except in the number of pupils in attendance.

Extensive and greatly needed repairs have been made in the girls' dormitory consisting in part of new sills, repairing the roof, replastering and kalsomining the walls and ceilings, repairing the windows, new bath tubs and toilet facilities, and a new cooking range in the kitchen, costing \$350. A new boiler has been purchased for the laundry, which is doing better work than ever before, and a wood saw has been set up which is operated with steam from the laundry, which largely reduces the expense of fuel for the entire establishment.

The boys' dormitory, which is under the supervision of Prof. V. V. Morgan, has also been renovated from first to third floors, and while it is not adequate to the needs, it has been made much more comfortable and homelike.

Other improvements have been introduced in making a garden, buying a large flock of chickens, a drove of hogs and two cows, which are fed largely an scraps coming from the college kitchen. This will help to reduce the expense of the boarding department and add to the comfort of the boarders, in supplying fresh vegetables.. The boarding department is under the management of a competent steward, and is giving so far, a very satisfactory service. The enrollment so far is 182 only, but they are nearly all boarding pupils, and are a choice lot of students, and there is a prospect for a considerable increase at the opening of the Spring term.

The religious state and condition of the student body and the faculty since the opening of the term, have been most excellent; one boy was gloriously converted at a prayermeeting in the boys' dormitory, and voluntarily witnessed to the fact at the next mid-week prayer meeting in the chapel, and the revival meeting is now in progress in which there are numerous manifestations of spiritual power, after the most approved scriptural pattern and forms of Methodist tradition and usage.

During the last session of this annual conference, Dr, Walker gave notice to the trustees that unless his health improved, he would be compelled to relinquish his position by the close of the Spring term, as President of the College, which he did by offering his resignation; which was accepted by the Board, May 20, 1908, to take effect the 10th of June following, or as near that date as possible.

Rev. J. P. Hillburn was elected to fill the vacant position and has entered upon the discharge of his duties with the same energy and fidelity that have characterized him in the other relations which he has sustained to this Conference, and it is his personal effort largely, that we are indebted for the extensive and much needed repairs mentioned in this report. You all know him, and he is here to speak for himself.

In view of the increased cost of living expense, and the
In view of the increased cost of living expenses, and the College work, the trustees found it necessary to increase the cost of board from \$50 to \$60 per term, and of tuition in the literary department 10%. In this way we are glad to report great improvement in the culinary service, and that we have

been able to make eminently satisfactory arrangement for increased efficiency in our college force. The salaries of several members of the faculty have been advanced, thus enabling us to maintain the highest standard in the curriculum. We commend them as a strong body, who are doing an increased amount of class recitation work, and are laying themselves out to build up the school.

The time has come, in the judgment of your trustees, when a movement should be made looking to a permanent endowment, and we recommend for your consideration the following plan: That the Board of Education be authorized to make an apportionment of the sum of \$110,000, in four annual installments, dividing the amount yearly in the different Districts according to the pro rata used in dividing the regular assessment for education. That the district stewards divide the amount so apportioned, as a special for SOUTHERN COLLEGE, among the various pastoral charges till the entire sum of \$110,000 be collected. Each charge to collect the sum so apportioned as the pastor and presiding elder may direct, and of the amount thus collected, \$10,000 be set apart for improvement and repairs. We hope this plan or a better one will meet with your endorsement. The reports of the various officers have been filed and audited, and are open for the inspection of the brethren.

TRUSTEES FLORIDA CONFERENCE COLLEGE.

The Board of Trustees of the Florida Conference College desire to report that in accordance with the authority given by the last Conference to this Board, efforts have been made to secure the sale of the college property held in Leesburg and parties have practically accepted the offer of the Board and it is expected that in a few days the sale will be made and in accordance with a previous resolution, the proceeds will be turned over to the Board of the Trustees of Southern College. In view of the progress being made by the Board in this matter, we would request that further time be granted in which to carry out the wishes of this body.

Respectfully submitted,

EDWARD F. LEY,

For the Board.

TEMPERANCE.

Brethren:—Few questions are more in the public mind

today than that of the prohibition of the liquor traffic. No longer is it merely a local question, but is rapidly monopolizing the attention of our States, and bids fair to play a conspicuous part in our National election.

We rejoice that business men are awakening to the fact that the licensed saloon is a hideous vampire lulling to sleep with the false promise of prosperity while it saps the arteries of legitimate commerce, that politicians are beginning to recognize that, with its big corrupting fund, the saloon is a serious menace to political purity; and that Jurists are discovering that according to principles of common law no state or nation has the legal right to license that which jeopardizes the public welfare.

But we must not forget that after all the question is a religious one, and that the burden of the fight is on the Church. It is Jesus against Barabbas. Christ against Belial. The Kingdom of Heaven against the "powers of darkness" The Church of God against the "Gates of Hell." We are devoutly thankful to the Great Head of the Church for the victories that have been won in the past year. Three states have swept the saloon entirely from their borders, numbers of counties have out-lawed it, and especially are we thankful that five more counties in our own beloved State have this year, taken their places in the "dry" ranks while the issue is being relentlessly pursued in three others.

But we must not under-estimate the strength of the enemy. Already he is marshaling his forces for a mighty attack along all lines. We call attention to the convention of liquor dealers held some days ago in which it was determined to raise the stupendous sum of \$33,000,000 for the purpose of fighting prohibition. To meet this great corrupting influence, the Church of God has the "Sword of the Spirit" and the promise of Christ that the "Gates of Hell" shall not prevail against it.

In view of the fact that the great final issue seems to be at hand, especially in the South, therefore be it

Resolved, First: That our preachers give special attention to this subject, not only preaching the evils of intemperance, but openly attacking the licensing of saloons, that they draw the lines closely in their congregations, teaching that the member of the Church who persistently advocates the licensed saloon and votes for it is not only disloyal to his Lord but is in open rebellion against his Church,

Resolved, Second: That our ministers in every county cooperate with the anti-saloon League in so organizing their respective counties that in the election of the next Legislature, Constitutional Prohibition shall be the predominant issue,

Resolved, Third: That we commend the work of the Anti-Saloon League in our State and pledge it our hearty support,

Resolved, Fourth: That our Secretary communicate with our U. S. Senators and Representatives, urging them, in to support the Hepburn-Doliver Bill now pending, which looks to the amendment of the Interstate Common Law so that each State may determine for itself whether or not intoxicating liquors may be shipped from outside territory into its borders. That they support the measure now pending for the prohibition of the liquor traffic in the District of Columbia and that they do all in their power to defeat the repeal of the army canteen law.

Respectfully,

J. B. MITCHELL, Chariman,
C. W. MATHESON, Secretary

AMERICAN BIBLE SOCIETY BOARD.

We would stir up your sincere mind by putting you in remembrance; that ye should remember the words spoken" by our Conference in its session only one year ago, when it adopted the report of this Board containing the following recommendation:

"We recommend that an amount equal to one per centum of the pastor's salary be considered the minimum which each should collect during the year for this important cause."

Had this been done during the present year, taking the total of salaries last year as a basis, the amount reported as collected this year would have been at least, \$785.40. Instead of this we have collected \$269.57, a decrease of \$16.43 from the amount collected last year.

Therefore we do not recommend any new resolutions, but earnestly call your attention once more to paragraph 134 of our book of Discipline which makes it obligatory upon every preacher in charge "to present once a year to each congregation in his charge the claims of the American Bible Society. We sincerely believe that if this were faithfully done our collections would be more than double what they are without

in any way, interfering with the other collections ordered by the Discipline.

Respectfully submitted,
JOSEPH NORWOOD, Chairman.

SABBATH OBSERVANCE.

The Sabbath was instituted by God at the close of His work of creation. In the 20th chapter of Exodus Moses, by divine authority, gave the fourth commandment, "Remember the Sabbath day to keep it holy." Notwithstanding the theory of many in regard to Christ's statement, the Sabbath was made for man and not man for the Sabbath, we cannot understand how "according to God's promises and threatenings" we can for a moment entertain the thought that in keeping a few hours occasionally we are in obedience to the divine will. We think God meant just what he said, "Keep the Sabbath day holy. We try to justify our actions on the plea, that changed conditions brought about by our present so-called higher civilization, make the violation of its sanctity a necessity and we are really to justify ourselves on that plea. We believe that the violation of the Sabbath will lead to the downfall of Christian civilization.

We would therefore recommend that we do all in our power to restore the sanctity of the Sabbath. To do this the work must begin in the home. We believe that nations, corporations and individuals should remember the Sabbath day to keep it holy. A day of meditation, prayer and praise, thus directing the mind to him who hath redeemed us from the curse of the law, that we might be the children of God.

Our general rule teach that we are prohibited the profaning of the Lord's day either by doing ordinary work therein, or by buying or selling. May God help us to do it that we may save ourselves from the curse pronounced against those who violate his Sabbath.

Christ said, "Seek first the Kingdom of God and his righteousness and all these things shall be added unto you." Life, health, peace, pleasure, honor. We therefore request our pastors to preach often upon this subject considering the maintaining the sanctity of Sabbath absolutely essential to the safety of all we hold dear in this life.

Respectfully,
T. S. ARMISTEAD,
For Committee.

BOARD OF CHURCH EXTENSION, NO. ONE.

Whereas The Loan Fund of the Board of Church Extension is a most important factor in its work, and so necessary to the enlargement of our building enterprises; and

Whereas, The Florida Conference has done but little to enlarge this fund so vital to our interests;

Therefore, Resolved, That this Board ask the Florida Conference to accept an assessment on each presiding elders' district, an amount of \$100,00 at least over and above the regular assessment, for such a number of years as will provide as a fund of at least \$5,000.

Resolved also, That this Loan Fund be named the John C. Ley Loan Fund of the Florida Conference, as a memorial to one of our pioneers, who did so much to establish Methodism in our fair state.

JOINT BOARD OF FINANCE—REPORT NO. 1.

Florida Annual Conference, Methodist Episcopal Church, South:

Dear Brethren—Your Joint Board of Finance beg to submit the following report:

First—We find 48 claimants on our list for the past year, to which number seven have been added, and three have been discontinued, making 52 for the ensuing year.

Second—On account of the addition to the list of claimants, we find it necessary to add \$1,000 to the assessment for the coming year, making it \$6,500.

Third—We thank the pastors and churches for their faithfulness in collecting the Conference Claimants' Fund. All the districts except one have paid the assessment in full or over. The Tampa District has a deficit of \$79.00.

Fourth—We call the attention of pastors to the law of the Church requiring an annual collection for the Superannuate Endowment Fund. We have requested the Chairman of this Board to appoint a preacher in each District as soon as possible to present this matter at the District Conferences and help in taking collections whenever it is practicable.

T. J. NIXON, Chairman.

BOARD OF CHURCH EXTENSION—NO. 2.

Dear Fathers and Brethren:

We come to you with our annual report with glad and grateful hearts, because of the wonderful blessings that God has bestowed upon us in the past twenty-five years of the existence of the Board of Church Extension.

In this time the Board has disbursed no less than \$2,116,800.91 in grants to Churches. This amount includes the whole connection. The number of Churches aided in this period by both the General and Conference Boards is 3,637, and of this number 1,005 have received aid from both Boards.

Last year we reported an excess, but when the money came into the hands of the Treasurer, we found that instead of an excess there was a deficit.

This year the assessment was increased 25%, which amounted to \$2,562. Of this amount there has been reported paid \$2,317.05, which leaves a deficit of \$258.70.

We had eight applications before us for aid, and disposed of them as follows:

TREASURER BOARD OF EDUCATION.

Since Conference I have received of Rev. E. F. Ley, Treasurer, \$3,148.62 for the State Board of Education 272.00 for General Board of Education, making \$3,420.62 received for both Boards. Paid out to Rev. J. P. Hilburn for the State Board of Education \$3,148.62, and to Dr. J. D. Hammond paid out. This is every cent received last year from the collection for education in our Conference.

We have on hand in the General Fund, carried over from last year, \$101.29, and in the Loan Fund \$2,089.32. Since Conference I received \$10.00 from Brother J. F. Bell, which makes \$2,089.32 at present on hand in the Loan Fund, which is bearing 4 per cent. interest in the Jefferson County State Bank.

In looking over the notes due the Loan Fund I think that our Board should be a little more careful to whom they loan this sacred fund.

Respectfully,

SMITH HARDIN,

Treasurer Florida Conference Board of Education.
Monticello, Fla.

MEMOIRS.

Rev. John C. Ley was born in Burke County, Georgia, December 20, 1822; "was born again" August 25, 1837; was licensed to preach December 16, 1843, in his twenty-first year. He was admitted on trial by the Georgia Conference in January, 1845, and was transferred to the Florida Conference the same year. The holy hands of the Apostolic Bishop Capers were laid upon his head after he had assumed the solemn vows, setting him apart for the work and office of deacon and elder in the Church of God. He was happily married in July, 1855, to Miss Martha C. Pottle, of St. Marys, Georgia, who survives him.

Brother Ley was an active and useful member of the Florida Conference for more than fifty years, serving faithfully, circuits, stations and districts, filling with great acceptability some of the most important appointments. One who knew him well, has written the following just tribute. He was a preacher of unusual ability, a diligent student, an able theologian, and a guileless Christian minister and friend, admired, he went in and out as a Christian minister and friend, admired, revered and loved him. As a presiding elder, he magnified his office and was loved and honored by his preachers and people. Simplicity, sincerity and gentleness were among the leading traits of his character.

"He was a good man and full of the Holy Ghost and of faith, and much people was added unto the Lord. He did the work of an evangelist and gave full proof of his ministry, in the pioneer days, that tried the souls of men. Before the days of steam and electric railways and of other conveniences and comforts, while the red men were here, hostile to the whites, he went forward in his great and self-sacrificing labors, in painfulness and weariness, saying with St. Paul, "None of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy and the ministry which I have received of the Lord Jesus Christ to testify the gospel of the grace of God." His successors in the ministry are entering into his labors while the whole state is a beneficiary of his life and toils. The world's and Church's richest asset is not in

towering mountains and beautiful valleys, not in the wealth of mines and fields and forests, not in literature and art and science, not in steamships and railroads and cities, but in the apostolic lives and labors, of holy men and the purity and gentleness of holy women. Brother Ley made a large contribution to the weal of the world. "He served his own generation by the will of God."

He has left the impress of a large and generous character upon many who live today. The good that he did has not been interred with his bones. The spiritual forces projected by him upon the lives of many are imperishable. The immortality of his holy life is secure. Though no monument of marble or brass marks, as yet, the spot where his sacred ashes rest, his memory is enshrined in the hearts of his brethren and friends. We shall not forget him nor cease to feel the helpful forces and influences of his character. It was in his home, however, that his virtues shown most brightly and his best work was done. It would have been pathetic indeed if he had failed there. His son, Rev. John B. Ley, says: "The words 'my father' fill the periphery of my little world. When a little boy of six years, I stood in the garden with him, helping to plant seeds. I looked up into his face while faith prompted the question, 'Papa, ain't you the biggest man in the world?' I thought he was. He never grew less. I measured him by every man I ever knew. Love saw him stand well the test and love was not wholly blind. He was a large man intellectually. He did not know everything but he knew many things, and he knew some things thoroughly. He knew history and poetry. Milton, Byron, Shakespeare and latterly Tennyson were familiar to him. But he knew something of more value. If his intellectual perceptions were clear, his moral perceptions were cloudless, "Homo unius libre" was a familiar quotation with him, and he was indeed a man of one book. An omniverous reader, possessed of a retentive memory, he read many authors, but invariably squared conclusions and theories by the Word. He knew his Bible. It was the man of his counsel. He was a concordance of Bible texts and an encyclopedia of Bible truth. On an average of once a month, for years before his death, he read his Bible through, not as a fetish, but as an act of intelligent appreciation. Notes in his own hand only a few weeks before his death indicate his patient re-search. He was always rewarded by finding new depths of meaning and new heights of anticipation and new revelations of divine glory. My father filled my

little childhood world with love; he has filled my manhood with much of its lofty purpose and of reverence for holy things. His faith has inspired my own. His confidence in men has held mine, when it was rudely shocked by misplaced friendship. His heroic self-forgetfulness has shamed me into silence when speech would have sounded self-laudatory. He was brave without boasting, gentle without effeminacy, firm without hardness, a precious father, a devoted husband and a faithful friend. We know where to find him and follow on.

Rev. Edward F. Ley, another son, who labors with us in the gospel says: When the call of God to preach became so insistent, that I felt it impossible to resist it any longer, I took my father into my confidence and the obstacles that appeared in surmountable were entirely removed when he said, "If the call be of God, which I do not doubt, some way will be opened, my dear boy, for you as it has been opened for me through many years. It was not the words but the strong faith and unselfish devotion that prompted them that brought comfort and assurance. A closer companionship followed as the years passed on until he was translated a few months ago, and even now I can almost feel his presence and his hands in holy benediction resting on me. There were no favorites in the home, but all shared alike in his love and solitude. I can now get inspiration by looking back to the Christian home of my childhood, and by looking forward to our future home which by faith, I can see will be unbroken. His gentle and loving companion of many years, writes, my dear husband lived in reference to the reward that "awaited him in the skies"—to him to live was Christ and to die was gain.

One morning, about daybreak, as I sat alone with him, he said: "glory to God," and afterward when far down the valley of the shadow of death, he repeated the hymn.

"Asleep in Jesus, blessed sleep,

From which none ever awake to weep;

A calm and undisturbed repose

Unbroken by the last of foes."

He lived well and died as he lived. It is with sadness that we give up our father in the ministry. We would have retained him longer. We stand in awe, in the presence of his ascending chariot, and cry, "My father! My father! the chariot of Israel and the horsemen thereof." God help us to take of his mantle and do the work of our ascended Elijah.

B. K. THROWER.

REV. JAMES P. DePASS.

James Perryman DePass was born of pious parents in Camden, S. C., April 26, 1839; and died in Miami, Fla., July 29, 1907.

He was converted in early life; licensed to preach in 1860; in December of the same year he was admitted on trial into the South Carolina Conference and appointed as junior preacher on Union Circuit. During this year he enlisted as a private in the Confederate Army, and as such served until appointed chaplain in the Sixteenth South Carolina Volunteers.

In 1862 he was admitted into full connection and ordained Deacon by Bishop Early. Continuing in the army, he located in 1836, but was re-admitted in 1865. December, 1866, he was ordained elder by Bishop Wightman; transferred to Florida, and appointed to Lake City for 1867 and 1868. On December 2, 1866, he married Miss Anna M. Gunnels, whose faithful co-operation and loving sympathy blest and cheered his itinerant life and made for him and their children a happy home. His third year in Florida was on the Columbia Circuit, and at its close he was appointed for three years as Presiding Elder on the Jacksonville District. In 1873 and 1874 he was again pastor at Lake City. In 1875 and 1876 he served Monticello, from whence he was appointed to Live Oak District, which he served during 1877, 1878 and 1879; then on Gainesville District during 1880 and 1881. In 1882 he was pastor at Gainesville; and 1883, 1884 and 1885 on the Bronson and Cedar Key charge. In 1886, he became the first editor of the Florida Christian Advocate, and served in this capacity for four years. From 1890 to 1893 he was director of the Government Agricultural Experiment Station at Lake City, but during these years served as pastor of adjacent charges. In 1894 he was pastor at Leesburg; in 1895 to 1897 on the Bronson Circuit; and 1898 and 1899 at first charge, Key West. Here he went through an epidemic of yellow fever, losing his colleague and friend, W. S. Richardson, and himself taking the fever. In 1900 and 1901 he was pastor at Live Oak; in 1902 at Quincy; in 1903 and 1904 in Jasper; and in 1905 and 1906 at Arcadia. During the latter year, he became deeply interested in the question of an Orphan Home for the Florida Conference, and at the Palatka Conference, December, 1906, was appointed agent to collect funds for its establishment. With his usual energy he took up this important work. After having visited several points, he started for Key West; and while in the station at Miami, wait-

ing for a train, he was stricken with something like apoplexy; became unconscious, was taken to the home of his friend, Dr. J. M. Jackson, Jr., and there, away from home and loved ones, passed away from active service to heavenly rest and reward.

Our brother was a man of magnificent physical powers, commanding presence, ardent temperament, strong will, keen perceptions and possessing many qualities as a leader. He was a forceful and often eloquent preacher, a ready debater, and an untiring worker in the Master's service. While his pronounced opinions and aggressive disposition made for him some opponents and created some antagonism, his loyalty to the Church, his love to the brethren, his sympathy for the weak and his genial good nature won for him many friends. Prompt to combat opinions and measures he did not concur in, he was magnanimous in victory, cheerful in defeat, and too broad minded and big-hearted to carry a grudge. He was a "man among men," and had many friends among the laymen of the Church. In many homes where he was guest, he is remembered and loved for his sunny disposition and hearty sympathy.

Brother DePass served the Church in Florida in years when charges were weak and salaries small; but uncomplainingly and cheerfully he toiled on, sparing not himself, nor shrinking from any duty; and this was no small factor in laying the foundations on which others have builded, and sowing seed for harvests which others are reaping. As he grew older he realized the fact that he was "settling down in the ranks" where before he had been a leader; and yet he lost not courage nor cheerfulness, nor willingness to labor; nor did he fail to command a hearing or carry an influence where important interests of the Church were at stake.

Those loved him who knew him best.

To his home he gave the wealth of a strong and tender heart; to his friends a confidence and love that was unstinted; to his Church a service that was hearty and loyal. We shall miss him from our annual gatherings—his manly form, cheerful countenance, flashing eye, ringing laugh, and hearty grasp. We shall remember and honor him for what he bore and wrought for Florida Methodism. We shall love him for what he was that was good, noble and loving. We shall hope to meet him among those who earnestly served our Lord here and shall reign with Him hereafter.

HENRY E. PARTRIDGE.

Mary Lersen, beloved wife of Rev. W. H. Funk, was born in Mansfield, Richland county, Ohio, March 15, 1864; was happily married on June 1, 1892, to W. H. Funk and moved with her husband to Orange county, Fla., in 1896. Brother Funk joined the Florida Conference in December, 1901, and from that time Sister Funk was an ideal itinerant preacher's wife, until her death, which occurred in Madison, Fla., May 14, 1907. She was ready for the call of the Master, and quietly her spirit entered into rest. Her residence in Madison was short, but sufficiently long to endear her to the hearts of all with whom she met. In conversation, she was always inspiring, her one idea being to spiritualize the homeliest occupation. Her sympathetic disposition made it easy for those in trouble or sorrow to open their hearts to her.

She was cultured, intellectual, and had a gift of voice which in harmony with her purpose in life, rendered her a successful winner of souls. She was a devoted wife and mother, performing her duties in the home with Christian love and integrity.

Her body was laid to rest May 15, 1907, in the cemetery at Madison, Fla. She leaves her husband and four little children to mourn her loss. May the God of all grace sustain them.

MEMOIRS

REV. T. W. MOORE.

By Henry E. Partridge.

Theophilus Wilson Moore was born at Mt. Tirzah, N. C., May 3, 1832; was converted when a child of six years; joined the Methodist Church; entered the itinerancy in the North Carolina Conference in 1854; was transferred for a few years for missionary work on the Pacific Coast, back to his home Conference, then to Florida in 1867; and after an honored and useful life of more than fifty years in the Christian ministry, entered his heavenly rest in Miami, Fla., Dec. 30, 1907.

Under the influences of an ancestry sprung from noble blood, the care and prayers of pious parentage, the training of Christian culture, the comradeship of Godly men, and the power of Divine grace, the many admirable traits that were his by nature were developed into a strong, tender and beautiful character and a life conspicuous for its purity, earnestness and devotion to duty and its loyalty to all that is right and good.

He loved books; he loved nature; he loved men; he loved God. He had an enquiring mind, a tender heart, a lofty ideal of life and an unfaltering loyalty to right, As a student he was patient and thorough in his search after truth; as a writer, clear and forceful; as a preacher, instructive and helpful; as a pastor, faithful, painstaking and sympathetic; as a man, modest, manly and courageous; as a Christian, consistent and pious. Never pressing himself forward, but rather retiring from than coveting honors, he was honored by his brethren and his church, respected by all, and beloved by those capable of loving what is pure, good and true.

The degree of Doctor of Divinity was worthily conferred upon him by Emory College in 1885. He was called upon to represent his Conference in the General Conference of the Church. For five years he was President of the Conference College. He served as army chaplain during the war between the States. He filled important districts and stations with marked faithfulness, acceptability and success. He loved his brethren, yet was true enough to them and his convictions of right to take stand always against what he conceived to be wrong.

He led a blameless life among us, and dying, left a name and an influence like precious ointment poured forth. We account ourselves blessed in his sweet fellowship, brotherly trust and Christian sympathy and love. The faithful wife of his earlier life and ministry, who so patiently, lovingly and loyally shared his burdens, joys and sorrows, passed to her heavenly home and crown in 1890. The sorrowing one, who linked her fortunes and her love to his in later life, and blessed him with her devotion and trust, is still among us.

The weary soldier, with battle-dented armor, stepped aside at our last gathering, to rest awhile; but waited not long till the voice of the Great Captain called him to a higher and more perfect ministry and glory. Like a former devoted friend and fellow-

laborer, just a year before, and in the same town, he passed from our midst and ranks to join the General Assembly and church of the first born in Heaven.

REV. JOSEPH NORWOOD.

Rev. Joseph Norwood was born in Lee County, Mississippi, near Verona, October 5th, 1851, and died of appoplexy in West Tampa, Fla., January 3rd, 1908. He was converted early in life, and was educated in the common schools and Southern University, Greensboro, Alabama. He was licensed to preach at home, and joined the Texas Conference in 1877, and was immediately transferred to the West Texas Conference, and appointed to the Mexican Mission work, serving on the lower Rio Grande. He was happily married at the close of his first year, October 10th, 1878, to Miss Alma Penn, who through the long toilsome years of his Missionary career, though in delicate health, stood by him nobly, counting all things but dross that she might advance her Redeemer's Kingdom. Bro. Norwood gave full proof of his call to the Missionary work by labors abundant, on the Mexican border and in Mexico as pastor, teacher, editor and Presiding Elder for thirteen years. In the year 1890 he was appointed by the American Bible Society, after the death of Rev. William M. Patterson, its agent to Venezuela and Solombia, South America. For ten years in the midst of physical suffering, in broken health by malarial attacks, and dyspepsia, he traveled and preached and distributed the Bible, the leaves of the tree of life which are for the healing of Nations. Exposed to many dangers and persecutions, his very life many times in danger at the hands of religious fanatics, through wars and revolutions he was able to say none of these things move me. When he came to our Cuban work a few years ago, with his intellectual culture, extensive experience, perfect mastery of the Spanish tongue, deep piety and passion for souls. We all hoped for many years of splendid service and results, but just at the time when prospects seemed brightest, his position as teacher, giving him better access to the children and homes of his people, he was cut down. The good results of his labors, however, in Ybor City and West Tampa abide. Many strong traits adorned the character of our brother. He had the gentleness and tenderness of a woman and at the same time indomitable will power and courage of a hero. Children and the poor loved him; at his funeral while their tears fell, they sorrowed most of all that they should see his face no more. He was a strong and attractive preacher, acceptable in any pulpit of the land. Our brother is survived by his wife and one son and four little foster children, two boys and two girls whom he brought from Columbia, South America. It was his purpose to educate them for mission work in their far away Southern home. Two of them are in college. Segundo, the eldest, is at Southern College. It is the desire of Sister Norwood to carry out the purpose of her husband, so that during the years to come he may have representatives in the land of the Southern Cross, to which he gave the best years of his life.

"The memory of the just smells sweet and blossoms in the dust."

B. K. THROWER.

REV. JOHN S. CRANDELL.

Rev. John S. Crandell was born in Larue County, Kentucky, January 26, 1849.

Was converted and joined the M. E. Church, South, under the ministry of the Rev. M. M. Hunter, of the Louisville Conference, November 6th, 1880.

Was married to Helen Davis Eubank, September 15th, 1881. To this union four children were born, two girls and two boys.

The two girls died in infancy. Two boys, John B., and Lawrence H., are still living.

On November 6th, 1880, he was licensed to preach, by Rev. G. H. Hays, D. D., and the following year traveled as a supply on Peytonsburg Mission, Cumberland County, Kentucky. October 13th, 1881, he was admitted on trial into the Louisville Conference, and was appointed to the Mayne Circuit, Wayne County, Kentucky, which charge he served two years. Was ordained deacon by Bishop Hendrix at Russellville, Ky., September 26th, 1886, and elder at Morganfield, Ky., by Bishop Keener, September 9th, 1889. He served the following charges in the Louisville Conference.

Wayne Circuit, two years; Sharon Grove, three years; Owensboro, two years; Livermore, 2 years; Calhoun, two years; Hebbardsville, one year; Gradyville, one year; Causville, two years; Columbia, one year. He served three years in the St. Louis Conference.

From the St. Louis Conference he transferred to the Florida Conference, where he served eight years, on the following charges: Umatilla, two years; Wildwood, one year; Clearwater, one year; Mayo, one year; Apalachicola, two years; Ft. White, one year.

At Conference in session at Tampa in December, 1907, he was assigned to the Bronson charge, and had just taken hold of the work and attempted to preach once (at Bronson), when he was called by the Master to a higher service. His death occurred at Cedar Key, Friday, 1:30 P. M., January 31st, 1908, after a short illness.

Brother Crandell had only the training gained in our public schools, but by hard study and close application he became an acceptable preacher.

He was self-poised, well informed, had a good voice, under fine control. He was a man of strong common sense. Was genial and sympathetic, which contributed to his success in his pastoral work. His sermons were helpful. He was successful in revivals, but his greatest success was in his pastoral work. He was faithful to the trust, no matter what the charge to which he was assigned.

His faith in Christ was strong, and brought to him sweet peace, and enabled him to so serve his Master here, as to insure him a cultured condition for the higher service to which he was called. He leaves a widow and two sons to mourn their loss of a good, kind and affectionate husband and father. He was laid to rest in the beautiful cemetery at Lake City, to await the resurrection.

R. M. WILLIAMS.

REV. EDWARD WILSON.

We regret that the information we have concerning our dear brother Edward Wilson is very meagre. He was readmitted into the Florida Conference about twelve years ago after having been out of the active work for some time on account of ill-health, but his health was still feeble and his advancing age made it necessary for him about ten years ago to take a superannuated relation, and after many years of suffering God released him.

He might say with Job: "Wearisome nights are appointed unto me," and his days were often full of pain, but he was always bright and cheerful and those of us who knew him remember his sunny face and happy smile. Many years have passed since he met with us in our annual sessions, we have missed him, but we shall see him again and "In the Sweet Bye and Bye, we shall meet on that beautiful shore."

REV. E. J. HOLMES.

Rev. Emory J. Holmes was born in the State of Connecticut, January 10, 1840, and passed away September 3, 1908, at Pidcock, Georgia. Brother Holmes embraced religion while a young man and began thus early to prepare for the work of the Christian ministry, teaching school that he might secure the necessary funds for his intel-

lectual equipment as a minister in the Church of God.

He exercised his talents and gifts as a local minister for eight years, and, in his thirty-eighth year, became a member of the Florida Conference, wherein he served circuits and districts until throat disease forced him to desist.

Brother Holmes was an earnest and effective speaker, careful preparation was his habit, and when he appeared in the pulpit the people knew he had a message from God for them. His style was plain and direct, and many were caused to thank God for the earnest and direct efforts he made to help and bless men. He was a good man, and did much good, and his brethren and neighbors cherish the memory of his life and labors as a precious legacy.

Sick and suffering for thirteen months with rheumatism, he often expressed a desire to depart and be with Christ, and when the moment of release came, he gathered up his feet in death and departed to be forever with the Lord..

REV. ENOCH H. GILES.

Enoch H. Giles was born in Chester County, South Carolina, July 5th, 1836, and died in Arcadia, Florida, October 24th, 1908.

He was a Christian from his earliest childhood, he himself having often said that the first thing he remembered was praying.

At the age of ten he moved with his parents to Florida, where he spent the remainder of his life.

In 1858, at the age of twenty-two, he was called to preach and was admitted on trial at the following session of the Annual Conference, which met in Jacksonville, December 15th. Bishop J. Andrews presiding. That year he was sent to Nassau Mission, possibly the hardest work of the Conference at the time. The following year he served as junior preacher under J. C. Ley on the Micanopy Circuit.

The years 1861 and 1862 were spent serving the Hillsboro Circuit. From Hillsboro Circuit he went in 1863 to Santa Fe, Miss. During the year 1864 and part of '65 he was Chaplain of the Confederate Army, going out with the Florida troops, but in the fall of 65, the war being over, he came back and resumed his labors in the Conference. The years 1866 and 67 were spent on the Brooksville Circuit. It was while here that he was married to Miss Trentham, who lived but a few years, dying in 1870, and leaving him one child. From Brooksville Circuit he went to Crawfordville Circuit, which he faithfully served for two years, 1868 and 69. From 1869 to 1871 he served Brooksville Charge. The years 1872 and 73 were spent as Presiding Elder of Tampa District. In the latter part of the year 1873 he was married, for the second time, to Melvida Wells, who survives him, having labored faithfully at his side for more than thirty-five years, from this union there are three living children.

During the years 1874 and 75 he served the Alafia Circuit and from there he went to Bartow Circuit, serving it two years, 1876 and 1877.

At the Conference in January, 1877, he located and remained in local ranks for four years, but in the Fall of 1881 he was re-admitted, and was appointed to Leesburg Circuit, serving it during the years 1884 and 1885. The four years between 1885 and 1889 were spent on Melrose Circuit and from 1889 to 1892 he served Clearwater Circuit. 1893 and 1894 were spent at Apopka, from Apopka he was appointed to Oviedo, serving it for three years. He went from Oviedo to Punta Gorda, where he labored during the years 1898 and 1899. From Punta Gorda he went to Starke for the year 1900 and 1901. His last appointment as a travelling preacher was Bloomingdale, which he served during the year 1902.

In the Fall of 1902 he superannuated, and for one year lived in Orlando, after

which he moved to Arcadia, where he continued to live until the 24th of October when after a short illness, in which he suffered little, he peacefully fell asleep.

Bro. Giles' life was a long and useful one, who can estimate the value of his contribution to mankind, eternity alone can reveal it. A man of a bright warm hearted nature, he won people to him by his open friendliness and kind sympathy and impressed all with the guilelessness of his heart and the simplicity of his faith.

One of the best tributes that could be paid to a man was paid him by one of his children in talking to the writer. She said, "We all had unbounded confidence in my father's religion." Indeed in every hour of trouble or sickness the children sought father's prayers, for they felt that he was intimate with God.

It was the writer's pleasure to have Bro. Giles in his charge for months at a time, and while he has talked with him by the hour, no harsh words of criticism of his brethren did he ever hear come from his lips. No discontent or sourness was ever manifest, but he had ever the attitude of one who had "fought a good fight" and was but waiting for the crown.

As we came together in the church for the last tribute of respect and love, the writer was impressed to speak from the words "He that believeth in Me though he were dead yet shall he live," for he felt that the power and influence of such a life could not die. And upon that beautiful Sabbath afternoon as we laid his body to rest we knew that the soul of our brother already raised from the death of sin, had but entered upon its real life.

J. B. MITCHELL.

REV. CHARLES D. WARD.

Rev. Charles Davis Ward was born January 26th, 1860, three miles from Beach Grove, McLean County, Kentucky. He was the son of R. M. and Elizabeth Ward, who were members of the Methodist Episcopal Church, South, and the grandson of Rev. James Ward, one of the pioneer Methodist preachers of Kentucky. His early training was of the best. He was baptized by Rev. J. S. McDaniel, 1868. He was converted under the ministry of Rev. M. M. Hunter and received by him into the Church at Beach Grove, Kentucky, in 1873. He was called to the ministry when about nine years of age. He resisted this call nearly nineteen years. In 1889 he was wonderfully blessed in a meeting held by Rev. E. E. Joiner, now a missionary in Brazil. He was licensed to preach at McIn's Chapel, Beach Grove Circuit, by Rev. H. M. Ford, D. D. Admitted on trial at Morganfield, Ky., September, 1889. Received into full connection and ordained deacon by Bishop A. W. Wilson at Cadiz, Ky., September, 1891. Ordained Elder by Bishop C. B. Galloway at Elkton, Ky., September, 1893. Transferred to the Florida Conference 1893. Served Taylor Mission, Lake Worth Mission and Clermont Circuit. At the end of that year he returned to the Louisville Conference. He married Miss Adelia B. Cherry September 27th, 1897. He was received by transfer from the Oklahoma Conference by the Florida Conference held at Palatka, Fla., December 12th-17th, 1906, and sent to the Delray Charge 1907. Rev. Frank M. Thomas, in a letter to me, said of him: He was a splendid, true man, and did effectual work until his health gave way some years ago. Rev. S. W. Lawler, who was his presiding elder, said of him: He was a good man, deeply pious, a good preacher and was succeeding well on his work. He was superannuated by the Conference held at Tampa, Fla., December 12-16, 1907. Sister Ward, in writing of him, said: "Being in poor health, he was not prepared to stand the shock when our little girl Mary Elizabeth died. This shock so crushed him that his health failed rapidly and five months later, the middle of April, 1907, he was confined to his bed and was never able to be up again. Through all this time he grieved for the beautiful young life so soon closed. About ten days

before his death he had an experience that was in every way satisfactory to him, and he became reconciled and could say, **It is all right.** He was happy in anticipation of the great changes. As Charles Wesley sang so could he,

We for His sake count all things loss;
On earthly good look down;
And joyfully sustain the cross,
Till we receive the crown.
"Longing to see the happy coast,
And mark the heavenly land.

He regretted that he could not say good-bye to his aged mother so far away. When his suffering was most intense he would often say, For our light affliction which is but for a moment worketh for us a far more exceeding and eternal weight of glory.

On the morning of February 7th, 1908, he was in great agony for an hour, then looking up as though his expression changed from that of suffering to that of joy. Then he closed his eyes and was gone.

The mortal affliction is past,
And he is gone to be
Forever with the Lord!
Amen, so let it be
Life from the dead is in that word,
'Tis immortality.

MEMOIR OF MRS. AMANDA A. BARNETT.

Mrs. Amanda A. Barnett was born in Jefferson county, Florida, in 1834, and died in the home of her daughter, Mrs. Crane, in Quincy, Fla., December 29th, 1907.

She was married to James S. Barnett when she was fifteen years of age. This union proved to be a happy one, consecrating their lives and their children to God, they found His grace sufficient for them under the heavy burdens of rearing a large family.

Entering the itinerant ranks with her husband in middle life when most of their children were still dependent upon them, they were sent to some very hard and financially weak charges, but by good management and close economy, they served them cheerfully and in such a loving, happy way as to make a host of loving, devoted friends wherever they lived.

One rather sadly interesting fact in her life was that she had three sons, all of whom lived to be thirty-six years of age, but neither of them reaching his thirty-seventh year.

Her third son, Rev. Andrew A. Barnett, of the Florida Conference, whose last charge served was the Live Oak District, and who died the week after being appointed to Apalachicola Station, was a strong, effective preacher, and a very saintly, Christian man.

She was very fond of reading good books, devoted to the Church, and a true helpmeet to her husband. One of her daughters, Mrs. Tedder, and her devoted husband, Rev. J. S. Barnett, preceded her but a short time to the spirit world.

She leaves several daughters and many grandchildren, with a host of relatives and friends to mourn their loss, but with gratitude that they mourn not as those who have no hope.

Her life was that of a hopeful, happy Christian. Blessed must be the realization

of that hope which sustained her amidst the self-denials and cross-bearings of her earthly pilgrimage. Her loved ones know where to find her and may well follow her as she followed Christ.

MRS. CHARLOTTE R. NORTON.

Mrs. Charlotte R. Norton, nee Kennedy, was born at Rochelle, Fla., January 15, 1877, and died at Apalachicola, Fla., July 21, 1908. She was happily married to Rev. M. H. Norton, of the Florida Conference, June 25, 1902, and for a little more than six years her life in the parsonage was an inspiration to her husband and a blessing to the people of his charge. Sister Norton was born and trained up in a Christian home and gave her heart to Christ when a child. She grew in the grace and knowledge of Christ until she became a woman of most lovely Christian character, beautiful in her love for the Master and in her service for the Church. She was an ideal pastor's wife and the people loved her everywhere she went.

The unselfish interest manifested in others made her life attractive to all classes. She was a woman of superior intellectual endowment and took great delight in the work of the Church.

It was a sad shock to her loved ones and friends, when this noble young woman was suddenly snatched away by death, but we trust in God who maketh "all things work together for good to them that love him."

The Church, as well as the bereaved family have suffered a great loss in the death of one so helpful to her husband in the work of the ministry. A consecrated worker, a shining light, has been called to the home above, but the gentle influence of her beautiful Christian life will continue to bless the world.

T. J. NIXON.

MRS. A. A. ROBINSON.

Lucy B. Daniels was born in Americus, Ga., in 1845, came to Florida in 1874, was married to Rev. A. A. Robinson in 1887; died at Manatee, Florida, June 14th, 1908. Mrs. Robinson was an invalid for years, much of her life was one of suffering and pain. All who knew her were impressed with her spirit of gentleness and benevolence. She was ready at all times to extend a helping hand to those in need or distress. She was a good wife, a kind neighbor, and was possessed of every grace that education and a long life of culture could bestow. Her last days were spent in retirement on account of physical suffering. In her last illness she gave testimony to the power of God to save from sin. Mrs. Robinson was for years a member of the W. H. M. S. at Manatee.

REPORTS

REPORTS OF BOARD OF MISSIONS.

REPORT NO. 1.

We, the Board of Missions, beg leave to nominate Rev. W. A. Myres for the approval of the Conference and to the Bishop for appointment for the office of Conference Missionary Evangelist at a salary and traveling expenses of \$1,500.00, to be raised for the evangelist. We propose the name of Rev. N. H. Williams as Conference Missionary Secretary.

REPORT NO. 2.

The Board of Missions of the Florida Conference beg leave to submit the following report:

In view of all the facts presented in open Conference and to the Board of Missions, indicating the need of immediate and special effort in the city of West Tampa, Fla., we request this Conference to endorse the raising of five thousand dollars toward the establishment of a suitable mission plant in West Tampa, Florida. We request the General Board of Missions join us with a like sum. To secure this amount we suggest that the Woman's Home Mission Society, the Sunday Schools, the Epworth Leagues and the Layman's Missionary Conference unite their efforts.

H. DUTILL, President.

N. H. WILLIAMS, Secretary.

REPORT NO. 3.

In making our report we wish to thank God first of all for his abiding presence with us during the year that is past. Under the Holy Ghost our Church is becoming more and more alive to the great cause of Missions. By means of missionary literature, mission study classes and missionary institutes, we are receiving more missionary information. The fruit of this information is increased activity and zeal.

An epoch was marked in the history of our Church last April when there was held in the city of Chattanooga, Tennessee, the Layman's Missionary Conference, which, judged by any standard, was one of the greatest religious gatherings the world has ever known. Its force is not to be dissipated but conserved and developed until the men of every congregation in our Church shall be shot through with a burning desire to save a lost world. The presence and speeches of Judge W. B. Stubbs, General Secretary of the Layman's Missionary Movement has been an inspiration to us all.

The advance along all lines, both at home and abroad, has been very gratifying. The most significant fact in the work of Methodist Missions in the East is the union of the forces of the three leading Methodisms of Japan, upon a basis of union prepared by the Commissioners duly appointed to perform this work.

The finances of the Church at large have shown increase, notwithstanding the year of money stringency through which we have just passed. The home Church received last year a total from all sources of \$540,523.00, an increase of \$21,307.00. To this we may add the \$226,192.00 received by the Woman's Board, giving a sum total of \$766,716.42 for Foreign Missions, which lacks only \$234,000.00 of making one million dollars for Missions. The Layman's Missionary Movement has challenged the whole

Church to raise next year one million dollars for Missions. This is a challenge from the pew; it will not go unheeded, but arrangements will be perfected whereby this challenge will be accepted.

The Educational Department of the Board of Missions under Rev. Ed. F. Cook, has increased its volume of business nearly fourfold. As this work is pursued, the results will be more and more evident. The Educational Department is the power house for all our missionary machinery.

A great advance has been made in the Home Mission Department, by the establishment of a Joint Commission, representing the Board of Missions, Church Extension and the Woman's Home Mission Society, to adopt and carry forward, with the approval of the three Boards, the work in our Gulf cities, among our French and Italian population, among the miners and mountain whites, and along our frontiers.

We wish to urge all our brethren to see to it that our people are supplied with our missionary literature. We commend especially "Go Forward" to all our people as worthy of their patronage. We urge all who are interested in the better equipment of our missionaries to consider the needs of our Training School at Nashville, Tenn. Also that Mission Study Classes be organized wherever possible.

Our Board feels that we are now entering a new era of advancement. We have taken up with determination, the work in our waste places, on our East Coast, the foreign population in Tampa and Tarpon Springs, and the more adequate caring for of the unchurched in the city of Jacksonville. We are sure of the cooperation of the Conference, as it has always been so cheerfully given.

We have aided this year forty-five charges and one district. Some charges have developed into self-support, and others have been continued. Some have been discontinued. Our city problems are becoming more complicated, but we are trying to solve them as best we can.

Our Conference Missionary Evangelist has had a busy year. He reports many conversions and additions to the Church. We have been especially favored by the presence and speeches of Dr. Jno. R. Nelson. His advice and service have been very profitable.

H. DUTILL, President.

N. H. WILLIAMS, Secretary.

REPORT OF BOARD OF CHURCH EXTENSION.

We respectfully submit the Annual Report of our Church Extension Board for year 1907-08:

The aim of Church Extension is to see that every congregation may have a suitable house of worship and every charge a comfortable parsonage. The Board has extended aid to 6,957 churches, still there are 2,927 congregations that are homeless. What has been done is indeed marvelous and is a prophecy of yet greater accomplishments in the future. When we consider the import and the importance of Church Extension we must admit that it should have the right of way side by side with the cause of missions, education and other great connectional interests of our Church, and is justly entitled to our most careful consideration and cheerful co-operation.

SUNDAY SCHOOL BIRTHDAY OFFERINGS.

The General Sunday School Board has made an appeal to our schools to establish a system of Birthday offerings, the proceeds to be used for the next two years toward helping to build churches in Oklahoma, where our prospects are so bright, and where our needs are so great. There are 477 homeless congregations in the Oklahoma Conference. Only five schools in our Conference responded. This movement should commend itself to our pastors and Sunday School Superintendents, as furnishing not only an opportunity of doing good, but of training our children and young people to take part and interest in our connectional work.

LOAN FUND DAY.

Loan Fund Day—May 10, 1908—was observed by many of our schools and Epworth Leagues. Only ten contributions, however, were made by our Conference, amounting to \$131.20, and about one-third of this was contributed by one Church—Monticello. Had the entire Conference responded results would have been much more satisfactory.

OUR J. C. LEY LOAN FUND.

Our Conference Board of Church Extension has undertaken to raise \$5,000.00 by putting annually an assessment of \$100 on each District. We have \$281.00 to report raised on this Fund this year. This special assessment should not be merged into the general assessment, but should be kept separate therefrom.

OUR WASHINGTON CITY CHURCH.

This is a great enterprise, looking to the building of a Church in the Capitol City of the Nation, that would represent our Methodism. The movement appeals as well to our Church as also to our civic pride. Failure would be a disgrace.

The following grants have been made by the Board:

PRESSING OUR CLAIMS.

The Secretary was instructed to press the claims of Church Extension through the pastors and presiding elders in every District and pastoral charge, and also to secure the services of some one to represent the cause of Church Extension before each District Conference and other Church gatherings.

**REPORT OF THE BOARD OF EDUCATION OF THE FLORIDA CONFERENCE
FOR THE YEAR 1908.**

To the Bishop and Members of the Florida Conference:

Dear Brethren: We, your Board of Education, beg leave to make the following report:

We are much gratified to learn that notwithstanding the financial depression from which the whole country has more or less suffered during the past year there has been a reasonable degree of prosperity and advancement along the whole line of our educational work. The efforts of our General Board to unify the interests and energize the efforts of our institutions of learning are meeting with sympathetic co-operation from our educational authorities, so that more work and better work is being done than ever before. We are especially pleased to know that our leaders are in no wise disposed to yield to the subtle efforts that are being made to wean them from their allegiance to denominational schools. We are convinced that schools of any grade which repudiate denominational control should be deprived of denominational support.

We rejoice also to learn that the two colleges of our sister State of Georgia, viz: Emory and Wesleyan Female College, are keeping abreast of the times in enhancing the value of their properties, increasing the amount of their endowments and strengthening the efficiency of their equipments, so as adequately to meet the needs of our church and the constituencies which they serve. We most heartily commend them to those of our people who contemplate sending their sons and daughters beyond the limits of this State when they shall have exhausted their school resources at home.

We feel profoundly grateful to our Heavenly Father for the continued success and prosperity of our own Southern College at Sutherland. This institution has a property

valuation of over \$185,00, an endowment of over \$3,000, employs 18 professors, and has enrolled this year 215 pupils. We rejoice at the measure of success which has attended the efforts of its financial agent and others to increase its endowment, and we sincerely hope that every proper means will be used the coming year to the amount set for its attainment at our last Conference. We feel that the intellectual and moral well being of our children and youth cannot be entrusted to safer or more competent hands than those of the president and faculty of Southern College.

We request the Bishop to appoint Rev. Dr. J. P. Hilburn as President of Southern College, and Rev. I. C. Jenkins as Vice-President and professor in the same.

We also request the Bishop to appoint Rev. R. N. Sanders as a student in the Nashville Training School, and F. J. Patterson and T. R. Adams to Vanderbilt.

We recommend the following apportionment of the Endowment Fund for Southern College for the various Presiding Elders' Districts:

Tallahassee District	\$ 4,260
Jacksonville District	4,813
Gainesville District	5,223
Orlando District	4,341
Tampa District	5,366
East Coast District	3,497
	<hr/>
	\$27,500

We make the following educational assessments:

	Conference Board.	General Board.	Total.
Tallahassee District	\$ 543	\$ 162	\$ 705
Jacksonville District	534	158	692
East Coast District	358	106	464
Gainesville District	580	172	752
Orlando District	543	161	704
Tampa District	527	156	683
	<hr/>	<hr/>	<hr/>
	\$3,085	\$ 915	\$4,000

We submit the following regulations governing the lending of funds of this Conference to applicants for aid:

Report of Committee appointed to Define Conditions of Lending Money from the Loan Fund.

1. The applicant for aid from the Loan Fund shall be duly licensed to preach in the Methodist Episcopal Church, South.

2. He shall attend a school approved by the Florida Annual Conference Board of Education.

3. He shall agree to serve under the appointment of the Florida Annual Conference one year for every one hundred dollars (\$100) or fraction thereof received from the Loan Fund, or when going elsewhere return immediately the money with interest to the Board of Education.

4. Notes with such security as the Board may approve shall be given bearing no interest during the time spent in school, and bearing six per cent (6%) interest thereafter till paid.

5. The Board of Education may give credit at one hundred dollars (\$100) per year to any beneficiary who serves in the Florida Annual Conference on a salary of less than four hundred dollars (\$400) per year.

6. We recommend that the Board of Education approve Southern College for beneficiaries of this fund to attend.

REPORT OF THE BOARD OF TRUSTEES OF SOUTHERN COLLEGE.

To the Annual Conference in session at Miami, Fla., December 16th, 1908.

Dear Bishop and Brethren:

The Trustees, whom you have placed in charge of Southern College, come to you with another Annual report, in order that you may determine with what wisdom they have discharged the trust which you have committed to their hands.

Repairs have been made this year in repainting the girl's dormitory at an expense of about One Thousand Dollars; new steam pump and water tank have been put in, with pipes connecting with the boys' dormitory, thus insuring against a possible shortage of water; and an orange and grapefruit grove of about three acres has been set out, which is in a thrifty growing condition; but, for want of funds, we have been forced to leave off the fitting up of two or three rooms under the Administration building, the beautifying of the grounds, and repairs on the boys' dormitory, all of which we sorely need.

Among the internal improvements enterprised this year are, the reorganization of the Sub-Collegiate and Academic Departments on a better basis, making our preparatory school one of the best institutions of the kind in the State; also, great improvements in the management of the boys' dormitory. At present there are five members of the Faculty that have rooms in the boys' dormitory, three of whom have their wives with them; and under the wise supervision of Prof. Platt the atmosphere has become much more home-like than heretofore, and the boys are showing their appreciation by advancement in character and discipline.

The Music Department this year is larger and better than ever before, and we have had to turn away some pupils who desired to take lessons under Prof. Mora.

The Faculty consists of seventeen teachers and the President, and, without any reflection upon others, they are the ablest Faculty we have ever had. They are every one of them enthusiastic in regard to their own special class work, which is not only encouraging in relation to the present, but speaks volumes of hopefulness in relation to the future.

President Hilburn is wise and economical in his administration, and abundant and fruitful in his labors, holding the respect and confidence, not only of the Faculty, but of the student body and patrons as well.

The Summer School, while not largely attended, was a success in every sense of the word. Quite a number of teachers prepared for their examinations, and a number of pupils by taking certain studies in which they were deficient, were enabled to shorten their College work a year, and thus save themselves considerable expense. In this connection we wish to emphasize the fact that our Curriculum is in advance of that required by our General Board of Education for a College of B. Grade.

During the Scholastic year ending June 1st, 1908, the income of the College paid all of its running expenses, including the salaries of teachers, but, this year, with an addition of three teachers, and a corresponding increase in the pay roll, it is exceed-

ingly doubtful whether we can accomplish it.

The property in High Springs, in which the College holds a half interest, consisting mainly of two buildings which have been profitably rented, has burned during the year, with an insurance of only Thirteen Hundred Dollars. This involves a loss to the College of probably Five Hundred Dollars.

We have renewed and increased our insurance policies this year to an aggregate of \$42,500, the policies running five years. Of the premiums due on these policies we owe about Thirteen Hundred Dollars.

The enrollment for the Scholastic year ending in May, 1908, was 215.

The plan of endowing the College was launched at a time of great financial depression and stringency; yet the Agent's report indicates that \$3,426.79 has been collected in cash and \$13,494.21 in subscriptions running one, two, three and four years. These results may seem to be small, yet when it is considered we have this year passed through so hard a financial year, we are encouraged to believe that with nearly one-fourth of the amount asked for, already secured in pledges, an intelligent and persistent campaign will crown our labors with complete success.

We would call the attention of the Conference to your action of last year in relation to the endowment of Southern College, as follows: "That the Board of Education be authorized to make an apportionment of the sum of \$110,000 in four annual installments, dividing the amount yearly in the different Districts according to the pro-rata used in dividing the regular assessments for Education.

"That the District Stewards divide the amounts apportioned as a special for SOUTHERN COLLEGE among the various pastoral charges till the entire sum of \$110,000 be collected. Each charge to collect the sum so apportioned as the Pastor and Presiding Elder may direct; and of the amount thus collected, \$10,000 be set aside for improvements and repairs."

S. W. LAWLER, President.

D. A. COLE, Secretary.

REPORT NO. 1—JOINT BOARD OF FINANCE.

We have received a communication from Dr. W. F. Tillett, President, and J. R. Stewart, Secretary of the Endowment Fund for Superannuates and the Widows and Orphans of Preachers. The Fund now amounts to \$132,000 in cash assets, and as much more in gross assets. The Board of Management has declared a dividend of \$3,600, of which the Florida Conference receives \$9.

Many, but ineffectual attempts have been made to get the pastors to bring this great enterprise prominently before the Church and take collections for the Fund. Out of 6,000 pastoral charges, only 200 have reported collections. The General Board recommends that each Conference levy a small assessment on the charges for this Fund. A number of Conferences have so ordered. In view, however, of conditions now obtaining with us, your Joint Board deems it unwise to levy a distinct assessment for the Fund, but recommends for adoption by the Conference the following:

Resolved, That every pastor be called on to raise from his pastoral charge for this Fund, an amount equal to one per cent on pastor's salary, the same to be remitted to Conference Treasurer

T. J. NIXON, President.

H. E. PARTRIDGE, Secretary pro. them.

REPORT OF THE EPWORTH LEAGUE BOARD.

For the information of the Conference, we gather from the report of General Secretary the following statements and figures:

1. The Secretary says: "The year now closing has been, all things considered,

the most prosperous in the history of the Epworth Leagues in our Church."

2. The results flowing from the League assemblies of the past few years justify the indorsement and authorization of this new move in League work, by the last General Conference.

3. The last general minutes shown the total membership of the League to be 127,924, an increase of 4,233 for the past year.

The tables of the Statistical Secretary make the following showing of the work in our Conference: Senior Leagues this year 83, a gain of 5. Senior League members 2,792, a gain of 291.

Junior Leagues 37, the same number reported last year. Junior members, 1,245, a loss of 70.

Raised by the Leagues for Missions, \$512, a falling off of \$257.

This showing certainly is not all that might be desired. If it were possible this important interest should be laid with greater emphasis upon the hearts of the preachers, that the work may be advanced, not only as to the number of chapters and the members in them, but that the work may be systematized and the League may make its legitimate contribution to the spiritual good of our young people.

We wish to commend the Tallahassee District for its action in holding a District League Conference this year.

Again this year as last, we would recommend the holding of District League Conferences and the more especially as our distances are so great as to prevent a large number of our young people from attending our State League Conferences.

We congratulate the management of the Epworth Era and the League Columns in our Advocate and recommend to the Leagues an unstinted use of these absolute essentials to successful League work.

JAS. T. MITCHELL, for Committee.

REPORT OF THE SUNDAY SCHOOL BOARD.

During the year just closed the Secretary visited eighty schools, was three times in communication with Superintendents and Officers in the test of different features of Sunday School work, and assisted in the organization of a large number of adult Bible classes. On the whole, we are able to report an eminently satisfactory year. There are now on roll 2,086, 2,039 officers and teachers and 18,104, 18,788 scholars. About 30 schools have become actively interested in the Endowment of Southern College, from whom already \$1,000 has been pledged. Practically the whole Sunday Schools movement of the state is in line with Missionary enterprise.

We rejoice to note that the General Sunday School Secretary furnishes the gratifying statement of large increase during the past year, this representing an increase of 63 new schools, 2,517 officers and teachers, and 43 pupils.

We submit for information of the Conference the Board's financial statement. Accounts have all been audited.

Respectfully,

J. B. LEY,

Secretary and Treasurer.

REPORT OF THE BOARD OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE AT ENTERPRISE, FLORIDA.

To the Bishop and Members of the Florida Annual Conference M. E. Church, South:

We, your Board of Trustees of the Florida Methodist Orphanage, would submit the following report and recommendations for your approval and indorsement:

Some time ago tentative arrangements were entered into by the Board of Trustees prise, Fla., the valuable property, consisting of a large building and eight town lots of and the Orphanage Board, acting jointly, to secure from Miss Emma Tucker, at Enterprise rich land, and also a tract of forty acres of land adjacent to Enterprise. This property, we estimate to be worth, at a fair valuation, at least \$8,000.

Miss Tucker, in her earnest desire to see this good work established here, offered this property to the church for an Orphanage for \$1,250. After careful investigation and inspection by the Trustees, her generous offer was accepted and it became the property of the M. E. Church, South, by warranty deed from Miss Tucker, which includes the Disciplinary Trust Clause.

An experienced lady of fine executive ability, Mrs. Brooks, has been placed as matron in charge, assisted by Miss Hendry.

Two orphan children have been placed in the Home, and there are now some fourteen children in the Home under the care of those ladies, only two of them are at our expense. So, brethren, we have the Orphanage actually launched and in running order in one of the most beautiful garden spots of Florida, on the banks of Lake Monroe, five miles from Sanford in a quiet, retired spot yet easy of access by boat or

railroad. It is quite close to Epworth Inn, which the owners propose to make a great center for religious training and Christian work.

It is also blessed with the abundant medicinal waters of the famous Benson Springs.

Here we propose, by the help of God and the co-operation of all good people, to found a noble Christian institution for the relief, education and training of destitute, fatherless and motherless children, who may look to us for help.

Now, whereas, we, in the providence of God and by order of this Conference, have been placed in charge of the Florida Methodist Orphanage, to foster, care for, and manage for the best interests of destitute, helpless orphans, for the good of humanity and the glory of the Master, whose delight was to feed the hungry, clothe the naked and bind up the wounds of the afflicted,

And, whereas, this is one of the very greatest interests of the church and of humanity, one of the most approved by the Master Himself; therefore, be it

Resolved, That this Board, realizing the heavy responsibility of this great work, and the urgent need of the hearty co-operation of both the ministry and the laity of the church, earnestly appeal to all our preachers to bring this matter before their people and use such means and methods as in their godly judgment may best effect results, interesting their people in this great undertaking; be it further

Resolved, That the Annual Conference set apart the fourth Sunday in March, 1909, to be called Orphanage Day, on which each pastor be requested to preach on this subject and take an offering for the support of the Orphanage, and the development of the property now in our possession. Be it further

Resolved, That the children in our Sunday schools should be interested, instructed and encouraged in this good work. To that end we ask that this Conference recommend that the fifth Sundays be designated as Orphanage Sundays and contributions taken on those days for the Orphanage. Be it further

Resolved, That, as one of the immediate and pressing needs of the Home is furniture, bed-room furnishings and clothing, we invite the Epworth Leagues, Woman's Missionary Societies and others to supply these necessities. Be it further

Resolved, That we ask this Annual Conference for authority to incorporate this institution under the laws of the State of Florida, and under the general direction of the Florida Annual Conference M. E. Church, South, which body shall elect the Board of Trustees.

The financial condition of the enterprise may be stated briefly thus:

Amount raised for all purposes during the year	\$1,116 00
Amounts disbursed as follows:	
To Miss Emma Tucker on purchase price of property	750 00
Amount paid out on insurance, running expenses, etc.	61 00
Cash on hand	305 00
Total	\$1,116 00
One note on purchase price	500 00

L. W. MOORE, President Board.

Attest: T. GRIFFITH, Secretary and Treasurer.

The contribution at Conference to the Orphanage Fund amounted to \$268.25.

Of this \$203.25 is in my hands, the balance is good. Let the brethren send these subscriptions direct to me. I have also a list of subscriptions taken by our dear Brother DePass, and will be glad to receive any unpaid subscriptions on that list.

T. GRIFFITH, Secretary and Treasurer.

REPORT ON BIBLE CAUSE.

The Bible being the Book of books, and the most popular one in all the world, and the Book without which the cause of our Lord cannot be carried forward; therefore, we, the servants of God, should do our part in encouraging and sustaining the work of the American Bible Society, which really is our work.

This year we have collected about \$226.55 against \$269.57 last year for this worthy cause. It would have been more if each pastor had brought it prominently before our people and then given liberally themselves. This could have been done without hurt to the other collections. Let each pastor do his duty for this good cause.

E. J. HARDEE, Chairman.

REPORT ON DISTRICT CONFERENCE RECORDS.

We, your Committee on District Conference Records, beg leave to submit the following report:

We find the Tallahassee record correct, and neatly kept.

The Gainesville record correct, except it records the name of I. C. Jenkins as president of Southern College.

The Tampa record, the names of two local preachers, viz: Bros. Perez and Gonzales initials nor proper names do not appear. Some reports not recorded, and a full roll of membership does not appear. Only the one present.

Minutes of East Coast District not signed by the Presiding Elder and Secretary.

Orlando minutes show report of Committee on Quarterly Conference records reported on Church Conference records.

Jacksonville, correctly kept.

THOS. WILLIAMS, Chairman,

J. L. SKIPPER, Secretary.

BOOKS AND PERIODICALS.

We, the Committee, beg leave to report as follows: We notice with much pleasure, the continued increasing patronage of the Church and its Auxiliaries at our Publishing House. Especially so, in this year of panic, when there has been a natural retrenchment, on nearly all lines.

The sales have been in excess even of the previous year, whereby yielding a net revenue larger than at any time in the history of the Church. Our general organ, The Nashville Christian Advocate, is highly appreciated among us, and is maintaining its prestige, though in some of its utterances the brethren differ from it in points of doctrine, but on the whole it is a splendid representative of our Methodism. We are in hopes it may be more generally taken by the members, both clerical and lay, throughout the bounds of our Church.

The Epworth Era has, and is, occupying a commanding position among the family of our periodicals.

Framed chiefly for religious impartation of news for our young people, it has excelled nearly all others called into being for this class in our Church.

Our Sunday School literature has marched forward with commendable zeal and spirit, both in quality and members until it is covering the want of classified minds in their great field.

The development of the organized Class Study movement has called into existence many of the best minds of our Church, who have liberally added many earnest living thoughts to inspire those seeking for the best mental food. The Church has given a hearty welcome to many of these new ideas noted in our publications as revelations to

earnest searchers for truth, which indicates clearly a desire for the continuance of this spirit of advancement.

The Review is among the very best of its family; is ably edited by a brilliant mind, which gives oftimes in concrete form, fine articles that show an excellence in literary attainment of its maker that should commend itself to every preacher and lover of best thought, in the solution of many problems of the day.

The Florida Christian Advocate, in connection with our general organ, is well and largely filling the demand of our Church locally since it has ceased, we hope its itineracy, and has become localized, has sprung into renewed life again, and dressed in a new garb, emanating from ourselves as publishers under the leadership again, as heretofore under the direction of Dr. Pasco will continue to attract the admiration of many more of our Church and become a mighty power in moulding thought and directing the energies of the Church.

We most earnestly commend the brethren in the hour of peril, who came to its relief without compensation, to bridge it over till the coming of our Annual Conference.

Resolved, That we will stand by, and uphold, by voice and prayer and means all these great and efficient arms of the Church.

HENRY HICE,
Secretary for the Committee.

REPORT OF THE COMMITTEE ON TEMPERANCE.

We shall not endeavor to describe to you the woes of the rum traffic. Genius has exhausted itself in trying to portray its evils; they are at every man's door and speak for themselves.

We all recognize that the manufacture and sale of intoxicating liquors are the prolific cause of much of the crime and suffering of our people. Experience has proven that moral suasion is altogether inadequate to either suppress or regulate it and only the strong arm of the law can destroy this monster.

It is not rhetoric that we need but righteousness; not resolutions only of deliberative bodies, but relentless and universal war upon the enemy.

Our State has become a dumping ground of the adjacent dry territory. The moral filth of their deposit is a stench in the nostrile of decency and an outrage upon society. The demoralizing influence of the liquor traffic as intrenched in our cities and laying its bloody and powerful hand upon our legislative bodies is just the devil, without sufficient disguise to conceal himself. That we must have deliverance is certain or else we shall have to look upon our lovely State blighted by this terrible curse.

We rejoice in the victories of our sister States and in the earnest prayers that are ascending to God for our emancipation. We believe that victory shall come to us when the moral forces of the country shall obliterate political, sectional and ecclesiastical lines; and with money, tongue, pen and ballot exert their full powers for State prohibition and the unflinching enforcement of our prohibition laws; therefore be it

Resolved, That we shall each by sermons, lectures and mass meetings at home, and elsewhere in the State, as far as we are able, seek to create and organize prohibition sentiment, and that we bring the impact of our combined powers to secure an amendment to the Constitution of the State to provide for State prohibition.

Resolved second, That we recommend that the Bishop appoint J. W. Bigham, W. J. Carpenter and I. S. Patterson as a committee to co-operate with Florida Anti-Saloon League in its work, and that Geo. I. Davis and Rev. T. Griffith be appointed as members of its State Board of Trustees.

Resolved third, That each Presiding Elder appoint a day on which all the preach-

ers in his District shall be called together for the consideration of this question, and the laying of the best plans for accomplishing the work; and that this be done as soon as practicable.

Resolved fourth, That we endorse the W. C. T. U. and the Anti-Saloon League of Florida, and urge the heartiest co-operation with these two great temperance organizations.

Resolved fifth, That the second Sunday in March shall be observed as Conference Temperance Day, and that these resolutions then be read in all of our churches and such sermons, addresses, etc., be delivered as shall be calculated to arouse the people and bestir them to activity.

In the name of decency, in the name of the virtue of our womanhood; in the name of the innocent and helpless sufferers; in the name of every patriot whose blood was shed for our freedom; in the name of the God under whose banner we fight, we propose eternal and uncompromising war upon the liquor traffic.

D. B. SWEAT, Chairman.

U. S. TABOR, Secretary.

SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance, beg to submit the following report:

Realizing that the Sabbath cause is of vast importance, and that there never was a time when a quiet, worshipful Sabbath was more needed than in this busy, worldly century, we urge upon our preachers and people the protection of the Christian Sabbath, that it may be preserved as a day of rest and worship to our people. An institution that is so sacred and so divine, deserves our most careful consideration. Among those who desecrate our Christian Sabbath are to be found certain professing Christians who are endeavoring to bring into prominence again the old Jewish Sabbath, and that despite the fact that almost the whole of Christendom is agreed on the Sabbath as it is now observed; and despite the fact, further, that while the old Jewish Sabbath commemorates the finished work of Creation, the Christian Sabbath commemorates the world's greatest event—the resurrection of Christ, the coming of the Holy Spirit, and the New Creation; therefore, it behooves us not only to discourage the efforts of all such professing Christians, but to endeavor to check them by appeals from our pulpits and if necessary to insist on the enforcement of the law, that our Holy Sabbath may not be trampled under foot in the very presence of worshipping congregations.

Also we urge that we cry out, as a church, and as a people, against Sunday amusements, especially against Sunday baseball, which is one of the most demoralizing in the whole catalogue of such amusements. In some of the cities of our State, the promoters of such amusements are endeavoring to override the State law and have their Sunday games of ball in spite of the law, but since there is a State law against all such and a law which has been fully tested in our courts and found to be constitutional, we recommend that we put ourselves on record, not only as being strongly opposed to such Sabbath breaking, but also as determined to do our utmost to bring to pass the enforcement of the law and thus preserve the sanctity of the Sabbath.

Finally, we are in full sympathy with "The Sunday League of America," an organization which stands for the preservation of the Sabbath, and in endorsing this League and pledging it our hearty co-operation we cannot better express ourselves, or assure our support, than in the words of the Committee on Sabbath Observance in the report at the General Conference, held May, 1906, at Birmingham, from which we take the following:

"The Sunday League of America stands for the highest ethical ideal of the Sab-

bath and seeks to accentuate the American interpretation of sanctity. Its object is to preserve the day of the Decalogue as a season of rest, thus contributing to the mental, religious, and physical upbuilding of all classes of our people.

"A vast majority of the immigrants coming to our shores are from countries where an orderly and worshipful Sabbath is unknown. This infusion of foreign life is fast changing our old-time Sabbath into a lawless holiday, filled with drunkenness, gambling, debilitating sports, destructive of body, mind and soul. The work of the Sunday League is especially designed to arrest and correct this evil by creating a sentiment in favor of wholesome and comprehensive Sunday laws, and of the enforcement of the same when enacted.

"The Sunday League of America has the indorsement and helpful co-operation of multitudes of the most distinguished citizens of the country, including Hon. Theodore Roosevelt, President; Hon. C. W. Fairbanks, Vice-President; Hon. Hoke Smith, and Governor John M. Patterson, of Ohio, the latter of whom are numbered among its officers.

"The work of this League needs and claims the help of every thoughtful American citizen, especially does it make and urge this claim upon the ministers of the Evangelical Churches of America, to whom the American Sunday must look for its protection and perpetuation.

"Resolved, That we pledge to the Sunday League of America, and all other legitimate organizations and agencies our good will and hearty co-operation, in order that laws of Sunday observance already existing upon our statute books may be enforced, as well well as that needed laws may be enacted, for the suppression of all forms of Sabbath desecration prompted by pleasure and greed, as ball games, bicycle tournaments, horse racing, theatres, boat and railroad excursions, the open saloon, and the buying and selling of anything except in cases of absolute necessity or mercy. We claim our right as American citizens to the privileges and blessings of the American Sabbath affirming that it is too late a day for us to surrender to aliens and other foes this priceless heritage which we claim in behalf of home and church and nation."

Respectfully submitted,

W. F. ALLEN, Secretary.

S. SCOTT, Chairman.

RESOLUTIONS

RESOLUTIONS PASSED BY THE LAYMEN.

Whereas we believe that the Holy Spirit is moving upon the hearts of the laymen to unite the whole Church in giving the Gospel to the whole world in this generation, and

Whereas, the great Laymen's Missionary Conference held in Chattanooga, at which a thousand or more of Southern Methodist laymen accepted forty millions of the unevangelized people as our share, and asked to increase our missionary offerings to one million dollars in 1909, and

Whereas, our Mission Board is striving to meet the needs in Ybor City among the 7,500 Italians and 15,000 Cubans in Tampa, and work is greatly needed among the 2,000 Greeks in our State, but is sadly hampered for lack of funds, and

Whereas, our laymen desire to express their interest and co-operation in this great work, therefore be it resolved by the laymen of the Florida Annual Conference in convention assembled,

1st. That we ratify and confirm the declaration and resolution adopted by the Chattanooga Convention as set out in the "Call of God to Men," and urge all our laymen and preachers to read said book and get in touch with the spirit of that great Conference.

2nd. That it shall be our determined effort to place the world's evangelization upon the hearts of the men of our Church and to put in operation the plan adopted by the Chattanooga Convention to get our laymen to work.

3rd. That as an expression of our gratitude to God and our interest in world evangelization, we will, in addition to the assessments ordered by the Board of Missions, raise within the bounds of our Conference the sum of \$5,000.00, to be used in such work as the constituted authorities consider most urgent.

4th. We urge our Conference District and Church Lay Leaders to cooperate with the pastors and stewards in providing for all regular church assessments at the earliest possible date, so that the raising of this special fund will not interfere therewith.

5th. We believe that honoring the Lord with our substance and the first fruits of all our increase is not only a source of prosperity, but of growth in grace, and we urge our lay leaders to put into the hands of all our men a copy of Bishop Key's sermon and other leaflets on the subject of Christian liberality.

Signed by the Committee:

GEO. B. GLOVER,
R. H. JOHNSON,
J. H. PERKINS,
H. L. PHIFER,

RESOLUTIONS OF THANKS.

Whereas the Florida Conference has been as graciously and generously entertained by the good people of Miami; and

Whereas, our stay in the Magic City of our State has been rendered doubly pleasant and happy by so much uniform kindness shown us; therefore, be it

Resolved, That the thanks of this Conference are heartily tendered to all of the

citizens of this beautiful city for their hospitality and courteous treatment.

Resolved, That we hereby offer our thanks to the Home Mission and Foreign Missionary Societies for the happy and pleasant social functions which they tendered us.

Resolved (2) That we appreciate the spirit of Christian brotherhood shown us by the pastor and members of other churches, who have opened both their pulpits and doors to us.

Resolved (3), That we gratefully acknowledge the action of the manager of the electric light company who, in our honor, so beautifully lighted up the principal thoroughfare of the city.

Resolved (4), That we are grateful to the Florida East Coast, Seaboard Air Line and Atlantic Coast Line railroads for reduced rates over their lines; and

Resolved (5), That to Rev. L. D. Lowe and his loyal and devoted church members is due the gratitude of every member of this body for their untiring interest in and care for our welfare while in Miami.

W. J. CARPENTER,
W. M. POAGE,
T. J. WATKINS,
A. L. WOODWARD.

RESOLUTIONS ON HISTORICAL SOCIETY.

Resolved, That the Bishops appoint a committee of three to suggest a plan for the formation of a Conference Historical Association.

H. E. PARTRIDGE,
T. J. NIXON,
R. H. JOHNSON.

PLANS FOR 1909.

1. To organize District Institutes, which shall be planned and directed under the supervision of the Presiding Elders, by District Sunday School Secretaries to be appointed, by the Chairman of our Board; such Institutes to be held at such times and places as may be arranged by the Executive Committee in conference with Secretaries and Presiding Elders.

2. To provide limited circulating libraries for use of Teachers and Superintendents; these libraries to be under the care of District Secretaries.

3. To organize a Book and Library Exchange Bureau for the better supplying of our schools with good, music and reading.

4. To push the work of Adult Bible Class organization, and increase the efficiency of the Home Department.

5. Help will be furnished all schools needing help in the purchase of literature and supplies when application is made through the Secretary with endorsements by Superintendent and Pastor of each school as may apply.

THE CALL TO THE MINISTRY.

Whereas, The number of preachers in the Florida Conference is seriously inadequate for the full supplying of the pastoral charges of this Conference, necessitating the employment of many supplies; therefore

Resolved, That the first Sunday in March, or as near thereto as may be convenient, be observed in all our churches as a day of special prayer to our Lord to "send forth laborers into his harvest, and that our pastors be requested to preach in all their pulpits upon the call of God to the ministry, with a view to securing an increased ministerial supply. Signed.

J. EDGAR WILSON,
C. FRED. BLACKBURN.

WILLIAM FLETCHER ALEXANDER.

William Fletcher Alexander was born in Allen county, Kentucky, November 21, 1833. He came of that strong stock of former days, his grandfather having been one of the Alexanders of Mecklenburg County, N. C., all Scotch Presbyterians, until this one moved to Kentucky. On his mother's side they were Methodist pioneers. His maternal grandfather, Rev. Chas. Holliday, was a gifted preacher in his day, in 1825 was agent of the Methodist Publishing House in Cincinnati. Mr. Alexander was graduated from the Ohio Wesleyan at Delaware in 1857, and one of his great joys, as he grew older, was to recall his friends of those years, among whom Bishop C. C. McCabe had been room-mate for three years. He taught for a number of years after his graduation. There were two older brothers, preachers in the Louisiana Conference, Dr. Frank Alexander and Rev. Robert R. Alexander, and he went down there in 1862 to teach and later joined the Louisiana Conference, too. He was married in 1870 to Miss Emma Jeffries of that State. There was one child, his son, Marcus, and shortly afterward his wife died. He took his little boy back to his mother in Kentucky and remained in the Louisville Conference until 1886 when he came to Florida, where his life has been before you until January 19, 1908, when painlessly, without a groan or struggle, God called him.

He was a close student, loved his books like friends, especially his Bible. He was not a great preacher, but was a faithful pastor and loved by all classes. His disposition was quiet and retiring. The devotion between himself and his son was very beautiful. He was married a second time in December, 1905, to Miss Mary W. Bruce, of Kentucky, engaged at that time in the Cuban Mission in Ybor City. He was much interested in the evangelization of Spanish-speaking people and learned the Spanish language very thoroughly. Later he was much interested in the development of the Italian Mission. He went to St. Petersburg to live in the summer of 1907, and from thence to his home above.

MEMOIRS.

GEORGE J. KENNELLY.

George J. Kennelly was born in Macon, Ga., Nov. 22, 1860, and died in Jacksonville, Florida, June 14, 1909, ending thus a faithful and successful ministry of twenty-four years in the Florida Conference.

He was converted at the age of fifteen years; licensed to preach in 1884; admitted on trial into the Conference January, 1885; ordained deacon by Bishop Hendrix, December, 1886; and elder by Bishop Galloway, January, 1889. On November 15th, 1888 he was married to Miss Ida L. Pyles, whom, with three dear boys he leaves to the sympathy and care of his brethren.

Brother Kenelly served the Church in its humble fields of labor; but served it faithfully and effectively. He was a diligent pastor, an earnest, clear and helpful preacher, a conscientious administrator of the affairs of the Church, and a man of solid piety. His modest demeanor, earnest life, loving spirit and loyal regard for the Church, won the esteem and confidence of those among whom he labored. To his brethren he was cordial and kind; and ever showed in his treatment towards them and his judgment of them the spirit of true Christian love. In his own home he was patient, tender and loving. The charges under his care prospered spiritually and grew in material progress.

While of gentle and modest spirit, he was decided in his convictions of right, and firm in carrying them out. During his pastorate on the Hastings charge in 1907-8, his earnest and persistent efforts and prudent management, secured for our Church the settlement of our righteous claims to the St. Augustine Church property, for so many years in dispute.

Among the charges he served were Mandarin, McCleddy, Cotton Plant, Palmetto, Seffner, Leon, Fort White and Hastings; and in all these he left a good name, a good record and a good influence.

We can scarcely estimate aright the value of such men and such lives, touching the people not in the large spheres and more prominent places, and where they are but little known. But they add no small strength to the building of our Zion. Nor do we perhaps know or recognize or appreciate their work. But the Lord looks with approval on their efforts; and crowns with blessing their labors who are "faithful in the few things." Though going forth with weeping, bearing precious seed, they

"doubtless shall come again with rejoicing bringing their sheaves with them."

H. E. PARTRIDGE.

REV. THOMAS JOSEPH PHILLIPS.

Rev. Thomas Joseph Phillips was born in Marlborough County, S. C., December 15, 1842, and died in Tampa, Fla., September 7, 1909. His father, Solomon Phillips, moved with his family to Madison County, Florida, in 1850, and died about three years later. Living on a farm, the fatherless boy learned to work, and attended the country schools as he had opportunity. At nineteen he joined the Confederate army, serving in the company of Captain Holloman, Fifth Florida Regiment. He took part in several of the great battles of the war. For two days he was in the memorable battle of Gettysburg. After the war he attended school for several years and taught school two years. He studied law and was admitted to the bar but never practiced.

In his boyhood he was converted at a campmeeting and joined the Methodist Church. At that early age he felt the call to preach, and after he was admitted to the bar, he decided to heed this call of God and enter the ministry. He was licensed to preach in 1872, and was admitted on trial into the Florida Conference in January, 1874.

For thirty-six years our brother served in the itinerant ministry in this Conference. He was faithful in all his work and his labors were blessed of the Lord in the conversion of souls and the edification of the Church. He loved the Methodist Church and the Florida Conference with all the ardor of his soul. Every interest of the Church was dear to him. During his ministry he served the following charges: 1874, Gadsden Circuit; 1875-76, Concord Circuit; 1878-79, Waldo Circuit; 1880-82; Columbia Circuit; 1883, Madison Circuit; 1884, Alafia Circuit; 1885, Plant City and Lakeland; 1886, Plant City; 1887-88, Newnansville Circuit; 1889, Bronson Circuit; 1890-92, Melrose Circuit; 1893-96, presiding elder of Live Oak District; 1897-98, Dade City; 1899, Apopka; 1900, Oviedo; 1901-2, Melrose; 1903, Brooksville; 1904, Brooksville and Webster; 1905-06, Punta Gorda; 1907, Gary and Port Tampa; 1908-09, Bushnell Circuit. For several years before his death he was a member of the Board of Trustees of Wesleyan Female College.

Brother Phillips was married in 1871, to Mrs. Jessie E. Shipp, of Madison county. His faithful wife and seven children are left to mourn their loss in his departure. His home life was a

happy one, and nowhere else was his Christian character more highly appreciated than in the blessed circle of his own family. It is a marvelous thing how well he succeeded in educating his children, with such a large family to support, and the salary usually small. The good judgment and close economy necessary for parents to accomplish such a noble purpose is indeed worthy of high commendation.

The life and labors of such a man as Brother T. J. Phillips is a rich heritage to his family, to the Church, and to the State in which he lived. The world is better because he has lived in it, and the influence of his godly life will never be forgotten by those who knew him. Now that he has gone from us, we pray that his bereaved family may have the sustaining grace of God in their sorrow. We shall miss our dear brother, but our hearts are comforted by the thought that he could truly say, "For to me to live is Christ, and to die is gain."

REPORTS.

REPORT OF BOARD OF MISSIONS.

To give the Gospel to every human being on the face of the earth, and bring this world to Christ is the great work of the Church. More and more is the membership of our church coming to a consciousness of this truth. Prayer and study is resulting in a larger intelligence about missions, a keener sense of obligation, larger liberality, and increased activity and zeal in this great work. The contributions to Foreign Missions for the year ending May last, sum up to \$831,991, the largest in our history. For this we are grateful to God. We heartily indorse the watchword of the Board at Nashville for the coming year, "One Million Dollars for Missions," and pledge our earnest efforts and co-operation toward raising that sum.

The Conference Board has under its jurisdiction, the missionary work in the territory embraced in the Conference, i. e., from the Chattahoochee River to the Everglades and Key West. In this region there are many sparsely settled country districts, small but growing towns, mining populations, that must have the preached word, but cannot without assistance from the Board. Besides this there is the city problem and the foreigner in our midst. Your Conference Board is earnestly endeavoring to supply the need, as best it can with the limited means at its disposal. We could very profitably use much more than we have. The year closing we have assessed 47 charges at a cost of \$7,050. This coming year we will help 50 Mission charges, and have appropriated for that purpose \$8,000. We would remind you that the assessment last year was \$8,250. There has been paid in on it \$7,457.00—\$793.00 short. This year the assessment has been placed at \$8,500.00. We trust that every dollar of it will be raised. We have raised this year for both foreign and domestic missions on the general collection, a little over \$12,000.00, or about 40 cents per member. We should do much better than this.

Your Board feeling deeply interested in the work among the foreign population in Tampa, and the urgent need for help by our faithful worker there, has appropriated the sum of \$500.00 for work among the Cubans of Ybor City and West Tampa. The need there is great, the vice and spiritual destitution alarming.

Our Conference Missionary Evangelist has done a faithful year's work. Notwithstanding a severe illness he has traveled

some 8,000 miles, preached 395 times, held 15 meetings and assisted in another, and raised nearly \$1,200.00.

We would urge upon our brethren the importance and imperative need of early collections for Domestic Missions as the Board is dependant upon the year's collections to pay the missionaries their salaries. Delayed collections mean suffering to our faithful men on these mission charges.

Let us see to it that our people are supplied with missionary literature in abundance. That they subscribe to and read "Go Forward," which gives the latest information from the field, and so keep in touch with the advanced missionary movement which is thrilling the life of the world.

Resolved, That no loan be hereafter made by the Trustees of the Preacher's Relief Fund except on bona fide bonds or real estate that is supposed to be increasing in value; and that not more than fifty per cent of the value be loaned upon any piece of real estate.

All loans upon real estate to be secured by first mortgage and when there are buildings on property, fire insurance policies for full three-fourths value are to be carried and made payable to said Trustees.

An abstract of title to be furnished by the party obtaining the loan and said party to pay all expenses in fixing up all necessary papers.

All loans to draw 8 per cent interest, said interest to be paid on Dec. 1 of each year.

The President, Secretary and Treasurer are hereby constituted the executive committee of this Board, vested with power to lend moneys as aforesaid and to carry out such rules and regulations, as may be from time to time, adopted by this Board.

REPORT OF EDITOR OF CONFERENCE MINUTES.

I herewith present my report as Editor of the Conference Minutes, showing amount received from various sources \$230.94; amount paid out \$204.17, leaving a balance on hand of \$26.77.

Vouchers accompany the report. One thousand five hundred copies of the Minutes were printed this year, at an expense of \$181.22 for printing alone. The Joint Board appropriated \$170.00 towards this amount, which was supplemented by advertisements and a donation of \$5.00 towards the postage. With the balance on hand and at least the same amount from the Joint Board we may print them another year.

By resolution of Conference some years ago, the Conference Secretary was appointed editor and publisher of the Minutes. The work has so increased that it is now more than one man can properly attend to.

I ask therefore that the Conference appoint Chas. H. Summers with me, as editor in chief, as he has charge of the Conference Statistics, which should properly be under his supervision in the publication of the Minutes, while I will be his assistant in the other part of the work.

Respectfully submitted,

ANNUAL REPORT OF THE BOARD OF EDUCATION OF THE FLORIDA CONFERENCE, SESSION OF 1909.

To the Bishop and Members of the Florida Annual Conference
in Session at Lakeland, Fla., Dec. 15, 1909:

Dear Brethren: We beg leave to submit the following report
for the present year's educational work.

We feel encouraged by the evidences of continued activity
and general prosperity in our schools of all grades throughout
the connection. We believe that in the main our institutions
are in able hands, and that the leaders of our educational forces
are earnestly trying to subserve the best interests of the church
and its youth.

We lay it down as our firm conviction that a properly con-
ducted and rightly safeguarded church school is entitled to the
loyal support and financial backing of the church to which it
belongs. But, on the other hand, it is equally incumbent upon
the school to be just as loyal to the church. The church is
vitally interested in the character and qualifications of the men
who direct the affairs and control the interests of its schools, and
whenever it is discovered, in any given case, that men are not
acting in good faith towards the Church in matters relating to
the school, either as trustees or faculty, the church should
promptly claim and exercise the right to vacate the holdings of
such officials or teachers and appoint others in their places who
will be more faithful to their trusts, expressed or implied. The
teachings and spirit that these men exemplify should at all
times be in harmony with the beliefs and theories of the church,
and no man or set of men has the right to follow the vagaries
of his own mind, or subserve his own personal interests at the
expense of the vital interests of the church. He stands in his
place as the exponent of the doctrines and policy of the Church,
and whenever he forgets this, be his station never so exalted,
and his attainments and abilities never so great, he should be

promptly removed. We are unalterably opposed to any and all attempts, open or covert, to secularize any of our educational institutions, be the motives for such attempts what they may.

We hold, further, that ownership of school property implies control of said property, and that so long as the former exists the latter should never be surrendered.

We therefore call upon our delegates to the General Conference of 1910 to maintain by all honorable means and to the utmost of their power as occasion may demand and opportunity permit the principles heretofore set forth in this report.

This Board heartily endorses the Educational Extension Foundation movement inaugurated by the General Board of Education, and will do all in its power to aid the cause it represents.

The General Board reports that there are 2,016 professors and teachers, 22,627 students in our institutions, an increase of 62 professors and teachers and a decrease of 1,056 students. Vanderbilt has 959 students, 115 of whom are studying for the ministry. It has four students from this State. It reports the largest patronage in its history.

Emory College reports 271 students for the term ending June 9, 1909. It also had the most prosperous year of its history. There will probably be 300 students at the spring term. The President of Emory, Dr. Dickey, reports that the campaign projected in July, 1908 to raise \$300,000, in addition to the \$200,000 already in hand, has resulted under his leadership in the raising from various sources of \$250,000 in pledges as an endowment of half a million dollars for this great college.

Southern College reports 19 professors and teachers and 216 students during this current year. Thirty-one diplomas and certificates were issued during the year. It is in a most gratifying condition. Its summer school held a very successful term. We especially emphasize the fact that this school, the child of our love, belongs both by charter and by deed, absolutely in fee simple to this Conference, and is, therefore, entirely under its control. We entertain the utmost confidence in the professional ability and personal integrity and loyalty to the Church of its president, its trustees, its faculty and of all who have the management of its affairs and interests. We rejoice that not only is the intellectual and wellbeing of the students looked after, but their spiritual interests as well, all but two or three of them having been converted in the recent revival meetings held by Brother Myers. We most heartily commend it to the patronage and financial support of our people.

We recommend the following appointments to be made by the Bishop:

Rev. J. P. Hilburn to be president of Southern College; Rev. I. C. Jenkins to be Vice-President of and professor of English in said institution. Also, Prof. Nestor J. Castellano to be professor of Spanish in the same, and Prof. I. C. Jenkins to be Secretary of Education.

We fix the assessment for education for next year at \$3,585, which, with the \$915 assessed by the General Board, makes a total of \$4,500.

We recommend, for the sake of better ministerial education, that all members of the Conference, especially the younger brethren, study the topics to be discussed at the Florida Preachers' Institutes, and, as far as possible, attend at least one of its sessions. in July next.

The following apportionments are made for the year 1910:

For Southern College Endowment Fund:

Tallahassee District	\$ 4,60.00
Jacksonville District	4,813.00
Ocala District	5,223.00
Miami District	3,497.00
Bartow District	4,341.00
Tampa District	5,366.00
Total	<u>\$27,500.00</u>

For Education:

	Conference Board.	General Board.	Total.
Tallahassee District	\$ 620.00	\$158.00	\$ 778.00
Jacksonville District	598.00	151.00	750.00
Ocala District	630.00	161.00	791.00
Bartow District	625.00	159.00	784.00
Tampa District	625.00	159.00	784.00
Miami District	487.00	126.00	613.00
	<u>\$3,585.00</u>	<u>\$915.00</u>	<u>\$4,500.00</u>

We add the following items for Wesleyan Female College, not having had a report from this College before our report was completed: Wesleyan had 405 students last year. A campaign has been launched to raise \$100,000 for immediate necessities, and \$200,000 more within the next five years. Of this amount the

city of Macon alone has subscribed \$36,000, with prospects of bringing its subscription up to \$50,000 before long. The president of this College, Dr. Ainsworth, also reports the most prosperous year in its history.

Respectfully submitted,

R. H. BARNETT, Pres.

E. A. HARRISON, Sec.

DISTRICT CONFERENCE RECORDS.

We, the Committee appointed to examine the District Conference Records, submit the following report:

The records of all our Districts—Tallahassee, Jacksonville, Ocala, Miami and Bartow—have been examined, and we find them very neatly kept and apparently in proper form.

In the Tampa and Miami District Records we find some of the reports have been clipped from newspapers or printed minutes and pasted in the books.

In the judgment of your Committee this is not a satisfactory plan of entering records and we would discourage such methods.

REPORT OF THE BOARD OF TRUSTEES OF SOUTHERN COLLEGE TO THE ANNUAL CONFERENCE IN SESSION AT LAKELAND, DEC. 15, 1909.

Dear Bishop and Brethren:

In coming to you with this our eighth annual report, we recognize how impossible it is to convey to you in this brief way any adequate conception of the management and work of your College at Sutherland.

The institution has been wisely managed from the beginning but the superior executive ability of Dr. Hilburn is manifest in the school being able to pay its running expenses through a time of great financial depression coupled with a high cost of living. In securing a greater number of pupils than last year and from a larger number of localities in Florida. In getting an increased

proportional attendance of young men. In having a nearer approach to ideal home conditions in the dormitories and in a decidedly more religious atmosphere throughout the institution. Another feature is the almost universal desire on the part of pupils to be found on the honor roll.

Notwithstanding our limited means in the improvement fund we have been enabled to fit up suitable rooms in the basement of the Administration Building for the use of the Science Department and also to purchase a fine selection of apparatus to assist in scientific experiments, in which we were aided by a donation from the General Board of Education. The change in the location of the Science Department has made it possible to rearrange the class rooms so as to greatly facilitate the work of the Preparatory and Academic Department which is composed of four teachers under the oversight of Professor Kinsinger as Principal and the work done is equal to the best in any high school in the State and in every way there is a general improvement over any previous year in the school's history.

New sills have been placed under most all of both the Dormitory Buildings and new bath rooms, which are connected with the first and second floors of the boys' dormitory, including all modern fixtures and conveniences and now that they are installed it seems impossible that we could have gotten along without them so long.

Then last, but not least, in the way of improvements we have in process of erection a gymnasium building planned by a competent architect. This building is to be two stories high, 60 by 80 feet and to be built of stone manufactured on the ground. The lower floor will contain two society halls with bath and other conveniences and the upper floor a large hall for athletic purposes.

The response to the appeal of the Conference for an Endowment and Improvement Fund has not been as prompt as the importance of the object aimed at would seem to call for. Some pastoral charges have shown a commendable loyalty, whilst others have done practically nothing. But the results so far have fallen a long ways below what the Conference decided to raise.

Certain amounts have been realized this year on subscriptions previously taken aggregating about \$1,000.00 and the amount which will be reported to the Conference we have not been able to gather.

At the Bartow District Conference four scholarships were provided for of \$150.00 each and one at the Tampa District

Conference and besides that Rev. J. B. Culpepper and his son, Furke, have provided another to be known as the Culpepper Scholarship.

These scholarships are to constitute a perpetual loan fund to aid young men in preparing for the ministry.

Our curriculum is a little above the requirement for a college of B Grade and we are doing strictly college work.

The institution is worthy of a place in your heart's affection. It is worthy of your hearty and loyal support and of the liberal patronage which it has had from the beginning and with these three things there is a continuously increasing field of usefulness before us.

S. W. LAWLER, President.

D. A. COLE, Secretary.

REPORT OF COMMITTEE ON TEMPERANCE.

To the Bishop and Brethren, Florida Annual Conference:

Your Committee enters upon the consideration of this subject with a deep and profound sense of its vast and inestimable importance. A subject that is agitating this great country from centre to circumference, and which involves the destiny and future welfare of thousands of the youth of our land, and in a great measure affects the progress of the Church of Jesus Christ itself.

Especially in view of the fact that our own State is in the near future, before this body shall again convene, to vote upon the constitutional amendment providing for state-wide prohibition submitted by the last Legislature, we recognize the fact that the fight is on, the lines are drawn, and we stand ready to meet the issue, and as a Church we would give forth no uncertain or ambiguous utterance as to the position we occupy.

We are profoundly grateful to God for the victories that have already been won, that men are awakening to the awful nature of the traffic in intoxicating liquors, and that in consequence of this awakening, precinct by precinct, county by county, they are driving out the licensed saloon. We are thankful to Him that He is raising up such men from among our laymen as Hilburn, McMullen, Hudson and others, as well as laymen from other folds, to lead our forces in this fight, to stand shoulder to shoulder with us in this conflict, and we would cordially commend their work and pledge to them our earnest co-operation.

We would therefore give expression to and request the passage of the following resolutions:

1st. Resolved, That the Methodist Episcopal Church, South, by action of its General Conference is committed to the cause of Prohibition.

2d. Resolved, That we as a Conference are committed to the same great cause and to the passage of the Constitutional amendment providing for state-wide prohibition in the State of Florida.

3d. Resolved, That we regard the subject of prohibition as in no sense a political question, but a great moral and religious issue, and we will not allow ourselves to be led into making it a political question.

4th. Resolved, That as a Conference we desire to express our appreciation and approval of the work of the Woman's Christian Temperance Union and of the Anti-Saloon League of the State of Florida, and pledge them our support. And finally, we would most earnestly, in the name of the Church, of God, and of the highest interest of humanity, appeal to every Christian voter of our own and other churches throughout the State to work for state-wide prohibition and to deposit his ballot in favor of the same.

Respectfully submitted,

J. B. MITCHELL, Chairman.

REPORT OF COMMITTEE ON AMERICAN BIBLE SOCIETY— NO. 1.

The work of the American Bible Society in circulating the Word of God among the destitute and needy of our own and of the other lands to the extent of more than 500,000 copies annually, is not accomplished by any other agency nor can we over-estimate its great importance. We cannot forget that the labors of this great concern is one of entire usefulness that without money—except of those who are able to buy, and without price except to the actual cost of production, it supplies the Scriptures of revelation wherever it may find hungry souls of men.

We believe it to be one of the fundamental agencies in the evangelization of the world. We are now aware that it circulates the Bible in thirty different languages within the boundaries of the Southern States; we are also informed that for every sixty dollars that our section contributes toward the circulation the

Bible House pays back to us this amount and forty dollars additional, or they do for us 40 per cent more than we do for them.

We feel, therefore, that we for no reason can afford to neglect or fail to show our gratitude, substantially, toward such an unselfish friend; accordingly we recommend as follows:

1. A colporteur for the American Bible Society, within the bounds of the Florida Annual Conference of our Church and especially among the Latin population in our boarders.

2. That this Conference appropriate all monies raised for the Society, in the years 1909-1910, the same to be forwarded as soon as possible by our Conference Treasurer, to the proper authorities, in order that their funds may be used at once to help augment the Societies' resources by the Mrs. Russell Sage fund.

3. That the Presiding Elder of the several districts of our Conference, be requested to urge our pastors and stewards to raise an amount in each charge at least equal to one per cent of the amount assessed for the pastor's salary.

4. That we will be careful to remember that all communications relating to any and all phases of the work of the American Bible Society be sent to Dr. M. D. Porter, 208 N. 8th St., Richmond, Va.

F. M. C. EADS, for the Committee.

SUNDAY SCHOOL BOARD—NO. 2.

Whereas, there is an evident and crying need for improved methods in Sunday School work, and the organization of schools in every place possible, necessitating a man in the field who shall give his entire time to the work, therefore be it

Resolved. 1. That we recommend that a Sunday School Secretary be appointed by the Bishop to labor under the direction of the Sunday School Board. It shall be the duty of said agent to organize Sunday Schools, conduct institutes, and in every other way possible to build up the Sunday School work.

- 2d. That in order to enable the Board to pay the salary of said agent, the Conference direct the Board of Missions to add 10 per cent to their assessment for Home Missions which 10 per cent shall be turned over to the Sunday School Board, and that our Conference Treasurer be instructed to remit 10 per cent of the amounts collected during the quarter for Home Missions to the Treasurer of the Sunday School Board.

- 3d. That we recommend that the Bishop appoint C. W. White as Sunday School Agent and Colporteur.

4th. That we recommend that Easter be observed in all our Sunday Schools as Florida Day and that the collections on said day be remitted by the pastor to our Conference Treasurer, who shall remit same to the Treasurer of the Sunday School Board.

SABBATH OBSERVANCE.

We, your Committee on Sabbath Observance,, submit the following for your consideration:

First—That the law enunciated from Sinai's Heights has never been repealed; it is, therefore in effect and obligatory upon all, both in strictly observing the law ourselves and in influencing others to a like observance.

In order to more effectually accomplish this end, we recommend that each pastor preach at least once during the year to each organization in his charge, on Sabbath Observance. That he mention the laxity peculiar in this respect, to his congregations, and cry out against encroaching upon God's Holy Day, either for secular engagements or social enjoyments.

Next—That a sentiment be created in each charge which shall be wholesome along this line. Inasmuch as the homes of our people are places where a large amount of sentiment is engendered, we recommend therefore, that we begin there.

As to how to further create this sentiment, we leave each pastor to determine.

We heartily endorse the Sunday League of America and earnestly ask the co-operation of each pastor and layman in that movement. as an earnest of their attempt they are asking by public meetings and by literature in English and Spanish to educate sentiment and conscience; to reduce Sunday toil to the minimum of necessity and mercy; and to drive out Sunday amusements, and make Sunday a day of genuine rest, quiet and thought. It asks for the result on grounds of humanity, patriotism and religion.

We therefore bespeak for the League the earnest support of each pastor during the coming year.

Respectfully submitted,

J. T. MITCHELL, President.

Whereas, The "Vanderbilt Commission" appointed by the General Conference of 1906, affirmed, after due consideration, the ownership and right of control by the M. E. Church, South, of Vanderbilt University, and the rights of the bishops as "common law visitors;" and

Whereas, The decision of said Commission does not seem to have ~~served~~ the question at issue so completely as is desired; and,

Whereas, It is the sense of this Conference that the rights and interests of the Church ought to be thoroughly protected in this matter. Therefore,

We, the Florida Annual Conference, do hereby memorialize the General Conference of 1910 to take such conclusive action as will fully and forever assure to the Church ownership and control of the University, with all rights accorded to the Church and the bishops by the University charter and the findings of the Vanderbilt Commission; and to make effective, by such legislation as may be necessary, the law of the Church and the findings of said Commission as to the appointment of the University Board of Trust.

J. B. LEY.

Resolved, That while our Conference is doing Christian educational work and are trying therein to meet the demands that are upon us; it is the sense of this Conference that pastors should not employ preachers or evangelists to hold meetings in our churches who are supporting independent institutions by recommending or contributing funds to such institutions, and that preachers giving support to such institutions are in so far, violating their obligations to our church.

MEMOIRS

MRS. O. A. THROWER.

Mrs. Fannie Medora Thrower (nee McDaniel) was born in Murphreesboro, Tenn., Oct. 24th, 1854; was married to Rev. Osgood A. Thrower at the age of eighteen, and on Feb. 16th, 1910, after two years of suffering from the ravages of an insidious and incurable disease, calmly and sweetly fell asleep at the Riverside parsonage, Jacksonville, Fla.

In early life she gave her heart to God and joined the Church. In her girlhood she received the educational training of that day, and thus was mentally and spiritually equipped to meet all the requirements of the home and the Church, of which she and her husband were faithful and life-long servants.

A few years after their marriage, they entered the itinerant life. Cheerfully and unreservedly did she assume its responsibilities, and faithfully and loyally, discharge its obligations and bear its burdens. With the charge of keeping the home, cheering the heart of the preacher-husband, and rearing to manhood and womanhood seven children, she gave what other service she could for Christ and His Church. One who knew her best, says of her: "She met and discharged to the fullest all of her duties as wife, mother and christian." Precious words of commendation! She was a christian and Methodist of the old type, having no sympathy with the "new Church," or the "new christianity;" and no taste nor time to devote to modern society. Her religious life was modest, yet shone with the steady brightness of the true light.

How can words describe the beauty and influence of such lives? Who of the world can adequately appreciate their worth? Hidden in the humble homes, which the Church provides for its preachers; engaged with the varied and pressing demands there; straightened often by lack of conveniences that make life easier to others, and with the husband bearing the burdens of the ministry and the Church, theirs is no path of ease. And yet, the never-failing and all-sustaining presence of the Master is vouchsafed to the noble women of our Methodist parsonages. Of them as of another woman (who poured upon His sacred head the offering of her love in the precious ointment) He doubtless says—"She hath done what

she could." Around them shines the halo of holy and unselfish living, and in the day of final awards, He will crown them with His highest approval.

Laid to rest in the family burying place, in Oakland Cemetery, Atlanta, Ga., the body of our comrade's wife, awaits the resurrection of the just; while her glorified spirit safely and sweetly rests in the eternal sunshine and bliss of the "Home on High."

H. E. PARTRIDGE.

MRS. ELLA BRIDGES.

Mrs. Ella Bridges entered into rest at the parsonage in Plant City, Oct. 1910.

Earth is poorer and Heaven richer in the death of this dear sister. She was so true and tender and faithful in all the relations of life, that the Master's "Well done" was deservedly spoken.

Her life was full of love for the work of the Lord.

Of self took no thought, but gave her time, strength, and influence in spreading the Kingdom of the Lord. Sister Bridges was gifted with a bright mind, and her talents were used for the glory of God.

She was prominent in missionary work, and held important offices in the Woman's Foreign Missionary work. She was a kind, helpful, devoted wife, and untiring mother, a loyal and true friend.

She went through the varied experiences of a minister's wife with hope and courage to do what she found to do.

The brave heart is still that breasted the storms of life for those she loved; but even in death that love is triumphant in power for good, for her own can never forget.

Her influence was and will continue for good, uplifting, and purifying through the years to come, and as the broken lines of life are readjusted, may it be given the bereaved ones to know the peace which was hers in striving to follow, where she led.

We feel deep sympathy for the husband and two little ones, and pray our Heavenly Father to comfort them in their bereavement, and pour in the oil of grace to heal.

R. M. WILLIAMS.

REPORTS

BOARD OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE.

To the Bishops and Members of the Florida Annual Conference.

Dear Brethren: This Board respectfully submits the following report of its work for the years 1909 and 1910.

We wish to rehearse this matter from the beginning for the information of the brethren.

In 1908 the Orphanage first opened under the direction of the Orphanage Board and Orphanage Committee jointly. At the Annual Conference at Miami, December 1908, this Conference elected a new Board of 15 members, 7 preachers and 8 laymen, as follows:

.....
with full power to manage and conduct the affairs of the Orphanage, to incorporate the same under the laws of Florida, securing the property under the Disciplinary Trust Clause to the M. E. Church, South.

In organizing this Board, Rev. L. W. Moore was elected President and T. Griffith Secretary and Treasurer.

The property of this Board at this time consisted of a large two-story building, 135 feet long by 50 feet deep, with seven large store rooms on the first floor and bedrooms on the second floor, with eight large lots of rich garden land attached but uncultivated.

The Board continued the arrangement of the previous year with Mrs. F. L. Brooks (who conducted a training school for girls), giving her the use of the property and paying her \$10.00 per month for the care of each child.

When this Board took charge December 1908, we found two orphans being cared for by Mrs. Brooks. Two more were admitted during the year 1909. Much had to be done and considerable money expended to put the home in any proper condition to care for more children. The property (sold to us by Miss Emma Tucker at a nominal sum of \$1,200.00) must be paid for; changes and improvements and repairs; needed furniture, bedding, clothing, etc. The lots had to be cleared, fenced and put in a state of cultivation.

The Board wisely decided to make haste slowly, so the

greater part of the funds received in 1909 were used in placing the Home in a condition to receive orphans and take care of them.

At the meeting of the Board in December 1909 at Lakeland, the Board decided to make a change in the management of the Orphanage. Mrs. Brooks who had been very faithful and efficient desired to retire with her girls to her own home. So the Board placed Mrs. M. J. Gramling, matron in charge, at a salary of \$25.00 a month. She has had full charge during the year in the management of the orphanage, purchasing supplies, having repairs and improvements made, etc. under the general supervision of the Secretary, as representing the Executive Committee. Much has been done this year in improving the Home and cultivating the garden, placing new furniture, lighting system, baths, etc.

In January 1910 we had three children; during the year we have admitted 27, seven of these have been voluntarily withdrawn, for various reasons, leaving now in the home 23 children. Some of these have been given legally to the Orphanage. A very few have paid for their care and the receipts turned into the treasury.

In June the whole building was thoroughly screened and we have no sickness whatever since. No application for admission to our Home this year has been refused, if the applicant was eligible according to our rules.

Mrs. M. J. Gramling, Matron in Charge, has done an excellent work. In the multitude of duties, cares and responsibilities of such a Home, with from 15 to 25 children to care for and much of the time without help, except the children themselves, some duties might easily be left undone or neglected; yet, the main fact, in our estimation is that she has made a HOME for those homeless children. She has **mothered** them with faithful, loving solicitude and care, teaching by precept and example the beauty of Christian character, as well as training them in many duties to make them useful and helpful. She has won the abiding love of those children, who will not cease as long as life endures, lovingly to call her **Mother**.

I would not fail to note the helpfulness of one of the best friends of our Orphanage, Miss Emma Tucker. Through her solicitation, many of our donations have come. Many liberal donations have been sent in to the Orphanage this year. Boxes of clothing, bales of bedding, boxes of dishes and utensils, a

fine Jersey cow costing \$85.00, and \$100.00 to sink a well, being among the most recent gifts.

The financial statement is easily told.

Cash on hand when this Board took charge.....	\$ 667.69
Amount received in contributions for 1909.....	2,160.00
Total receipts 1909.....	\$2,827.69
Total receipts for 1910.....	1,924.00

This we think is a very fair showing for this child of the Conference only 2½ years old.

Respectfully submitted,

L. W. MOORE,
President of the Board

T. GRIFFITH,
Secretary and Treasurer.

REPORT OF JOINT BOARD OF TRUSTEES.

From the report of Rev. J. R. Stewart, Secretary of the Endowment Fund for Superannuates shows a gratifying condition and growth of this Fund. Its cash assets now amount to \$166,000; notes, subscriptions and other assets \$107,750; total \$273,750. Already is this Fund yielding a dividend; and

this is being apportioned among the several Annual Conferences to be distributed among the claimants. Our Board received from the Fund at this Conference \$144. We have carried out the suggestion of the Trustees of this Fund in making an assessment on the Conference for this Fund, placing it at \$1,000. On assessment for 1910 \$541.90 was collected.

We urge every preacher to present this cause to his people—as required by the Discipline.

We also call attention of this Conference to a resolution passed at the last session requiring the collection for Conference claimants to be taken during the months of January and February. The Board's plan is to make quarterly payments to those worthy and esteemed claimants; but its ability to carry out the plan, depends upon the collection being taken early in the year and raised in full. The report of Secretary and Treasurer is herewith appended.

HENRY E. PARTRIDGE, Chairman.

REPORT OF THE EPWORTH LEAGUE BOARD OF THE FLORIDA CONFERENCE.

In reporting on Epworth Leagues, we beg to submit first a few facts on the growth of this work. The membership for 1909-1910 is 145,091, an increase for the present year of 6,549, in 116 new chapters. There are now 1,813 Junior Leagues, 37 Boy's Leagues, and 38 Intermediate Leagues.

These figures indicate nearly the number of young people organized in Epworth Leagues. What they are and have been to the life of the Church cannot be tabulated or stated in figures, but a large proportion of the younger members of the boards of stewards, women's missionary societies and the Sunday School forces have been recruited from the Epworth League. It would be difficult to imagine our church apart from the contribution that has been made to it by the League. Officials are now recruited chiefly from the young, whereas they were in former years chosen chiefly from among the middle aged. Again, former Secretary of Laymen's Movement, W. B. Stubbs, testifies that in our Church the most effective work is being done by young men who have received their training through the League. It has been estimated by Dr. DuBose that at least one thousand men are in our ministry through the spiritual work of the League.

The contributions of the Epworth Leagues' to the missionary forces have been even more striking than those to the ministry. This is doubtless due to the extensive mission study in the League and the special appeals that are rarely omitted at the League Conferences.

Last year the Leagues contributed \$107,845.86 to church work, \$26,575.85 of which was for missions.

THE ERA.

The books of the Publishing House show that, although the past year was a trying one on all sorts of journals the Era paid the cost of its publication, including the Editor's salary, and showed a balance to its credit.

The figures show that 31% of the charges in Southern Methodism have no Epworth Leagues; but as these pastoral charges include 19,136 societies it is evident that 15,069 congregations are without Leagues, i. e., 70%; though for twenty years there has been in our discipline this requirement "that Epworth Leagues be organized in all our congregations for the promotion of piety and loyalty to the church among our young people."

THE BOYS' LEAGUE.

The Boys' movement is today one of the most significant in Europe and America; and the effort to create a Boys' League in Southern Methodism is not a fanciful, arbitrary undertaking on the part of impractical and unreasonable fanatics, but a worthy attempt to take advantage of a strongly swelling tide of interest in the boy, and to make that interest effective not only in the development of the boy, but also in winning the boy to loyal allegiance to Jesus Christ.

FLORIDA CONFERENCE LEAGUE.

In Tampa this year was held a most successful and profitable State League Conference. Our aim for the year, 1,000 new members, was realized. The largest representative of League Chapters we have yet had, came together and splendid work among the young people was accomplished. \$100.00 on a scholar-

ship in the Methodist Training School was reported paid, \$50.00 yet to be paid. A superintendent of Missions was elected to promote missionary work and study among the Leagues. The following aim was adopted for 1910-11: To enroll 500 Boys' Leaguers; To organize a Mission Study Class in every Chapter; A Chapter in every church; And a more nearly perfect organization of the State League through quarterly reports and monthly communications between District Secretaries and the Local Chapters.

HINDRANCES.

Our work has been greatly hindered through the lack of co-operation on the part of the pastors with our State and District officers. Our letters, our inquiries for information and our attempts to get into communications with the Leaguers have been unanswered, neglected and thwarted; and we have been unable to secure necessary communications and information. We desire most earnestly the heartiest co-operation of pastors in this vitally important work; and do hereby beg of them to do all in their power to assist your Board to organize a League in every church, a mission study class in every Chapter, a Boys' League in every Charge.

We desire to recognize and to express our appreciation for the loyal and efficient work of our State Officers, especially of our State President, C. F. Blackburn and editor, D. B. Sweat, whose faithful work has meant so much to the success of our work.

Respectfully submitted,

J. LAWTON MOON, Secretary.

J. E. MICKLER, President.

REPORT OF THE BOARD OF EDUCATION OF THE FLORIDA ANNUAL CONFERENCE FOR THE YEAR ENDING DEC. 19, 1910.

To the Bishop and members of the Florida Annual Conference:

Dear brethren:—We congratulate the conference and our beloved church on the evidences of the continued prosperity of our church educational institutions in and out of our state. We feel sure that those into whose hands these institutions are

committed are men of God, jealous for those fundamental truths for which our church stands, that they be not tampered with nor undermined by the subtleties of modern thought, nor endangered by modern skepticism. We are glad to know that our educational leaders continue to stress the spiritual features of education, and stand firmly by the old landmarks laid down by our fathers.

We rejoice in the prosperity of Emory and Wesleyan Colleges, and the high places they have reached in the educational world. We most heartily commend them to the patronage of our people whenever practicable.

We are especially pleased to learn from its president, Dr. Hilburn, of the great prosperity and increased usefulness of our Conference college at Sutherland. Its enrollment is larger than ever before under its present presidency, reaching 258 students.

Diplomas were issued to 37 students. There are more students in the college department than ever before, notwithstanding the advance in the curriculum. The property is valued at \$190,000. It has an endowment of about \$5,000, and has a corps of 21 professors in its faculty. A considerable amount of repairs and improvements have been made during the year. Above all things else, we note with profound pleasure that the salvation of the soul of the student body is carefully looked after, and most successful efforts are made to win these splendid young people to Christ, under the ministry of Bro. Thrower, ably assisted by the president and the faculty.

We recommend the appointment of Dr. J. P. Hilburn as the president of Southern College, and of Rev. I. C. Jenkins as Conference secretary of education.

We fix the assessment for education for the conference at \$4,834. The general board has fixed its assessment at \$1,966, making \$6,800 for both.

The following provisions and resolutions were adopted by this Board:

Whereas, The educational assessment is much larger than when the resolution was adopted appropriating 25% of the amount for ministerial education. And

Whereas, 10% of the assessment will now yield a larger amount for ministerial education than did the 25% when the resolution was adopted years ago. And

Whereas, A number of the districts are now supplying

scholarships to assist the ministerial students in securing an education.

Resolved, That 10% of the amount collected for the Conference Board of Education be applied to assist students preparing for the ministry in securing an education.

Resolved second, That all resolutions in conflict herewith be and the same are repealed.

This Board requests this Conference to ask the Trustees of Emory College to have its charter so amended as that the trustees selected by the contributing conferences may be severally subject to confirmation by their respective conferences.

The following is the apportionment of the assessment for education amongst the different districts:

Bartow	\$850	\$347	\$1,197
Jacksonville	889	361	1,250
Miami	693	281	974
Tallahassee	707	287	994
Tampa	908	369	1,277
Ocala	787	321	1,108
	<hr/>	<hr/>	<hr/>
	\$4,834	\$1,966	\$6,800

Pastors are requested to collect and report these assessments separately.

Respectfully submitted,

E. A. HARRISON, Secretary.

ANNUAL REPORT OF THE BOARD OF TRUSTEES OF SOUTHERN COLLEGE TO THE FLORIDA CONFERENCE.

It is with profound thanksgiving to Almighty God and in recognition of the loyalty of the ministry and laity of Florida Methodism that we submit another annual report of the work of Southern College.

HEALTH—We have had a year of good health. But one case of anything like serious illness has occurred among all the hundreds of boys and girls who have enrolled among us, while many of our students are in the enjoyment of better health than when they entered school. This is a matter of special rejoicing since in some other institutions there have occurred more or less serious epidemics of disease.

ATTENDANCE—Our enrollment for the past school year exceeded that of any in the history of the college, while indications now point to an increased attendance for the present school year. We regard this as especially gratifying in view of the increasing prestige claimed for state schools.

DIPLOMAS—College Department.—At our commencement last May there were issued to thirty-seven students, who had met the requirements of our advanced curriculum, Diplomas and Certificates of graduation from the several departments of the school. In this connection we wish to add that notwithstanding the advances in our curriculum, we have more students in the college department than ever before and are sending out some of our graduates whose literary attainments would reflect credit upon any school in our connection. , ,

THE ACADEMY—The wisdom of the organization of this department has been fully demonstrated in the increasing efficiency of our work done. The Academy takes students who have successfully passed the sixth grade and gives them a four years course, practically covering the same measures and class of work done in State schools, from the seventh to the twelfth grades, thus preparing them for college work proper, where a little more than fourteen units are required for admission. In fact a diploma from the Academy answers well for those who are unable to take the full college course. However, in order to acquire a degree, four full years more are required. Such is the success and popularity of our Academy work, we have been compelled to add two new teachers to the already able faculty of this department.

FACULTY—Our present faculty consisting of 21, of whom a large proportion are in the college proper, are men and women of a high degree of culture and supreme consecration to the duties which the Church has laid upon them. It is safe to say that the measure, however, of their loyal service and administrative efficiency is in no small degree due to the genius of management displayed by Dr. J. P. Hilburn the honored and beloved president of the institution.

MUSIC AND EXPRESSION—Before passing to other important features which it is desired that the conference should consider we wish to lay special emphasis upon the splendid work done by our conservatory of music under the skillful direction of Senor Carlo Mora.

We have been embarrassed because of our inability to accommodate all who desire musical training under Dr. Mora, and

even with able assistance prospects now indicate that we will soon have to add more teachers to our music faculty. In a limited way the school of expression is no less popular and is so rapidly increasing that indications point to an early need of additional help here also.

COMMERCIAL—Our commercial department is doing excellent work, but is very much crowded, so much so, we are planning at once for another assistant to our able Principal.

THE STUDENT BODY—It will be gratifying we feel sure to the conference to know that we have an exceptionally fine body of students who are doing unusually good work, while their department both in class room and dormitories is very gratifying to the management. Not less than 20 young men are now at college studying for the ministry. Some are already evidencing marked preaching ability whose influence and work for God and Methodism in Florida will tell as the years come on. Some superior young ladies are also preparing themselves for work in the mission field of the Church.

REVIVAL—While the usual routine of specifically religious work at the college is truly evangelistic, yet we are pleased to state that in recent weeks the student community has been blessed with special revival work, under the faithful leadership of a consecrated resident pastor, Bro. B. K. Thrower, who was ably assisted by Conference Sunday School Secretary, Bro. C. W. White. The gracious influence of this work was felt as well by the faculty as the students.

IMPROVEMENTS—Two new recitation rooms have been completed and furnished in the basement of the Administration building. Another room on the second floor of the same building has been furnished for preparatory work. Two additional dormitories for boys, known as the Patterson Hall and Jenkins Cottage, making four in all now in use, have been added, and all filled almost to their limits, with prospects of many new applicants for admission after the holidays.

GYMNASIUM—Our Gymnasium, a beautiful stone building, is rapidly approaching completion, giving promise of readiness for occupancy with the opening of the spring term. We have recently acquired by purchase 25 acres of valuable land immediately adjoining the college campus at a cost of \$1,500.00, which will add materially to the value of our splendid property holdings.

In order to complete the gymnasium, and clear up some other

minor obligations, the trustees have been compelled to borrow \$10,000.00, most of this amount, however, is covered by good notes and subscriptions which will soon mature. We wish here to emphasize one important fact: Not one penny raised for improvements and repairs, is used for current expenses, the income from the school being entirely sufficient for this purpose.

SCHOLARSHIPS—Three scholarships from the Bartow district, and one from the Tampa district at a cost of \$150.00 each have been provided, making it possible for four of our most promising young preachers to pursue their studies. We commend the wisdom and liberality of those noble laymen for their splendid gifts.

AN IMMEDIATE DEMAND—While we rejoice in what has been accomplished in a material way and certainly no less in other lines of our work, the very success which are ours demand an advance movement.

We must have, as soon as men and money can build it, an additional dormitory for the accommodation of our boys, who are now knocking at our doors. To fail means to send boys to other schools, some with very lax or superficial religious standards. This we dare not do. What then?

Resolved—1. That we will enter at once upon an active campaign to raise at least \$25,000.00 for the erection and equipment of this building.

2nd. That to intelligently, systematically and successfully carry out the purpose of this first resolution, a campaign committee be constituted, composed of the President of the College, the Presiding Elders, two members of the Board of Trustees and one from the Board of Education, who shall plan for and manage the campaign.

3rd. The Board of Trustees are hereby authorized and empowered to issue bonds payable in years with the best interest rate attainable, for the sum of \$20,00.00, or so much thereof as may be necessary to meet present emergencies, if in their judgment it be deemed expedient and wise to take this action.

Respectfully submitted,

BY THE BOARD OF TRUSTEES SOUTHERN COLLEGE.

FLORIDA CONFERENCE—LAYMEN'S COMMITTEE REPORT.

Your Committee on Laymen's Missionary Movement, beg leave to report as follows:

FIRST—That we have carefully considered the letter addressed to this conference by the General Secretary of the Laymen's Missionary Movement and heartily approve the policy of the movement so far as it is expressed therein.

SECOND—We believe the every-member canvass, seeking to secure a weekly offering for Home and Foreign Missions, from every Southern Methodist, will enable us to do our share in evangelizing Christian men at home and abroad, and that it will eventually solve most off the financial problems of the Church, and we hereby pledge our Laymen to a full co-operation with our Pastors in carrying it into effect.

THIRD—The very marked success that has attended the use of the envelope system, the simplest and most effective device for collecting missionary money and all current expenses of the church, constrains us to recommend some system of this kind for all of our collections, and recommend weekly offerings when possible to do so.

FOURTH—We believe that the "Missionary Voice," the "Christian Advocate" and the "Florida Christian Advocate," offer to the movement convenient and effective media for the education of our people on the subjects of Missions and for keeping them informed on the progress of the work.

FIFTH—We heartily approve any action this conference may take looking to the betterment of the conditions of our superannuate preachers, their widows and orphans and pledge the laity of a hearty co-operation in carrying this action into effect.

SIXTH—We believe that our Church, schools and colleges are furnishing to our South Land its best type of manhood and womanhood and urge our Laymen everywhere to make the better endowment and equipment of these institutions, a matter of immediate consideration.

SEVENTH—We believe no man can be a happy and growing Christian who makes no personal effort to win others to Christ. Therefore, we recommend that our Laymen heartily co-operate with their pastors in revival work and that they volunteer to conduct religious services when needed. It will thus become practicable to have some form of Christian service at every preaching place, within our borders every Sunday.

EIGHTH—We recommend that the Conference Lay Leader, the Vice-Lay Leader and District Lay Leaders be made members ex-officio of the District Conference.

NINTH—We most earnestly request the Presiding Elders to arrange for a Laymen's day at the District Conferences and that in making their regular rounds they emphasize the question relating to the election of Church Lay Leaders.

TENTH—We recommend that the names and Post Office addresses of the Conference and Vice Lay Leader and District and Church Leaders be printed on the Minutes of the Conference.

ELEVENTH—We deprecate the fact that so few Lay Delegates attend the Annual and District Conferences and most earnestly ask that they make an earnest effort to attend when elected or get their alternate to attend in their stead.

TWELFTH—We hereby nominate C. H. Mitchell, of Arcadia for Conference Lay Leader and A. W. McLeran, of Wellborn for Vice Conference Lay Leader for the ensuing year.

Respectfully submitted,

A. W. McLERAN, Chairman.

ANNUAL REPORT OF SUNDAY SCHOOL BOARD.

Dear Brethren: At the last session of our Conference the Board asked for the appointment of a Field Secretary, and adopted plans for the financing of the enterprise together with such other usual expenses as pertain to its work.

These comprehended. 1st.—The solicitation of personal contributions in small amounts from leading laymen whose names were to be secured from presiding elders in each district and furnished the Secretary through the President. Early in Feb. 250 personal letters were so sent, mailed under 2 cent cover, in which was enclosed an addressed and stamped letter for reply asking for sums ranging from one to \$5.00 and in one or two cases \$10.00. To all failing to reply, as second letter was sent early in October. In answer to the first appeal 34 replies were received. From the second came only 5.

2.—It was also ordered that Easter Sunday be observed as "Florida Day," and the Secretary was instructed to prepare and mail programs, suggestions, etc. for the observance of that day. This was done, and on March 19, 5,000 programs, etc. were mailed. As was feared, Easter Sunday was generally pre-

empted, and few reports came back to the Secretary—only ten reporting.

From these appeals by the Secretary a total of only \$122.66 in cash, and \$6.00 pledges were realized. (The pledges were not paid.)

In addition to the above sources of revenue the Conference authorized a 10% addition to the assessment for Conference Missions, and also requested the appointment of the Secretary to the colportage. From these sources of revenue, it is hoped the board, with what can be spared from Children's Day collections, will be able to meet its obligations.

The Board submits the following summary of work done by the Secretary, illustrating the truth of the saying that "wisdom is justified of her children."

These figures are culled from the Secretary's report to the Board, and should be interesting to the Conference.

Miles traveled	10.160
Sunday School Rally's held	93
Services conducted	542
No. persons accepting Christ in meetings held.....	120

Young Peoples' Hymnals	266.00
Total amount received by voluntary offerings and col- lections	478.41
Commissions, or profit on books sold	474.92
Traveling and incidental expenses	422.28

The Board would respectfully recommend for the new year:

1. The reappointment by Bishop Kilgo of Rev. C. W. White as Field Secretary.
2. That the 10% assessment on the Board of Home Missions be retained.
3. That the secretary be continued in the colportage work.

4. That he be permitted to take free will offerings when Sunday School institutes are held so far as it may appear to be wise.

GENERAL.

We note with much pleasure the splendid variety and growing excellence of our Sunday School periodical, literature and most urgently insist that all of our pastors and superintendents shall use such literature as is furnished by our church and that they discourage always and everywhere the use of independent and undenominational publications such as are furnished by the David C. Cook Co. and others of like ilk. We also urge that all needed books and periodicals especially S. S. supplies be ordered through our own colporteur and field secretary, Rev. C. W. White. We commend the suggestion of our General Board for the organization of our Bible Classes under the name of Wesley Bible Classes.

All of which is respectfully submitted

Resolution.

Resolved, That every Pastor in the Conference be requested to make efforts to secure for this Board a piece of desirable real estate or other assets that may be used or become a super-annuate home or increase funds for the beneficiaries of this Board.

SABBATH OBSERVANCE.

We your committee on Sabbath Observance wish to call the attention of this Conference to the fact that God never gave a greater blessing to humanity than the Sabbath and that it is being badly abused by foes and sadly neglected by friends. The problem of church attendance can be easily settled by a proper Sabbath observance.

Be it resolved therefore, That we as a church insist more strongly on keeping the Sabbath holy unto the Lord and upon our state officials enforcing her laws against Sabbath desecration. That we deeply deplore the increasing interest in Sunday sports and social functions which destroy the sanctity of the Sabbath.

Resolved 2nd, That we urge all of our pastors to preach as often as possible on the subject of Sabbath observance.

Resolved 3rd. That this Conference memorialize the State Legislature at its next session to enact suitable laws to enforce the closing on the Sabbath of theaters, shows, saloons, places of amusements, places of business, militating as they do against the peace and quietness of the Sabbath and morals of the people. That a committee consisting of I. S. Patterson, and the presiding elder of Tallahassee district and pastor of Tallahassee station be appointed as a committee to present this matter to the legislaure.

S. J. HENDRIX, for Committee.

DISTRICT CONFERENCE RECORDS.

We your committee on District Conference Records submit the following report:

The records of the Jacksonville, Ocala, Bartow and Miami districts only were presented, and these we find after careful examination, to be in good shape, the work done with care, neatness and accuracy for which we commend the painstaking secretaries.

The Tallahassee and Tampa district records were not presented for examination and we regret to note that the Tampa district record was reported lost, and the last records of that district for this reason are yet unrecorded.

Respectfully submitted,

W. A. WIER, Chairman for Committee.

REPORT OF PUBLISHING COMMITTEE FLORIDA CHRISTIAN ADVOCATE.

We your committee are gratified to report that under the wise management of the editor, Rev. N. H. Williams, the Advocate has paid all expenses during the past year and has now a subscription list of 2,800. We commend the editor and business manager for his faithful service.

As Bro. Williams has presented his resignation we nominate Rev. E. F. Ley for editor of the Advocate for the ensuing year at a salary of \$1,800.

In order to increase the circulation of the Advocate, and guarantee the salary of the editor, we present the following resolutions for adoption by the Conference:

1st. That all the preachers receiving appointments at this Conference are urged to obtain during the next year new sub-

scribers to the number of one to each \$100 of his own salary, and that we pledge ourselves to carry out this resolution.

2nd. That the laymen of this Conference be requested to form a guarantee association and secure pledges to the amount of \$1,000 or more to guarantee the editor's salary.

L. W. MOORE, Chairman.

T. J. NIXON, Secretary.

(We recommend that this Conference appoint a new publishing committee of seven members and that this committee, after consultation with the editor shall appoint four contributing editors to serve without remuneration.)

The American Bible Society report as follows:

This Society has as its exclusive object the translation and diffusion of the sacred scriptures, and can only be regarded in the light of an expression of Christian benevolence and a blessed fulfilling of the great command, "Go into the the world and preach the Gospel to all the races."

It is one of the distinguishing features of Protestantism as compared with other forms of christianity; and, as such, has been peculiarly indorsed by the great Head of the church.

The constant aim of the American Bible Society has been to secure an adequate translation of the Holy Scriptures into all the languages of the earth; to distribute the same as widely as possible, and especially to reach the destitute of all classes and conditions. To accomplish this result, the maximum price has invariably been fixed at cost, while the minimum has been placed at less than cost—and very often made a free gift.

This Society distributed more than 1,000,000 copies of the Bible in 1905. By grants of money and of books it has aided the missionary labors of the various christian churches having missions in foreign lands both as to the translation and the circulation of God's word. Amongst the many fields of its labors are included all of the foreign missions of our own church—as China, Japan, Korea, Mexico, Brazil, Cuba, nearly all European countries, besides portions of our own South lands. To fully accomplish this work, the Society prints in whole or in parts, the Bible in more than one hundred different languages.

Perhaps there is not in existence a more unselfish institution or a more essential adjunct to all kinds of missionary effort—than is this great Society.

We should call the attention of our people to the fact that

the collections of this Bible work within the bounds of the Florida Conference for the year 1909 were not equal to one third of the amount the Society was expending alone in Tampa and vicinity for one year.

There are at present at work in our state two colporteurs, several correspondents, and plans are maturing to open up work soon in Pensacola and Jacksonville.

The year 1911 being the Ter Centenary celebration of the publication of the King James Version of the Bible, the Society asks the co-operation of all Protestant churches. As a Conference we are cordially invited to observe this event, the literature for which will be furnished free to all pastors and churches. Hence, we recommend:

Resolved: That as a Conference we will comply with this request in so far as we are able.

For the Committee:

F. M. C. EADS.

RESOLUTIONS.

Whereas, a resolution was introduced into the General Conference at its recent session in Asheville, N. C., and was spread upon the Journal of the same asking that body to hold its session of 1914 in Tampa, and

Whereas, a local executive committee has been organized in Tampa to gather necessary data and information to place before the commission, appointed by the General Conference, which has the authority to fix the place for the meeting of this body.

Therefore, Resolved that this conference most heartily endorses the action of our delegates and others in tendering this invitation, to this body of lawmakers, and that we hereby pledge our most hearty co-operation to the local committee of Tampa in all laudable efforts to secure the session of the General Conference within our Conference bounds.

Resolved, That our pastors and Sunday School workers give him their hearty co-operation and encouragement in preference to all others.

G. L. ROBERTS, Chairman.
